PRO PLAN

The American Brittany

VOLUME LXXIV • NUMBER 7 • JULY 2022

Objective and Purpose:

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Western Futurity

April 14, 2022

As seen by Jim Hammett

The Washington Brittany Club was honored to host the American Brittany Club 2022 Western Futurity in Ritzville, Washington.

Spring weather in eastern Washington can often be challenging, but April 14 proved to be downright brutal. Northeast winds exceeded 30 mph with intermittent sideways snow showers all day. Although the dogs did not seem to mind, horses, handlers, judges and this reporter suffered wind chill in the low teens and got pelted by grapple and snow. It was a great day to test foul-weather gear!

A big thank you to Purina for supporting this futurity. Their support, financially and otherwise, is greatly appreciated. The US Bureau of Land Management provided the permit for the use of our public land for the event, and their support is critical and appreciated. Also, much appreciation to the following Washington Brittany Club committee members whose diligence and hard work resulted in a successful and enjoyable event. John Henderson-Futurity Section Manager, Nancy Noble-Section Secretary, Shaun Hall-Field Chairman, Joe McCarthy, Marty Noble, Jim Hammett-Committee Members,

The all-age stake had six dogs; the gun dog stake 18. Judges for all-age were Tom White from Melba, Idaho, and Jim Cochran of Fall City, Washington. The gun dog judges were Anne Tyson from Ephrata, Washington, and R.J. Marquart of Moses Lake, Washington. All four judges are experienced trainers and handlers and have judged many stakes. Each of them endured exposure to the wind, snow, and the cold all day.

The event saw some very good dogs that are sure to go on to accomplish much in their careers both in the ring and field for their owners. 4 of the 6 money winners in the show competed in the field. This year we had an amazing three-way tie for the sought-after Dual Dog Award, shared between Painted Rock Loretta Lynn owned by Jason Canales (handler), Shadywood Wolcott Quaxinelli Banks, owned by Joseph McCarthy (handler) and High Lonesome Owyhee Storm, owned by Jim Hammett (handler). Congratulations to all three of them on sharing this great placement.

Thank you to the Washington Brittany Club for hosting the event. Last but certainly the most important, thanks to all the futurity committee members from the western region: Nancy Noble (secretary), and John Henderson (manager) without whom this event could not have been possible. And to Leslee Masolotte and her ABC Futurity Committee for their invaluable help and support through the whole process. And, of course, a huge thank you to Purina for their sponsorship of the event. Please continue to nominate your litters and support future futurity events hosted by our regional clubs.

The All Age Running:

Brace 1. Breaking away at 7 AM, the ground had a dusting of snow, making it hard to see white dogs at distance. Spanish Ranch's Ultimo (Timo) handled by Dan Doiron was braced with Redlines Trace

of Smoke (Trace) handled by brother Paul Doiron. Both dogs pushed forward at moderate range. At the first gate, at 16, Timo disappeared for a few minutes, but was found standing on the far hillside by the bird planter. A bird was produced with all in order. Trace continued to run well and hunt but finished birdless. Both dogs finished strong and forward.

Brace 2. Mr. Staley (Doc) handled by Dan Campbell was braced with HVK Turn Back Time (Mick) handled by Paul Doiron. Doc and Mick had an initial collision at the breakaway, with Doc complaining about his right front leg. Dan told Doc to shake it off, which he did after a couple of minutes, and began to stretch out into several all age casts. Mick ran a shorter race but stayed forward. At 24, Doc had a find northeast of the bowl. He followed this with a second find near last chance hill at 28. Mick finished birdless.

Brace 3. High Lonesome Owyhee Storm (Storm) handled by Jim Hammett was braced with Smokin' Hot Ember (Ember) handled by Paul Doiron. Storm broke into a big, fast run at the start and was glimpsed twice at about 5 and 7 on the interior ridge forward 800 yards or better. At the second gate, he was again spotted at 13, running north, and turned and checked in with his handler. After the second gate, he motored out into the flat, making a very wide circle to the west. He made the turn, sped through the bowl and over the top heading north. By the time his handler topped the ridge north of the bowl, he was spotted well out in the flat running east. Making a quick check of last chance hill and approaching time, Storm ran back to the north and, much to the relief of his handler, slammed on point at 29 on top of a rocky bluff toward the end of the course. A bird was produced, and time was called. Ember ran a responsive, forward race, but her range was shorter, and she finished birdless.

The Gun Dog Running:

Brace 1. Elkhorn Mtn's Poetic Playboy (Apollo), handled by Tommie Dahl was braced with Shadywood Wolcott Quaxinelli Banks (Quax), handled by Joseph McCarthy. Both dogs ran a controlled shorter race, but handled well, with little noise. At 5, a bird was flushed, but which dog was responsible will remain a mystery. At 9, a second bird was flushed, but again was not associated with an observed point. At 21 and 25, Quax pointed birds with good style and forward to his handler.

Brace 2. Wind Mtn's Macsanko Sunrise (Missy) handled by Jason Sanko was braced with Warbonnet Wynd Swept Dunes (Dune) handled by Todd Breitenfeldt. By now the sideways snow had started and the wind was howling. Both dogs stayed forward, running a controlled moderate race. At 9, Dune had a find, but crept in and flushed. At 16, Dune was standing, and Missy came in and pointed the same bird. This created enough pressure that Dune broke and ended up with the bird in his mouth. At 18, a similar situation occurred, but both dogs held. Time was called as the dogs approached last chance hill.

Brace 3. Beans Blazing Ghost (Ghost) handled by Michael Stevens was braced with HVK Little Man Tate (Tate) handled by Paul Doiron. At 4, Tate put a bird in the air, but continued forward with a nice race. At 12, Ghost made a big cast forward and was found standing on top of the broad ridge, looking like a million bucks. Tate came in late and stopped with a beautifully executed honor. A bird was produced with Ghost giving chase. This find/honor was the visual highlight of this stake. Both dogs ran well and finished forward. If anything, Ghost ran a bigger race, but both dogs handled well and with little noise.

Brace 4. Shadywood Island Girl (Matia) handled by Sheryl Palmer was braced with P&P's Precious Gem Mica Pc's Shimmer of Finesse (Mica) handled by Allen Grogan. Both dogs were close working gun dogs. Mica had several lateral casts. At 13, Mica was found standing, but caught the bird before it flushed.

Brace 5. Firebrands One and Only (Skeet) handled by Jim Cochran was braced with Jalos O Too (Too) handled by Jim House. Skeet never really got going as was picked up at 14. Too pointed briefly at 8 but took out the bird and executed a great retrieve to his handler. Too showed lots of speed and drive. Unfortunately, there was more speed and drive at the birds than there was point for most of the brace and he ended up taking out several additional birds with no discernable point. His retrieves were excellent, however.

Brace 6. Wind Mtn's A Little Something Wicked (Liza) handled by Paul Doiron was braced with Elkhornmtn's Warbonnet Prairie Huntress at Fireegle (Artemis) handled by Tommie Dahl. Liza ran hard to the front with some big casts and great ground speed. She finished with 3 finds, two within the last minute of the stake, and no more than 40 yards apart. Artemis was shorter but very responsive to his handler.

Brace 7. Painted Rock Loretta Lynn (Lorrie) handled by Jason Canales was braced with Caliah's Arctic Storm (Storm) handled by Brian Jean. At 6, Storm was standing, but chased prior to his handler's arrival. After this find, Storm made a huge loop to the south and east,

taking considerable liberties with the course. Lorrie ran an exciting race with some big casts and ultimately five finds with good style. She handled well and needed a little help from her scout only once to get her back on course.

Brace 8. Caliah's Summer Phoenix Rising (Phoenix) handled by Mary Brown was braced with P&P's Precious Pc's Gem a Cut Above the Rest (Petra) handled by Paul Adamson. Petra ran a very consistent, forward race with an easy and quiet handle. Phoenix also ran forward nicely but was shorter and somewhat erratic. At 9, Petra had a find, with all in order. Phoenix came in and chased the bird but continued forward. At 22, Petra had a nice find on top of the hill below derby hill, finishing strong and forward.

Brace 9. Caliah's Journey in Autumn Wind (Journey) handled by Rhonda Jean was braced with Hall's Safari It's a Keeper (Lucy) handled by Shaun Hall. Journey started off well but was hard to handle and was ultimately lost to the south after a flush, requiring the scout to find and retrieve her. At 5, Lucy was standing, but did not continue to hold and chased the bird to the south. Lucy made a very nice retrieve after running down the bird. Lucy continued to run energetically showing great promise, but with more run than point or hold.

AKC Gazette Report for 2022

During this past year there have been three articles written and submitted to the AKC Gazette for publication in the Brittany breed column, which appears quarterly each year. These pieces written for the Brittany breed column have been based on some 45 some years with Brittanys and the people who love the breed.

2022 articles written and published in the AKC Gazette for the Brittany Breed Column are listed as follows:

- January -- To Judge
- April -- Temperament
- July -- More About Temperament
- October -- Some Thoughts on Breeding -- (written in advance and scheduled for publication in

October.

Also due to the fact this author will have ankle surgery this summer; two additional articles have been written as backup: "Nose Prints" second piece "Field Trials and Clubs"

Each piece is sent three months in advance to Arliss Paddock, Senior Editor, AKC Gazette. Once again on many of the submissions, Ms. Paddock has favorable comments about the articles.

As reported last year based on a suggestion by Karen Nelson, Grand Canyon Brittany Club and further communication with Jan Kilpatrick and Bob Fleury, an article selected from previously published issues of the AKC Gazette has appeared, except for one month, in each issue of The American Brittany magazine during 2022. This author now would like to give a special note of appreciation and thanks to Dana Na'ayem, magazine chairman, who has been extremely helpful assisting to bring each article for publication in the Brittany magazine.

Each article has been written with intent to provide readers with information about our breed. Appreciate the opportunity to represent ABC and to write the Brittany Breed Column, which appears quarterly in the AKC Gazette.

ABC Michigan Brittany Classic/Championship

April 4-6, 2022

As one of the oldest Brittany Championships, the 2022 running was the 44th renewal of the American Brittany Club / Michigan Brittany Classics, hosted by the Michigan Brittany Championship Association on April 4-6 at the Ionia Recreation Area, Ionia, MI. The Ionia Grounds Association prepares the grounds and facilities to allow the dogs to display their keen properties and perform optimally. The Open All Age is held in honor of Wade Haines and this year's overall trial honored the contributions of Chuck and Theda Langstaff with a special notation on the rosettes.

We continue to thank Purina for their continuing support of this championship. Purina's continued support, year after year, allows the Michigan Brittany Classic the resources to plan this event for years to come extending the tradition that already exist with this contest. Their food products are first class. It should be noted that Purina extensively supports the American Brittany Club with support to many different venues within the ABC organization.

The Michigan Brittany Championship Association is comprised of a number of key individuals, dedicated on keeping this championship running in the future. This year, three venues were offered, two one-hour stakes: Grand Open Limited All Age and Grand Open Limited Gun Dog and a 45-minute open derby. To run a trial of this caliber, it takes a village – from the chair Kathy Gulembo and secretary Donna Janulis to the bird planters – Dick Lipski, Ron Gulembo and Ron Auten, dog wagon drivers Ed and Judy Graves. Lunch and Dinners were supplied for the three days of the competition by chef and grill master, John Hall and sous chefs Kathy Gulembo and Donna Janulis.

It should also be spotlighted that association members Ron Gulembo, Carlos Gust, John Hall, Ron Auten, and others are in the background attending to receiving and feeding birds, clean-up, marshalling and other needed activities. Without this effort and commitment this event would not have the success level it has.

The many judges who volunteer to judge the events are also well appreciated. We had an excellent slate, deep in experience. We were also appreciative of the out of state participants; these included professional trainers Chad Holman and Al Cropek. These individuals bringing their string of talented dogs helped make this trial competitive and exciting. Other participants included Joe Williams, Burton Wice, Ed and Judy Graves from Missouri, Rebecca Walters, Al Van Wieren and Chris Sennott from Illinois and the local group from the great state of Michigan.

THE RUNNING

Grand Open Limited All Age (in honor of Wade Haines)

A field of fourteen dogs entered the Grand Open Limited All Age stake

judged by Frank Vicari, a veteran GSP competitor and Bill Branham from the long tail venues. The weather was cold and rainy. Gloves were soaked before the end of the first brace. The rain turned to wet driving snow for the second brace. Due to horrible conditions the running was halted and recommenced again about noon. Due to early pickups, the stake was completed on Monday.

Ru-Jem's Grand Touch Bourbon (Touch) owned by Jerry McGee and handled by Rebecca Walters earned the winner's nod, taking home the Wayne Croxton Memorial trophy. Breaking away from the Big Oak in the second brace, Touch cast wide to the right in his quest for the front. Scouted by Al Van Wieren, Touch made a nice move along the swamp after the gundog orchard and continued forward to the derby section of the course without bird contact. He carded a stylish point with all in order just before the gravel pit hill. Along the fence in the gravel pit, he pointed again, after an extensive flushing attempt and relocation in the sleeting rain/snow, the handler elected to go on. His race was concluded back on course one near the woods.

Runner-up went to JJ's Levi the Lionheart owned and handled by Joe Williams. Levi ran in brace three after an extended break when, although still cold and damp, the weather was much improved. He broke away from the headquarters demonstrating good all-age range and application. Burton Wice was on tap as scout. Levi had a stylish find by the day parking lot which required yeoman effort to produce the bird. Turning to the championship section, Levi shortened and hunted to the Boy Scout Bridge rewarded with his second find just before cardiac hill. Rejoining his bracemate in the gundog orchard, Levi scored a third find just before time.

Grand Open Limited Gun Dog

The weather was a little nicer on Tuesday with sunshine and no rain, but still cool for the Grand Open Limited Gun Dog which was judged by Joe Williams, a serious Brittany contender anytime he comes to the line, and GSP competitor and experienced judge Blake Rizzo.

First Place – Lapat's Cody handed by Al Cropek and owned by Larry Mc Donald earned the winner's title. Cody was in the first brace and set the bar for the stake. He ran a forward race hitting the objectives with speed and range. His first find was in Hires line with nice style and all in order. He pointed again at the island but flushing only produced a recent hawk kill. His second find was at the day parking lot edge. Released into the into the old orchard, Cody swung wide and took the far edge around to the championship turn. He had a third find on the way down to the Boy Scout Bridge. Showing at the bottom of cardiac hill, he took the right edge of the derby course and onto the gun dog course. After the dyke, Cody pointed a dead bird. He finished the hour running strong.

Second Place – Miss Behavin' (Ivy) owned by Samantha James and Dan Dodson garnered second under the able whistle of Al Cropek. Her performance was one of particular note and fodder for parking lot conversation. Ivy had a snappy fast forward race but was only able to cover about two-thirds of the championship course due to her incredible bird finding ability. She ended the hour with nine (yes, 9) finds. She would only nicely start a cast to slam on point repeatedly. Scout Cindy Cropek got her daily workout getting on and off the horse. All of Ivy's finds were handled with notable style and manners. Her last find was on the lateral line on the derby course and she finished the hour there.

Third Place – Hy Steppin Ali's Got Attitude (Ali) owned and handled by Chris Sennott ran in the last brace, breaking away from the headquarters Ali ran a pleasing forward race scouted by Al Van Wieren. Point was called at the end of the line along the ponds with all in order. Her second find was scored in Hires field and her race continued in a forward pattern. What looked to be her third find just before the wet crossing on the derby course produced a rabbit. Ali's time ended with a beautiful sweeping move along the far edges by the

shot gun range.

Fourth place was awarded to Ace's One Eyed Jack (Jackson) owned by Ed and Donna Janulis and handled by Chad Holman. Jackson ran a consistent race, always to the front and handling positively to Chad's direction. In the old barn area Jackson displayed an excellent "back" on his brace mate. In the orchard Jackson was observed standing on point with good style and handled the flush successfully. For Jackson's third fine, he was found standing in the old derby course. Again, the handler flushed a quail with all in order. Jackson finished his hour running strong to the front.

Open Derby

For the open derby classic, the weather again was cold and rainy. The participants, along with the judges, Ron Auten and Blake Rizzo, were troopers. The judges commented on the caliber of young prospects and enjoyed watching them even in the bad weather.

First place was awarded to WW's Miss Carona (Rona) owned and handled by Burton Wice. Burton handled Rona to multiple finds showing good style. She ran a far-reaching race with Burton pointing her out on far tree lines on several occasions.

The red ribbon was awarded to Black Creek Autumn Magic (Magic) owned and handled by Ronald W. Harling, Jr. Jr handled Magic very skillfully. Magic maintained a good running pattern extending to key objectives showing his maturity at his young age. He had multiple bird finds, exhibiting solid pointing style allowing Jr to flush the bird during his points.

The judges awarded third place to Gun Creek Kate (Katie) a snappy young female owned by Charlie Fenech and handled by Chad Holman. Katie had quick groundspeed and covered a lot of territory during her time on the ground. She also showed intelligence on her bird finding ability scoring multiple finds during the forty-five minutes.

Fourth place was presented to Gun Creek Bright Sky (Sonny) owned by Ed and Donna Janulis, also handled by Chad Holman. Sonny ran a strong race exhibiting strength in his run and intelligence in his bird finding ability. He did slow towards the end of the brace while not giving up just slowing his pace. He looks like a prospective future bird dog.

In Memory of Norman Melton

September 16, 1939 – May 18, 2022

It is with a heavy heart that I report the passing of Norm Melton on May 18, 2022 at his home. Norm and his wife, Gloria, field trialed with us for over 60 years and were icons of the sport. They campaigned many American Field and AKC champions – Pointers and Brittany's, and Norm judged numerous events on both the AKC and American Field circuits.

He and his wife were a great team – he handled the dogs and she scouted. They set the bar for a team that not only worked well together, but were always there to lend a hand, share a joke, and to encourage other field trialers – new and old alike.

Norm will be sorely missed by everyone. Our hearts and prayers go out to his wife Gloria and their family.

Ronnie Clark

Having known Norman and Gloria Melton of North Carolina since the 1970's, we first met when we used to go to the southern trials in January and February and we have remained friends and stayed in contact all those years.

Norman and Gloria represent the finest of the southern gentleman and lady. They were always courteous, friendly and exhibited the best qualities of being a sportsman and a sportswoman.

The two top Brittany's that Norman ran and Gloria scouted were Normel's Clyde and Tar Heel Trucker. These dogs competed not only against Brittany's but were also very successful against the long tails.

Our condolences to Gloria and family for this great loss. Norman is gone but will not be forgotten. We were privileged to have him as a friend.

ABC Chukar Classic/ Championship

PURINA
PRO PLAN

April 26-27, 2022
As seen by Jim Hammett

GARMIN

L-R: Judge Derrick Olsen, Paul Doiron w/ Joe, Joe Gower w/ Chance, Judge Art Cox, Jim & Pattie Hammett w/ Bo.

In the arid mountain West, if you find hills, canyons, rocks, sage, bunch grass, few people, and annual precipitation below about 15 inches, you'll probably find chukar. But if one were to pinpoint the center of the best chukar habitat in the United States, it would be close to Mile Post 9 along US-95 between Marsing, Idaho and Jordan Valley, Oregon. This is, of course, the current home of the Chukar Classic. The out-and-back course contains an essential aspect of chukar habitat—that third dimension of verticality, and some big cliffs and rock outcrops thrown in to challenge dogs, handlers, horses, and judges.

The Idaho Brittany Club has been hosting the Classic in recent years, with Tom White and Dr. Margaret Horstmeyer as lead organizers of this special event. We are grateful for their willingness to continue to take it on. It also would be impossible to put on such a classy Classic without a group of committed Idaho Brittany Club members to run the dog and horse transport, salt and plant the course, and do all the things necessary to keep things running. The help of Steve Ball, Frank & Sandy Bright, Larry Sandusky, Casey & Lacie Precht, Sharon Millspaugh & Ron Dunnagan was invaluable.

This year's judges, Art Cox from Lehi, Utah, and Derrick Olsen from Harper, Oregon missed little, put in hard days negotiating rough terrain, gave scouts and handlers an appropriate amount of freedom to show their dogs, and remained positive, allowing dogs a chance for redemption after minor infractions.

Purina and Garmin both generously supported this championship with dog food and electronic gear. Their support is both valued and needed. Another valued partner is the U.S. Bureau of Land Management that manages our public land in much of the West and provides a special use permit to run on these trial grounds.

Spring of 2022 experienced one of the coldest and wettest Apriils on record in the Pacific Northwest. Those of us on the Northwest Brittany trial circuit kept waiting for a nice warm day to run dogs, but I cannot recall experiencing one. But I will remember fogged glasses, numb fingers, cold wet feet, and the simple comfort of heat after hours in the saddle.

The running:

Day 1. As luck would have it, a cold rain started at 6 AM and it was predicted to turn to showers later in the afternoon. The planned 9 AM start was delayed until 10 AM due to clouds and fog obscuring the upper reaches of the course.

Brace 1. With the rain falling and a cold wind blowing from the south, Brace 1 got underway at approximately 10:10 AM. MVP Game On (Joe) handled by Paul Doiron was braced with High Lonesome Sage (Sage) handled by Jim Hammett. Both dogs took off forward and disappeared over the first hill. When the handlers and judges topped the hill, initially there were no dogs visible. Eventually,

one showed forward, out maybe 400 yards. But in the flat light and pelting rain and with both dogs of similar stature (brothers), it remained a mystery for quite a while as to which dog it was. It turned out to be Sage, and it was another five minutes before Joe joined him, coming from who knows where. Both dogs continued strong, impressive, forward, and uphill runs until about 53 when Joe finally found a wet chukar above black rock spring. Sage, however, had no such luck and finished well forward in the final bowl, but birdless. Both dogs, looking like drowned, shivering rats, welcomed a dry towel and a crate for the trip back to camp. Looking at both in a state of hypothermia, you must admire the Brittany drive and heart that was needed to put in that kind of performance in those conditions.

Brace 2. By now the rain was abating somewhat and heading back to camp meant the wind was more of a tailwind than a headwind. MTB Louree's V-O-2 Max (Max) handled by Tom White was braced with Spanish Corral's Big Iron (Colt) handled by Joe Gower. After a fast and furious breakaway, at 9, both dogs were on point on separate birds – Max to the east beneath a large rock, Colt to the west about 400 yards at the head of the bowl. These two points both turned sour, with Max taking out the bird as Tom approached, and Colt going down at the flush. Colt was left down; Max was picked up. Colt continued with a good forward run, having a brief encounter with a coyote at 50, but never redeemed himself with another find. He finished well forward at the top end of the all-age course.

Brace 3. With showers and wind continuing, High Lonesome Owyhee Storm (Storm) handled by Jim Hammett was braced with Blew Me Away (Bud) handled by Paul Doiron. Storm evidently did not study the map supplied by his handler, and took off to the north, towards US 95, necessitating a fast gathering-up by his handler to get him back on course. Bud never got going and was picked up by Paul at about 15. Storm, meanwhile, after his gathering-up, headed for the south ridge, disappearing forward towards the top and exploring the upper reaches of the course well above the pointer trail. Finally, he remembered the map, and showed forward before the pond and fenced-in spring area. From there, he continued well forward and was spotted periodically on the side of the bowl. Unfortunately for Storm, he never found the bird planter's contour and finished across the road birdless, right before the judge and handler put to flight a lone sage grouse (Oh, what could have been!).

Brace 4. With skies beginning to clear, the last brace of the day was HVK's Kid Chance (Chance) handled by Joe Gower and JT Copper Buckeroo (Buck) handled by Jeff Minch. Both dogs had a big breakaway into the bowl. At about 12, Chance was on point on the sidehill. When the bird was flushed, it flew down and forward, and unfortunately right over Buck. The temptation was too much, and Buck pursued, thus ending his run before it really got going. Chance, meanwhile, continued forward with a very impressive forward run and two more finds at 18 and 23. On the flush at 23, Chance took a forward jump, but held. He finished well forward and uphill in the sage on the hillside above the all-age course.

Day 2. The second day began with better weather. The sky was partly cloudy, and a few snowflakes fell, but the vegetation was dry and the wind not as strong out of the south.

Brace 5. We broke away at 9 AM sharp. High Lonesome Bowden Hills (Bo) was the top dog, handled by Jim Hammett, and SR's Blew By Typhoon (Ty) was the bottom dog, handled by Paul Doiron. Both dogs broke strong to the front, with Bo and his handler taking an uphill line, Ty and Paul staying lower. At 12, Bo was standing above a rock outcrop. The bird proved to be a challenge to get in the air, but finally got airborne, taking a flightline a foot or so above Bo's

head. Bo reacted by ducking down in a not-so-pretty fashion. The judge, being kind and positive, told the handler to leave him down and see if he could redeem himself. Bo continued with three more finds at 20, 27, and 51 – all of which he handled well, staying high and tight. Ty, meanwhile, had a nice forward run, typical of this great dog, and at 50 pointed in the rocks south of the fence above the black rock spring. This, however, turned out to be a nonproductive and Ty never connected again, unfortunately finishing birdless.

Brace 6. For this return-to-camp brace, Christe's Westwind Jazzman (Jazz), handled by Steve Ball was braced with Dynamitemakit (Dyna) handled by Paul Doiron. Dyna had a nice uphill run with a find at 11 well up the hill, with all in order. Jazz took a big tour of the flat to the west for an extended period but got forward and uphill before the pond with the fenced spring. At 19, Dyna ran over a couple of energetic chukar or possibly Huns, which simultaneously flushed, causing Dyna to pursue, thus ending a nice run. Jazz, meanwhile, discovered that ground squirrels were beginning to awaken and spent some time and energy exploring their domiciles. At 34, Jazz pointing a deceased chukar, but at 38 found a live one at June's rock with all in order. At 48, Jazz had a find up the hill, but at flush, two birds got up and Jazz momentarily forgot his manners and took too many steps forward and was picked up.

Brace 7. Mr. Staley (Doc) handled by Dan Campbell was braced with MTB Let's Have a Fee-esta (Esta) handled by Tom White. This started as an exciting brace with some big forward casts by Doc and perhaps the biggest forward run of the Classic by Esta. However, both dogs ran into trouble mid-brace, with Doc breaking at flush on a gorgeous point at 20, and Esta seen in pursuit of a bird at 27.

It's About Dogs and People

by Dave Webb

It's the whisper of the autumn breeze. It comes mixed with the turning of the autumn leaves to golden yellows and reds. It's when the October temperatures during the night drop and the mornings are crisp; time of the year to go upland bird hunting. I sit, as if reading a book, on the chair next to the fireplace and reflect on our Brittanys; memories and stories about them; plus other dogs heard over the years. Often those stories bother me as they tend to be more about people than the dog; further how people talk and the language used when talking about dogs and people.

Stories are just that! They can be positive – informative – with a focus on being a teaching tool. Or they can be flat-out nothing but a lie or on a personal level one might call it braggadocia. Consider that often mentioned or published in an ad; their dog finished his field championship before he was two years of age. Consider this new field champion – what's the breeding, the type of competition (half-hour or hour stakes), and/or will the dog continue to dominate in field events beyond two years of age.

Also consider the Brittany when it completes its show events when it is seven to eight months of age. Wow! Six months, believe that is the minimum age a Brittany can compete. Those Brittanys at that age will not even be full-grown. The fact is Brittanys, who finish in the show ring before they are year and half to two years of age, could – as an adult – possibly be “over-size” and thus not within the Brittany Standard when fully grown.

Personally there have been numerous occasions during or after field or show events when there are discussions about the Brittany and their performance. Often the subject focuses on appearance; sometimes performance. For example “that dog is too leggy or the color or lack of” are discussion points. Consider specifically the vitriolic language spewed by those who declare “is that a real Brittany?” running or competing in an event, because it has a lot of white and the body type is not what they are familiar with seeing. Again one

often hears negative comments; about the handler, the judges, and/or the grounds on which the event is being held.

Question is why all this negative gossip discussion! This writer just does not have an answer; other than to humbly say, “Think positive and be positive and stop all this negative complaining”. It's all about our breed – the Brittany and how to improve certain characteristics, such as scenting, biddability, and working together for the good of the breed.

This also brings another point, which was mentioned earlier in this article – “how people talk and their language”. It is a very touchy subject and the use of those “four letter words”, which could be offensive to some people. It is personal for me!

Let me describe a quick short story about my youngest son, who recently turned 50 years of age. He has a young family of four children – ages eight thru thirteen and a super lady as his wife. It's a young family, because after completing ROTC and graduating from college, he spent seven years serving in the US Navy. During that time in the Navy, because when not “deployed in the South Pacific or along the coast Iran/Iraq”, he found time to compete in field trials with his Brittany. Those trials depended on where he was stationed either Virginia or Iowa. His Brittany, Sam was able to complete his Field Championship during that time. Note it should be remembered that Sam was a leggy Brittany with a fair amount of white.

Time moves on with a new Brittany, Gus in my son's family. His kids are of the ages stated above. Gus has been with a trainer; he could compete in show and field events. My son

is concerned about the type of language his wife and kids will probably be exposed to, if he once again comes to Brittany events.

Let's consider an important question. “Does the negative attitude along with the vitriolic and use of “four letter word” languages have an effect on why the number of people participating in Brittany events is decreasing?” Just consider it's all about our dogs and the people involved with this outstanding breed, the Brittany.

Bits About Brittanys

by Clarence Goering

The following stories and cartoons have been reprinted from a manuscript that was intended to become a published book. This work was titled "BITS ABOUT BRITTANIES" and was written by Clarence Goering from Newton, Kansas. Clarence bought his first Brittany in 1942 it was a male he named Marquette Allamuchy. He was very active with Brittanys from that point until the 1960's. Being an active, well-known breeder during that era his kennel "TRIUMPH BRITTANIES" was nationally sponsored by Ralston Purina feed company. A copy of this manuscript was assembled into book form and is on display at the Brittany Field Trial Hall of Fame museum in Grand Junction, TN.

Rusty

In 1968 we started to hunt pheasants in South Dakota near the town of Freeman. Our farmer friends and fellow hunters there were Melvin Schmiechel and his son Steve. This was a lasting friendship, as we are still hunting there on our annual trip to South Dakota.

At that time my dog Rusty was really in his prime. He was a hard hunter but sometimes he showed that he had a mind of his own.

We were working a quiet, long slough and as we came to the end all the dogs showed up except Rusty. So I whistled for him and we waited but Rusty didn't show up. So, I asked, "Did anybody see Rusty as we were coming through the slough?" Melvin said, "Yes, I last saw him when we were about halfway through. He was pointing, but when I walked up to him, he went off point, went a little way and went on point again. He did that several times, so I figured he was just fooling around so I tried to get him to come with me, but he just kept fooling around so I just kept coming and didn't see him after that."

Well, I whistled, and we waited for at least another five minutes, but no sign of Rusty. So I said, "I'll go look for him. You guys stay here and if he shows up, give me a holler and I'll come back." When I had walked back to about where Melvin said he had last seen Rusty, I heard them call. I started to walk back to them, and when I was a little way from them Melvin said, "Now, don't you scold Rusty until you know what he has done." I looked and it so happened that Melvin was standing right beside a little spot of light-colored grass. To me, from where I was, it looked like an opossum laying at Melvin's feet. So, I said, "What did he do, bring you an opossum?" "No," said Melvin, "he brought back a pheasant with a broken wing." So that explained what Rusty had been doing in front of Melvin. He was on the trail of the crippled bird, but the bird kept moving ahead of him in the heavy cover. Finally, Rusty must have caught up with the bird and

then he was ready to come to join us at the end of the slough. Well, from that time on, Rusty was Melvin's favorite dog, and I might add I was mighty pleased with the performance.

The next afternoon Rusty again put on a show. We were hunting in a narrow soil bank patch. We had worked the east side of the patch and came back to the car on the west side of it. We had shot several birds and nothing unusual had happened. Then when we got back to the car I told the dogs to "Kennel" at which command they all hopped in the crate except Rusty. He was messing around in the heavy grass near the front of the car. After telling him to kennel several times without him paying any attention to me, I decided to go get him and teach him when I said kennel, I meant kennel. As I was just ready to grab him by the collar and give him a good jerk, he made a dive under a big Russian thistle and came out with a cock pheasant that was really kicking. So, my discipline turned to praise. If Rusty could have talked, I'm sure he would have said, "I'm just doing my job, boss."

In the field, Rusty was all business. He knew we were out there to get birds and many times he was responsible for our success because of his unusual actions. He just had the knack of being at the right place at the right time. Here are a few more examples of what I mean.

Borger and I were hunting on my farm. I was working Rusty and Mickey at the time. The dogs pointed and a covey of quail flew out over a milo field that had been harvested and landed in the heavy grass of a waterway. So, we decided to go to see if we could find them and work out the singles.

As we approached where the birds had landed, Rusty was ahead of us and kept right on going past the waterway and into the milo. I said to Borger, "That Rusty thinks the birds are out there. Will he be surprised when we find them here?" I hardly had the words out of my mouth when Mickey went on point. We stepped in and two birds flushed. We dropped one bird and the other was hit hard but kept flying in an

erratic flight. It was flying right in the direction of Rusty, and he saw it coming his way. The bird flew over Rusty, and he started after it. Finally, the bird landed in the milo quite a distance ahead of him. So, he ran up there, but before he could pick up the bird, it again started to fly. This time it didn't fly very far and before it could get up again, Rusty caught it. He was over a quarter of a mile away from me at the time he caught the bird, but he carried it back and gave it to me as if to say, "You thought I was just fooling around out there, but here is the bird to prove that I knew what I was doing." Silently, I agreed and gave him an extra pat for a job well done.

Once when we were hunting in South Dakota, Rusty again proved he knew what he was doing. We were just ready to enter a corn field when we heard some shots fired by some hunters who were working a corn field across the road from us. Rusty also heard the shots, so we decided to go to investigate. I called to him, but he was intent on seeing what those other hunters were doing. He had just started into their field when they flushed another bird. They fired at the bird and gave him a lot of lead. But he kept flying toward us. Rusty saw him coming, so was right there to catch him when he hit the ground and started to run. Knowing that all the birds belonged to his master, Rusty brought the bird to me. So we waited until the other hunters came to the end of the field and I walked across the road to give them their bird. They couldn't believe what happened but were mighty glad to get the pheasant.

In fact, one of the fellows was so impressed, he wanted to buy Rusty. I told him he was not for sale, but he insisted I put a price on him. I again told him that he was definitely not for sale. The man was quite disappointed as he sure would have liked to have bought such a good hunter. But I knew that I would never sell him.

Another incident happened while Elmer and I were hunting on my farm. We had flushed a covey of quail and they flew up along a fencerow. There was a wheat field alongside of the fence. It was in the fall and the wheat was just up high enough to cover the ground.

As we came to where some of the birds had landed, Rusty made a swing out into the wheat field. I called to him, but he kept right on going. So, I remarked to Elmer that I wondered what that dumb dog thought he would find in that bare field. Just then Rusty went on point. I stood and watched him for a little bit, he was solid as a rock. I told Elmer that I was sure he was making a false point, but I had to go to prove to him that there were no birds there. When I got to him, about six birds flushed. I was so surprised that I forgot to shoot until the birds were out of range. What happened was that part of the covey had run out in the wheat field. The rest of them stayed along the fencerow and we found them later. But again, Rusty was at the right spot at the right time.

The last little story I want to tell about Rusty is of an incident which happened when I was hunting with Vernon.

The dogs pointed a covey of quail in a pasture which had a lot of tall, heavy grass. We shot the covey rise and the birds flew and landed along a hedge. We followed them and soon the dog pointed the first single. He was on my side of the hedge, so as he flushed, I fired. I didn't have him centered in the shot pattern, so he kept on flying and landed about a block ahead of us. When we got there, Rusty again pointed the bird. When I flushed him, he flew only three feet off the ground right in a line over Rusty. So I couldn't shoot for fear a stray pellet might hit Rusty. Again, the bird landed ahead of us. And again, when he flushed, he flew so low that I couldn't risk a shot.

I think Rusty figured that if we were going to get the bird, he was going to have to do the job. So, he made the third point on the crippled bird. But this time, when the bird flushed, he broke point, chased the bird about 100 feet and then jumped up in the air and caught the bird on the fly. That was the outstanding event of the day.

Rusty died at a young age, but he gave me many happy moments for which to remember him.

SOUTHERN NEW ENGLAND

Flaherty Field

East Windsor, CT

April 9-10, 2022

Again this spring we offered two separate trials each wit one walking gun dog stake and one horseback handled gun dog and four juvenile stakes. With fewer folks owning horses, this schedule works well. Our judges spent long days in the saddle. Thank you!

Our weather was very spring like. We had warm sun, very wet rain, lots of wind and period of thunder and hail. This did not deter the 103 dogs and their owners. Everyone gathered after Saturday's running for a wonderful ham and sides with a variety of desserts, a complete dinner. Shellia Cordner's and Leslie Fleury's dinners are wonderful and very much appreciated.

Both Mike Mercanti with Lucy (Burning Glen Cover Girl) and Mark Dreyfus with Otis (Marjo's Sam Son) reported that their placements will finish their dogs...(Pending AKC approval). Nice Work!

We appreciate the support of all our entrants, judges, chairman and committee members. We look forward to the fall trial.

MICHIGAN Ionia Field Trial Grounds Ionia, MI April 8-10, 2022

The Michigan Brittany Club's Spring 2022 Field Trial was held on the prestigious field trial grounds at Ionia, MI from April 8-10, 2022. First and foremost, a debt of gratitude goes out to the men and women who shared their time, knowledge, and resources and served as our judges for this trial. Weather conditions for this trial were not always ideal for judges and handlers (although the dogs were not complaining) with cool, cloudy days with on again off again rain and snow flurries throughout the weekend. Our judges persevered through everything Mother Nature threw at them and gave each dog and trial participant the attentiveness

and focus they deserved. The MBC Field Trial Committee truly appreciates Mike Braddock, Harold Darga, Bill Darr, Charlie Fenech, John Hall, LeRoy Long, Blake Rizzo, Al Van Wieren, Frank Vicari, Mike Vicari, and Rebecca Walters for their service and commitment to the sport of field trialing and our trial.

This trial also benefits from the teamwork and camaraderie of members representing all three Michigan Brittany Clubs (Michigan Brittany Club, Michigan Saginaw Brittany Club and the Western Michigan Brittany Club) and members of the Michigan Brittan Championship Association working together to make sure the clubhouse is in order, birds are ordered and taken care of, dogs are at the line ready to go, and a host of other tasks and chores that need to be addressed in order to run a successful trial. The fellowship that this group, along with our fellow trial participants share, was clearly visible at the Saturday night chicken barbeque dinner superbly orchestrated by John Hall. Great food, cold beverages, and good conversation filled with laughter, along with a crackling fire in the clubhouse fireplace, created a warm atmosphere enjoyed by all in attendance.

In conclusion, a huge thank you goes out to all the handler who entered a dog or two in our trial. Handlers from IL, IN, MI, MO, NY, OH and PA were well-represented at our trial. The MBC appreciates the support from professional handlers Jesse Chapman, Al Crokek and Chad Holman for attending our trial with their fine string of dogs. We had a total of 125 entries for the trial. Several entries dropped due to coming into season and a couple more due to judging adjustments. When the dust settled, we had 112 entries come to the starting line. A reasonable number for our weekend trial.

The MBC Field Trial Committee hopes everyone attending our trial had a good time. We wish everyone a safe and happy summer. We hope to see you at our fall trial September 23, 24, and 25, 2022.

2022 NEBRASKA BRITTANY OPEN ALL AGE CHAMPIONSHIP

Reporter Wesley Felt

The 2022 running of the NEBRASKA BRITTANY OPEN ALL AGE CHAMPIONSHIP was held April 18-20, 2022 at the Branched Oak Field Trial Area near Raymond, Nebraska. The Nebraska Championship is hosted by the Nebraska Brittany Club and followed the regional club event held April 15-17, 2022.

There are some fine folks we need to mention for their contribution to the success of this Championship event. Claudia and Stan Truksa spend many hours planning this event for the Nebraska Brittany Club. Claudia is the event secretary along with dog wagon driver. Wesley and Mary Felt, and Tom Maneely helped where needed. Tom planted birds every morning and helped with the dog wagon. Stan rode every brace as the Marshall and Wesley as the Reporter. We thank these dedicated folks for their

hard work in order to maintain a premier field event in the Brittany world.

The sponsors for the Nebraska Brittany Open All Age Championship are Nestle Purina and GARMIN. Nestle Purina gives both money toward the running of this event and Pro Plan products for the winners. Purina is fed to several dogs running in this event as testimony to the quality of feed used in the Pro Plan dog products. Garmin was a sponsor this year for the Championship. Garmin provided to the winner an ALHA 10 and a TT 15X DOG COLLAR. We thank these sponsors and their continued support of this event among many other major field trial events.

The Branched Oak field trial grounds have a large lodge used to gather for socializing and meals. This year the meals were provided by Nebraska Brittany Club members. Branched Oak trial grounds area provides ample space to show a true all age bird dog. The grounds were in good shape and the birds were plentiful.

The judges for the thirty-sixth running of the NEBRASKA BRITTANY OPEN ALL AGE CHAMPIONSHIP were Brooks Carmichael from Nebraska and Jeff Wallace from Iowa. These two judges were up to the task of three days of riding to select the true all age competitors for this Championship. The judges had several dogs to choose from with the all-age range and the handling necessary to be named as the Champion and Runner-up Champion.

The weather this year was cold and windy for both Monday and Tuesday. The temperatures were in the thirties. On Wednesday it was a better day temperature wise, 50's, but with spitting rain all morning.

The girls came to play this year as three of the four placements were females. The Champion named for the 2022 Nebraska Brittany Open All Age Championship was SIGRITBRIT'S NOT IN KANSAS ANYMORE. Owned by Nick Blasi from Kansas and handled by Scott Johnson of Kansas. Her sire is GFC/FC/AFC SNIKSOH SPANK'S HANK and dam is FC/AFC MK'S MY LIL AMMO. The Runner-up Champion was SPANISH DANCER owned and handled by Robbie Myers of Nebraska. Her sire is NAFC/GFC/FC/AFC SPANISH CORRALS SONNY PATCH and dam is JANEES DIRTY DANCER. Her performance was in the first brace and from the final placements was held until the very last brace. These girls were hard to beat.

Yes, as always a mother (BE BE) let her daughter shine in the glory and smiled when she was awarded the Championship blue ribbon. Mom (BE BE) smiled again as the third place was awarded to FC/AFC MK'S MY LIL AMMO owned by Nick Blasi from Kansas and handled by Scott Johnson of Kansas. Her sire is SNIKSOH FREE

BOY and dam is CHIEF'S NUBBIN'S MY LIL LADY. Fourth Place was awarded to ALMADEN'S UNDER LOCK AND KEY owned by Emmy & Noah Wollenburg and handled by Ed Tillson. His sire is MASKED JACK OF DIAMONDS and dam is ALMADEN'S LONE SHADOW DANCER. He has been a consistent performer as he also placed in the 2021 Championship.

The Championship Running:

Brace 1: SPANISH DANCER-Myers and TNT'S RAISIN A LEPRECAUN- Burchett. The first brace was away at 8:00 am. SPANISH DANCER was away to the front and really forward. Point was called at 15 minutes at the chucker ditch. Flush and shot all mannerly and she was released and again to front and forward. She had four more finds at 18, 25, 32 and 56. She shortened some at the end. Her performance was enjoyed by the judges and she was awarded the Runner-up Champion of the Nebraska Brittany Open All Age Championship. TNT'S RAISIN A LEPRECAUN was lost early.

Brace 2: EL GRANDE- Myers and SNIKSOH HANK'S GYPSY CRUISE- Burchett. EL GRANDE had two nice finds and finished the hour. SNIKSOH HANK'S GYPSY CRUISE was hunting to the right places and at 29 minutes had a miscue with a bird and was sent to the dog wagon.

Brace 3: COUNTYLINE'S FULL THROTTLE-Truksa and SHE'S OUTA CONTROL- Johnson. COUNTYLINE'S FULL THROTTLE had bird contact at 13, but his manners were not good and went to the dog wagon. SHE'S OUTA CONTROL began her bird count on the bushes where her bracemate had problems. She had three more finds at 27, 41, and 50 and finished the hour going forward. At the time, her performance could have made a clean sweep for the girls on the ribbon table.

Brace 4: HIGH VELOCITY COPPER MAGNUM- Johnson and HOOCHIE COOCHIE MAN- Tillson. HIGH VELOCITY COPPER MAGNUM and HOOCHIE COOCHIE MAN released together, but both chose different hunting routes. But, both came together at 40 minutes in the same bush, with the same bird and both could not maintain proper mannerism and both were picked up and to the dog wagon together.

Brace 5: URBAN AMERICAN LEGEND-Chang and DOGWOODS' FIREBALL WHISKI-Burchett. URBAN AMERICAN LEGEND was picked up early. DOGWOODS' FIREBALL WHISKI was lost midway through the hour.

Brace 6: R & H DARK NIGHT- Burchett and MK'S MY LIL AMMO- Johnson. R & H DARK NIGHT was lost midway through the hour. MK'S MY LIL AMMO had her first point at 3 with great manners. She had four more finds at 12, 38, and 52. She was going away at the end of the hour. Her performance was enjoyed by the judges and she was awarded Third Place.

Brace 7: WW'S GIN AND TONIC- Wice and ALDER GRAND HOPES PENNY ANTE-Burchett. WW'S GIN AND TONIC had his first find at 15 minutes. He had a second find at 30 with some movement at shot. The third bird at 38, he took many steps and was ordered up. ALDER GRAND HOPES PENNY ANTE had a mishap with a bird at thirteen minutes.

Brace 8: COUNTYLINE'S THAT GUY-Truksa and ALMADEN'S UNDER LOCK AND KEY- Tillson. COUNTYLINE'S THAT GUY showed more and more range until he was lost midway through the hour. ALMADEN'S UNDER LOCK AND KEY had his hunting shoes on today. He had five finds during the hour. The first was at 3 minutes then again at 14, 27, 34, and 50 minutes and finished going away at the end of the hour. His performance was enjoyed by the judges and he was awarded Fourth Place.

Brace 9: TJ'S BLACK DIAMOND- Perry and MCCHESENEY'S ALL DOWN THE LINE-Johnson. TJ'S BLACK DIAMOND was up at 49 with bad manners on a bird. MCCHESENEY'S ALL DOWN THE LINE was up early with lack of judgement on a bird.

Brace 10: TNT'S HANDSOME HARRY- Burchett and ARROW'S TEQUILA RUSTLER- Beaver. TNT'S HANDSOME HARRY was handsomely on the first bird at 11 min. His performance on the second bird was not very handsomely and went to the dog wagon. ARROW'S TEQUILA RUSTLER was last year's champion and was going for back to back wins, but a breach of manners at 20 minutes ended his try.

Brace 11: TEQUILA CHICA BONITA- Beaver and SNIKSOH HANK'S HATCH- Burchett. TEQUILA CHICA BONITA was up midway through the hour for lack of manners around the bird and was sent to the dog wagon. SNIKSOH HANK'S HATCH had one find, a nonproductive, and a stop to flush. He finished the hour shortened.

Brace 12: GODFATHER'S FN

ROCKSTAR- Chang and WW'S MISS WENDY PEFFERCORN- Wice. GODFATHER'S FN ROCKSTAR had two finds, one at 10 and 35 minutes. His range was short to the end of the hour. WW'S MISS WENDY PEFFERCORN had a bird early and failed to back his bracemate at thirty-five and was taken to the dog wagon.

Brace 13: ANJ'S OHIO HELLION- Burchett and MAGNUM'S HIGH VELOCITY TOP GUN- Anderson. ANJ'S OHIO HELLION was scratched. MAGNUM'S HIGH VELOCITY TOP GUN had two birds and then at 48 had a mishap with a bird and was sent to the dog wagon.

Brace 14: J & M RODEO ROMEO- Tillson and BAMA JAMA WILLY'S SASSIE SADIE-Burchett. J & M RODEO ROMEO was scratched. BAMA JAMA WILLY'S SASSIE SADIE was lost before the hour.

Brace 15: SNIKSOH DIAMOND JACK-Johnson and OSAGE FORK SLICK- Burchett. SNIKSOH DIAMOND JACK and OSAGE FORK SLICK were picked up early with a bird contact

Brace 16: SIGBRIT'S NOT IN KANSAS ANYMORE- Johnson and GODFATHER'S RED FEATHER GUNSLINGER- Chang. GODFATHER'S RED FEATHER GUNSLINGER carried back a bird early in the brace. Judges always enjoy the last brace of the stake, but this last one was most enjoyable as SIGBRIT'S NOT IN KANSAS ANYMORE was awarded Champion for the 2022 Nebraska Brittany Open All Age Championship. She had a big cast to begin the brace and did not let down through the 59 minutes of running. Yes, at the 59 minute, point was called for her. The location was in the bush line after the Gun dog dam. She seemed to be on point for an eternity as the handler was not locating the bird. The handler was thorough in his task as he put the bird up and fired to end the running of the event.

This concluded the running of the 2022 Nebraska Brittany Open All Age Championship.

L-R: Wesley Felt- reporter, Stan Truksa- marshal, SIGRITBRIT'S NOT IN KANSAS ANYMORE with Scott Johnson, Brooks Carmichael- Judge, and FC/AFC MK'S MY LIL AMMO with Richard Beaver, Jeff Wallace-Judge, and ALMADEN'S UNDER LOCK AND KEY with Ed Tillson.

The Idaho weather did not disappoint, we had all types of weather. There was rain, snow, sleet, wind, cold, warm and sunny which was all in two days. We would like to thank all that came to our trial, judges, owners, handlers and club members. Without everyone we couldn't hold a successful trial. Thank you judges Derrick Olsen, Jeff Minch, Wayne Yamashita, Colby Healey, Jim Hammett, Steve Cosgriff, Rick Axtell, Joe Gower and Dan Campbell. Thank you club members Frank and Sandy Bright, they were in charge of the birds. Steve and Brian Ball, Lacie and Casey Precht, Tom White, Margaret Horstmeyer, Larry Sandusky, Ron Dunagan who cooked lunch, and Sharon Millspaugh event secretary and Camp Boss. This trial ran so smooth; I don't think we had any hiccups. Thank you to everyone that traveled, we had handlers from California, Oregon, Washington, Utah and Idaho. We hope to see everyone back this fall trial season. Till then, happy trialing.

THE AMERICAN BRITTANY CLUB

76th Annual Field & 61th Annual Show Futurity

Trial and Show to be run Spring of 2024
PURSE: 2/3 to Owner of Winner, 1/3 to Breeder of Winner

ABC Futurity Rules can be found on the ABC Website and in the ABC Policy Book
CONDITIONS AND RULES FOR FUTURITY ELIGIBILITY

- The 2024 American Brittany Futurity shall be open to every Brittany bitch and her progeny whelped during the calendar year of **January 1 - December 31, 2022**, who is owned or leased by a member of The American Brittany Club, and whose litters have been Futurity nominated with The American Brittany Club. Sires do not necessarily have to be owned/leased by an American Brittany Club member. All dams nominated and all sires bred to must be registered with AKC, CKC, or FDSB.
- The **nominating breeder** needs to be a current full member in Good Standing of the ABC when the litter is nominated and the closing dates of the of the Sectional Futurities in which puppies from their nominated litter compete. They must sign the Litter Nomination form, and any breeder purse checks will be paid to this designated nominated breeder. If their membership has lapsed at the time of the Sectional Futurity, the purse will revert back to the ABC Futurity Administrative Fees.
- Nominations of dams must be made within 60 days after a bitch has whelped, and a Nomination Fee of \$40.00 ("First Forfeit") must be paid at this time.** This payment will entitle each puppy of the nominated litter to be entered in the ABC Futurities (Field and/or Show) after the puppy has been properly registered with AKC or FDSB. Nomination Fees are set by the ABC Board of Directors.
- Late litter nominations will be accepted with the following current fee schedule:** In addition to the Nomination Fee of \$40.00, late fees are \$60.00 (total of \$100) for 61-90 days, and \$100.00 (total of \$140) for 91-180 days. Nominations after 180 days will be accepted at the discretion and decision of the ABC Futurity Committee. The postmark will determine the fee for late nominations. The ABC Board of Directors may impose additional late fees from time to time.
- A Final Forfeit Fee, to be eligible to compete in the Sectional Futurities (Western/Central/Eastern), is due by October 1, 2023, and is submitted by the owner of the eligible puppy. Futurity Entry Fees will also be paid prior to 2024 Sectional Futurity events** by the owner of the eligible puppy for each Sectional Futurity event in which the eligible puppy is entered. Final Forfeit Fees as well as Sectional Futurity Entry Fees are set by the ABC Board of Directors and subject to change.
- Beginning 1/1/2020, all litter nominations will be acknowledged via both email and written notification sent**
- More information on the ABC Futurity and additional copies of this form can be found on the ABC website:

SUBMISSION OF AGENDA ITEMS
DEADLINE FOR AGENDA ITEMS: SEPTEMBER 1, 2022

All Agenda Items, officer and committee reports for the ABC Board Meeting to be conducted at the National Championships in Booneville, AR, must be submitted by **September 1, 2022**, to be included in the Agenda Book and put up for consideration at the meeting as per policy book stipulations. Early submission allows us to put the topics for consideration on the website and to get books to the Directors in time for meaningful input from the general membership. **Action items submitted late and not in writing due to statistical issues may be submitted by bringing 20 copies to the meeting but any Action Items from any officer or director, committee chair, etc. should be submitted by the deadline. Please include a copy of the current policy in the Policy Book along with suggested wording changes.**

Officers, Board Members, Committee Chairman, or Regional Clubs may submit agenda items. **Items from individual members must be supported by ten (10) member signatures.**

We have always published Officer and Committee Reports in the ABC Magazine. This can be a very difficult task to accomplish since many of the reports have to be retyped. **Please help us by sending your Agenda Reports in a .doc or .rtf format by email to:**

ABC Agenda Chairman Jan Kilpatrick, jankilabc@gmail.com

It would also expedite matters if you would also CC to the following so we can work on publishing information in the magazine and on the website. :

Mary Jo Trimble: Exec.Secretary@TheAmericanBrittanyClub.org
Bob Rankin, MD: President@TheAmericanBrittanyClub.org
Dana Na'ayem: AmBritMag@CenturyTel.net

If you cannot send as a .doc or .rtf file,
mail to Agenda Chair Jan Kilpatrick, 7865 CR 271, Hico, TX 76457

**SAN DIEGO
Bakersfield, CA
April 2, 2022**

The 45th San Diego Brittany Club Specialty was held on 4/2/22 as part of the Vines & Wines Dog Show Cluster in Bakersfield, CA. This was a new venue for our club as our previous location was no longer available. The event went off beautifully with full support of SLOKC and KCKC. It was a 4-day circuit with the California Brittany Club Specialty on the following day. It had been over three years since our last show and was long awaited.

The show entries were excellent in number and quality. The judges, Ms. Sandy Garlinger for Sweeps and Mr. Terry Stacy for breed were well-received, courteous, and knowledgeable of our breed.

Trophies were provided by Brigade Photography and Arts, Deborah Frane, and were lovely as always. In addition, the top five trophies were obtained from Cimmaron Dog Art, Christine Ward-Webber and made from iron frames with silhouette of a Brittany and award. A memorial appeared in our show catalog for Susan Kerns, a long-time SDBC officer, participant,

and supporter who passed in 2019.

A big "Thank You" to all the helpers who made themselves available to assist our small Brittany Club. Many helpers came from the adjoining California Brittany Club and were so much appreciated.
