

Announcing the 2023
ABC National Agility Judge

Terry Elger

First of all, Thank You for inviting me to judge your national specialty.

A little about myself, I share my life with my beautiful wife, Denise. Three wonderful Border Collies enrich us both., , Givens ,Ceit and the youngster Coal.

Not retired yet, I own Real Clean Window Co. providing window-cleaning services throughout the Milwaukee area.

I have been involved in dog training for over 30 years right here in the state of Wisconsin. I started in obedience, but my real passion has been agility for the last 25 years. We worked with the Milwaukee Dog Training Club to start and run some of the earliest agility trials in the Midwest. Denise and I have taught agility classes for over 20 years.

I have enjoyed judging agility since 2003 including the AKC nationals in 2007 and Agility Invitational in 2016

The best part of judging for the American Kennel Club is the wide variety of dogs you get to see doing agility. Nowhere else can you judge a huge Great Dane and later that day a tiny Chihuahua. You just never know what you will see next. Especially when it comes to those amazing Vizslas.

My goal for course design is to challenge the best of the dogs and handlers, while making them fun and doable for everyone.

I hope that goal will be reached at your Specialty this year.

Good Luck and have Fun !!!
