VOLUME LXXIV • NUMBER 9 • SEPTEMBER 2022

## ***Objective and Purpose:***

*To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".*

# 2022 Eastern Futurity

The 2022 Eastern futurity was hosted by the Hudson Valley Brittany Club and The Brittany Club of Upper NY on April 28 & 29. Hudson Valley did a splendid job with the show portion of the event while Upper NY handled the field side. This year's futurity was lightly attended, but the competitors and their dogs were superbly presented. The number of participants may have been lower than normal due to the eligible litters nominated during the COVID pandemic. However, the placing dogs were very worthy. Many thanks to all that supported the futurity program and the event. Also, a huge thank you to Purina for sponsoring both events.

## Field Running:

Many thanks to the judges Jeff Currier & Linda McCartney. The weather for the field event started out at a balmy 28 degrees with a cold wind blowing, but at least it was sunny! The terrain was hilly in areas with multiple creek crossings. The dogs had an opportunity to show their stuff in both the fields and the woods. A true test of a gun dog.

### GUN DOG PLACERS

L-R: Judge Jeff Currier, Robert Watson with Red, Chair Ed Kostka, Sue Drazek with Tiki, judge Linda McCartney, John Swider with Smarty, Mary Walker with Lincoln.

## Gun Dog:

1A- Millette's Dream Hi The More You Know "Smarty" GCHP2 Dream Hi's Don't Hate the Player Hate the Game x GCH Millette's I've Got Sunshine O/Wendy Archinal h/John Swider breeder Michelle Millette, Michelle Chaney & Kristina Rickard

1B- CH Kelli's Mystique BN, RAENF, BCAT, RATO, CHC "Tiki" Ammo's Southern Boogie x GCH Kelli's Hope Something to Talk About. O/H Sue Drazek breeder Jessica Sielawa & Sue Drazek

Both dogs handled the grounds well with moderate gun dog range. Smarty had a find at 5 on a single quail. Smarty handled kindly for his handler, but was tiring at the end. Tiki ran snappy and quick covering the ground. She did loop back a few times which probably made the difference in placements. Tiki was rewarded with a covey find at the 20 minute mark. Tiki finished the brace strong.

2A- Kelli's Honest Talk Hot Shot RATO, CGC CH Ammo's Southern Boogie x GCH Kelli's Hope Something to Talk About. O/h Mary Walker breeder Jessica Sielawa & Sue Drazek

2B- Red Sage of Seven Crowns JH "Red" NGDC/DC/GFC/AFC Hope's Chief of Crosscreek x DC Auten's Woodland Sage. O/Robert Scott Watson h/ (dad) Robert Watson breeder/Ron & Carol Auten

Both dogs broke strong and to the front. Red was very attentive to his handler and was a "bird dog". He carded 4 finds within the time allotted. On one of the finds he required multiple relocations before the birds were produced. Lincoln worked the grounds within proper gun dog range. He was rewarded with 2 well placed finds. Both dogs finished going forward with Red being the stronger of the two.

### ALL AGE PLACERS

## All Age:

1A- Ripper's Tequila Bandit "Rip" Walker's Praire Bandit x Tequila Short Shot. O/Mark Auman & Raelle Ferlitch H/Mark. Breeder Samantha James.

2B- Birch Spring Hells Bells JH "Rogue" NAFC/GAFC/GFC ANJ's

Ohio Hellion x FC Sam Hill's Hill's Bell O'The Ball. O/Phil & Sherri Thayer H/Phil. Breeder Sam Thompson

Both dogs broke well from the start. Rouge was rewarded with 2 well-spaced finds. However, he ran a more moderate range than the brace mate. Rip had a big race, rimmed the fields where the grounds allowed and finished strong. Because Rip did not have a bird on course the judges opted to do a call back. Rip pointed the bird from at least 30 feet away and handled with all in order.

## Brittany Field Trial Hall of Fame

### Ceremony set February 11, 2023 for New Inductee

#### Congratulations to **Mary Crawford**

Mary is our newest elected member having earned her way into the Hall of Fame by making a positive and long lasting difference for the betterment of the Brittany breed.

On February 11, 2023 in Grand Junction, TN at the Bird Dog Museum, Mary will be inducted as a new member and honored at the ceremony.

If you haven't visited the Bird Dog Museum in the past few years, plan on coming next February. Our museum is growing every year. Please consider donating items you have or could acquire from friends to help preserve our history – old memorabilia and trophies and other items of Brittany development.

Every visitor to the Bird Dog Museum has been impressed with what the Bird Dog World has built. Show your support for the new Brittany Field Trial Hall of Fame member and attend the ceremony if you can. You will not be disappointed!

Schedule and Hotel Information coming soon on the *News page* of our website at [www.brittanyfieldtrialhalloffame.com](http://www.brittanyfieldtrialhalloffame.com) or contact Mary Crawford at [jmbritts@gmail.com](mailto:jmbritts@gmail.com)

# The Brittany Gazette

## Telepathic Ability

by Dave Webb

This last Fall during a local field trial event a somewhat unusual discussion took place about dogs, of course Brittanys in this case, and their telepathic ability. One person after another described their own experience with a dog or another one they had heard told second-hand. Being a Brittany event most stories told were about our breed; however, there also were other sporting breed stories.

One of the most dramatic stories told had to do a Lab, whose master/owner was a commercial airline pilot. Before relating the story, let's take a quick look at Merriam-Webster definition of the word – telepathy. It is the “apparent communication from one mind to another by extrasensory means”.

So on with the telling of the Lab – airline pilot story. One specific characteristic of a pilot's job description is a flexible schedule. Often the time when he leaves home for a flight and returns usual is never the same. As the story goes, the pilot's wife always knew when he was coming home, because the Lab would move to the front door of their home and sit. Usually within 10 to 15 minutes her husband would arrive and be greeted by his tail-wagging Lab.

The story continuous with one particular instance, the pilot had called to tell his wife that his plane had mechanical problems and he would not arrive home for another seven or eight hours; the airline company had to bring in another plane. Two hours later, the Lab went to the door and sat; ten minutes later, the pilot walked thru the door – mechanical situation had been rectified; the dog sensed the early arrival of his master. As indicated previously -- “communication from one mind to another by extrasensory means” took place between the pilot and his Lab.

If one goes to the Internet with search the words “canine telepathy”, several websites will be displayed; such as articles

written and appearing in well know respected journals, Scientific American. In addition several major universities including the University of Florida are currently conducting research in the dog's telepathic ability. As the definition states, it's not the dog using the nose, but the communication between two minds.

There have been several instances in with our own Brittanys have show this ability. One such being that during winter months, AKC Glade Run Nutmeg (aka Meg) to give her some exercise, has been walked from our house to the “mailbox” to get the morning paper and then again to get mail in the afternoon. Our driveway, about 500 feet in length, is steep in one area. If it is snowy, maybe icy, at that point where it is steep, Meg will move directly in front and will not allow me to take another step. Then she would look up as if to say “be cautious”.

Brittanys as well as other pointing bird dogs, always displace their ability to use the nose to scent the bird. There appears they also have the telepathic ability to communicate messages to other minds – being humans, who house and food them and enjoy their amazing abilities and their loyalty.

**PURINA**  
**PRO PLAN**

# ABC & New England Grouse/Woodcock Classic/ Championship

  
**GARMIN.**

A lot of planning and work goes into the execution of a dual event weekend, but under the capable leadership of Bob Fleury and his reliable team of Bill and Fran Gorman taking entries; Henry Wierzbicki driving judges, handler and dogs to and from courses; and Leslie Fleury manning the lunch operation Saturday and Sunday, things were well in hand.

Our esteemed judging panel of Toby Tobiassen from New York and Brian Breveleri from Massachusetts were looking for dogs that could handle the hour, were forward, showed that they were up to the task in every respect and were well-presented by their handlers.

The New England Brittany Championship (NEBCA) hosted both events. Many thanks to Purina for their support year after year of both events and to Garmin for their support of the ABC Grouse/Woodcock Classic/Championship.

We had a good entry, and thanks to all who showed up with their dogs to try their hand at these cover dog events. This includes many old faces, as well as some new faces including Patty Johnston, Craig Stockwell, Kris Nordby, Robert White, MJ Haesche, and Roger King and Dennis Baum who made the trip east from Wisconsin. Additionally, it was great to see three new and much younger faces at the venue learning the ropes as well...Brady Seufferling, Loudon Swierczynski and Ashton Shirley. Welcome one and all.

The preceding week these three courses had continuously produced birds throughout the week for the longtail championships, and this weekend proved to be more of the same.

The first half of this double header weekend started off just after noon on Friday, the 25th, with the ABC Grouse/ Woodcock Classic/ Championship. Under sunny skies and cool to warming weather, the plan of attack was to run two 1-hour braces on Friday and the remaining five braces on Saturday. The weatherman was predicting rain on Saturday, but no one was complaining when the rain held off, even though we were dealing with progressively cooler temps as the weekend progressed. Lacking a performance that met the judge's requirements and which included the requisite bird work, a champion was not named for this year's classic. From Brace 4, Bruning Glen Cover Girl (Lucy), handled by Mike Mercanti was awarded 2nd place and from Brace 3, Shirley's Brit from Saratoga (Toga), handled by Paul Shirley was awarded 3rd place.

**Brace 1: Copper Penny Heads Up (Penny), Mark Dreyfus and Centerville's Torrid Pace (Torri), Sarah Conyngham.** Course 1, breakaway 12:55. Both dogs did a good job working the course, forward and handling easily for the handlers. At 5, Penny had a well-handled find. At 15, both dogs are well applied and at a good range, with Penny very snappy and forward in her application. At 18, Penny was standing to our right about 15 feet off the trail at the bottom of the ski hill, and Torri and Sarah were continuing forward. While Mark was flushing, Torri worked around much deeper to the right and back towards us, ending up pointing in the vicinity of Penny, who by now had loosened up and self-released. Sarah was able to produce the bird with all in order for Torri, and Penny was ordered up. At 26, Torri is standing to our left in some heavy cover. Unable to flush a bird, Sarah sent her on for a relocation, which in spite of a pretty wide effort came up empty-handed. At 41, Torri was ordered up for a mishandled bird. Bird count 4.

**Brace 2: CADA's Magnum White Diamond Engagement (Sandy), Doug Ackroyd and Kip's Bay Flat Out Ridge Run-N Annie (Annie).** Course 2, breakaway 2:15. Sandy and Annie broke away, showing they

were ready and eager for the challenge. At 8, with heavy cover along both sides of the course, Annie's bell went silent and John sent his scout to look for her. She was found standing and the ensuing flushing attempt was wide and lengthy. The relocation attempt that followed was unfortunately unproductive. In the meantime, Doug continued on ahead with Sandy. At 23, after a valiant attempt, John and rear gallery rejoined the front. It was all for naught, as at 28, Annie was ordered up for an indiscretion. The last half hour was paced more reasonably, but uneventful as we headed through a wider open area with some tall timber going downhill to a wide river. Sandy was showing plenty of bottom throughout the last 30 and hunting hard, but couldn't come up with a bird. Bird count 1.

**Brace 3: Shirley's Britt from Saratoga (Toga), Paul Shirley and Marjo's Sam Son (Otis), Mark Dreyfus.** Course 3, breakaway 7:55. Right from the start, Toga was really hitting cover and digging in. Otis was doing the same, but with a more forward pattern. At 13, Toga's bell was among the missing and while Otis and Mark continued on, Paul sent his grandson Ashton out to scout, which turned out to be unnecessary as in pretty short order, the front gallery was reporting Toga up with them and pointing with Otis backing. A bird was produced with everything in order. At 22 minutes, we're down among the Falls River where likely-looking cover abounds. At 26, both dogs were still aggressively hunting the cover. At 27, additional scouting was needed for Toga with Paul and the judge joining in on the hunt. And at 35, Toga returned from the front and reconnected with Paul. At 42, just before the road, Otis's stand, in cover off to the right, with a relocation attempted, proved barren. And at 44, after the road crossing, both Toga and Otis are found standing. With Mark taking charge of the flushing attempt, failing to produce a bird, and calling for a relocation attempt, Paul elected to collar Toga on. This would prove to be a barren stand as well for Otis. Crossing the bridge, the course continued along the other side of the river. At 52, with Toga's bell gone again, the search is on. At 57, Toga checked in with the gallery and took off for the front without Paul. And 3 minutes later time was called. Bird count 1.

**Brace 4: Tonan-Roa Just Because It's Clear Cut (Timber), Patty Johnston and Burning Glen Cover Girl (Lucy), Mike Mercanti.** Course 1, breakaway 9:30. At 13, both Timber and Lucy were covering the course within bell range and staying in contact with their handlers. At 20, Lucy established point at the bottom of the ski hill on the right hand side, while Patty is continuing on with Timber. Unable to produce the bird, a relocation was in order, and with Lucy stopped again, Mike flushed a bird, a shot was fired, and all was well. Lucy is a snappy little dog, digging into both sides of the course as we headed for the front and slid into the wide open bottom at the foot of the ski hill swinging towards the Marsh. Across the bottom Timber stayed in touch with Patty while Lucy was hitting the marshy area to our left in a desperate attempt to find more birds. With two minutes to go she skipped up the ridge to the right then dropped back down for a final go at the marsh on the left. Bird count 1.

**Brace 5: Rib River Tuff Enough (Tuff), Roger King and Centerville's Sonny (Sonny), Sarah Conyngham.** Course 2, breakaway 11:00. Off the starting block, Tuff was somewhat sticky. Not so much for Sonny who is found pointing stylishly off the trail to our left. Sarah's flushing attempt produced a woodcock that was well-handled. At 17, Sonny is standing again to our left about 30 yards in and when Sarah failed to produce a bird, she elected to just send him on. Tuff has been steadily expanding his game, hangout out there on much wider casts now, hitting some

cover. Sonny is ranging even wider at this point as well. At 22, Sonny was scouted by John Kipp and found buried deep in cover and standing. After a lengthy flushing attempt, Sarah tapped Sonny on for the relocation which proved unproductive. At 31, a shot was heard from the front and hope springs eternal, so they say, but not this time for Tuffy. When we reached the front gallery, Roger had Tuff on a leash. Continuing on, at time, Sonny had been out of pocket for a while and it was tracker time for Sarah. She found her dog. Bird count 3.

**Brace 6: Kip's Bay Dark N' Stormy Miss Maddie (Maddie), John Kipp and Eight Rod Romeo (Romeo), Craig Stockwell.** Course 3, breakaway 1:20. At the start, both handlers are off to the races, eventually outpacing the judges and gallery by 300 yards. At 11, this proved to be an unfortunate situation for Romeo and Craig, when a shot was heard ahead, and an apparently well-handled (but unobserved by judges) find was reported to them by Craig Stockwell. After further cautioning by the judges, handlers slowed their pace and the gallery was able to get their first good look at both dogs. Both Maddie and Romeo were hunting aggressively within bell range – Maddie tackling the cover to our left alongside the river and Romeo further front, with both dogs making some nice casts through the cover. At 30, a woodcock lifted wild on the righthand side with no dog involved. Once over the bridge and across the road, with Romeo further to the front, Maddie continued the hunt, but now at a somewhat closer range. Except for another bird that flushed wild with 2 minutes to go, there was no further dog-involved birdwork. Bird count 4 (3 wild flushes, 1 unobserved find).

**Brace 7: CADA's High Tide Jersey Boy (Kruk), Doug Ackroyd, Bye.** Course 1, breakaway 2:49. Kruk was aggressively working the cover from the start, as we approached the bottom of the ski hill he was being allowed to spend quite a bit of time in the cover to the right where it seems the woodcock like to live, but this time nobody's home. Continuing on, at 28, with Kruk stopped in cover to our right, Doug fired from back on the trail, for a stop to flush, then proceeded to collar his dog and send him on. Kruk is an all-white dog, which is so eye-catching on the ground, especially in the next wide-open section between the bottom of the hill and the marsh directly across. Once across the bottom, Kruk dug into the swamp, now on the left, and hung out there at bell range, popping out in front of Doug at the end, finishing wide and to the front. Bird count 1.

**Brace 8: Marjo's Sam Son (Otis), Mark Dreyfus.** Course 2, breakaway 7:55. Both Sandy and Lucy were busy and quick on the ground. Handlers were giving their dogs plenty of time to get in the cover and hunt. At 15, in a likely-looking spot where birds have been produced in previous braces, both handlers took their time, allowing the dogs to cover the territory thoroughly, but no birds this time around. At 24, we've reached the road and Lucy was moving out along the bottom on the righthand side. At 30, with Sandy on point, Lucy was ordered up for failure to back, and subsequently Sandy was ordered up when she broke with the flush. Bird count 1.

The second half of this double-header weekend commenced on Sunday, the 27th, with the NEBCA Wild Bird Championship. The temperature was continuing to drop with each successive day, but we still weren't getting rained on, so all was good. The plan of attack for the NEBCA Championship was to get it all done on Sunday, as Monday's forecast was predicting mighty cold weather with lots of wind. By now, everyone knew the drill, lunch was shortened and we got it done without pushing. From Brace 3, Kip's Bay Flat Out Ridge Run-N Annie (Annie), handled by John Kipp, was named Champion, from Brace 7 Rib River

At 30, with Sandy on point, Lucy was ordered up for failure to back, and subsequently Sandy was ordered up when she broke with the flush. Bird count 1.

**Brace 2: LT's Just Zip It (Zippy), Mitch Swierczynski and Shirley's Brit from Saratoga (Toga), Paul Shirley.** Course 3, breakaway 8:46.

With both Zippy and Toga running aggressively, at around 5, Toga's attention was riveted to the cover on the left. He jumped in and the bell was gone. Mitch was continuing forward with Zippy and Paul sent John Kipp out to scout for Toga. Finally we had the bell back, but even so it took some time to pull toga back and get him going to the front. At 20, a bird had flushed wild and when Toga came through, he stopped and pointed. Paul just collared Toga on, knowing that the bird had already left before Toga got there. At 31, we regained the front and arrived at the bridge. Both dogs are on the right side of the stream now and headed forward, Zippy more forward than Toga, who is ranging wide left through the cover, crossing to the right and aggressively hunting. Further along, with time expiring, both handlers are trying to put their dogs on birds now by backtracking through cover, but no luck. As reported by the judge, Zippy's first 30 were forward, he went to the right places, but no luck. Both dogs were birdless. Bird count 1.

**Brace 3: Pine Top Pretty Boy (Scout), Kris Nordby and Kip's Bay Flat Out Ridge Run-N Annie (Annie), John Kipp.** Course 1, breakaway 10:09. Right off the breakaway, Annie went to work, digging in a looking for birds. Scout had his running shoes on as well. At 9, Annie's bell was stopped and John sent Mark Dreyfus out to the right scouting. Kris continued on with his dog as the scouting effort continued behind. Eventually, Annie showed to the front, and John moved up to join her. At 20, we reached the bottom of the ski hill, with both dogs stopped in the usual spot on the right, and two birds were produced with both handlers firing. Scout was ordered up, and Annie was sent on after this find. After

the perilous drop over the bank, as Annie and John rimmed the wide-open bottom, she jammed up on point at 30. Annie was looking mighty fine as judges and gallery approached, the bird was flushed and John fired...a great piece of work. At 35, Annie struck gold again between the trail and the swamp to the left, with another picture-perfect find. Then at 37, John fired again as Annie executed a stop to flush on her third contact. After a romp up the ridge on the right hand side of the trail, Annie dropped down and dug into the swamp on our left. Out of sight, with just the bell to tell us where she was, John let her go as he continued forward, until Annie popped out in front when she ran out of swamp. With 4 minutes to go, John let her continue to roll to front until time. Bird count 5.

**Brace 4: Rusty Nail of Coos (Rusty), Tom Wood and Centerville's Sonny (Sonny), Sarah Conyngham.** Course 2, breakaway 12:01. This proved to be a short brace. At about 5, Sonny was pointing to our left in a spot which had previously produced a bird for him. Rusty and Tom were ahead of us and continued on. After a lengthy flushing attempt and relocation which proved unproductive, Sarah moved Sonny on. A second unproductive soon followed for Sonny, and that ended his day. In the meantime, Rusty and Tom were far enough ahead that your reporter decided that rather than chase them down, it would be simpler to meet them at the road crossing at the halfway point, where Tom decided he wanted more than Rusty had to give today, so at 30 he leashed him. Bird count 0.

**Brace 5: Tonan-Rao Just Because It's Clear Cut (Timber), Patty Johnston and CADA's High Tide Jersey Boy (Kruk), Doug Ackroyd.** Course 3, breakaway 12:34. Right after a brisk start by both dogs, handlers were giving their dogs plenty of opportunity to dig in and hunt both sides of the trail, hoping for a find, especially at the bottom by the river that had been so productive in prior braces. At 30, as we were approaching the road, Kruk was showing off plenty of bottom and his ridge-running talent to our left. At 38, with Kruk standing on point, Timber failed to back and Kruk moved up on the flush. Both dogs were leashed. Bird count 1.

**Brace 6: Copper Penny Heads Up (Penny), Mark Dreyfus and Centerville's Torrid Pace (Torri), Sarah Cavanaugh.** Course 1, breakaway 1:31. A few minutes after breakaway, Sarah realized she was minus her blank pistol. Mitch was dispatched back to the beginning to locate a pistol, but the only available spare was already in Mark Dreyfus's pocket. Upon receiving the bad news, at 11, Sarah leashed Torri as she would be unable to compete and didn't want her lack of a blank pistol to impact her bracemate in any way. Approaching the bottom of the ski hill, Penny carded a find with the tried and true woodcock on the right with all in order. Continuing on, at 27 to the left of the trail, Penny was spotted standing in some thick cover. A relocation was called for, which resulted in an unproductive. After skidding down the dropoff to the wide open bottom, we swung around and headed right along the marsh. At 41, Mark was 100 yards up ahead with Penny, who finished her hour without further bird contact. Bird count 2 (one bird was walked up).

**Brace 7: Rib River Tuff Enough (Tuff), Roger King and Kip's Bay Dark N' Stormy Maddie (Maddie), John Kipp.** Course 2, breakaway 2:45. At the breakaway, both dogs were off to a good start, with Maddie showing off her quickness, hitting cover everywhere. Tuff is obviously no stranger to the cover dog game and with just a nod from Roger, struck off through the cover with successively impressive casts through likely looking cover, including one at 25 at the hairpin

turn, with Tuff ranging wide right on the surrounding ridge and hanging out there all the way around to the front. Maddie continued her aggressive ground race, gradually outpacing Tuff further to the front. At about 30, Roger called point when he spotted Tuff standing about 150 yards off the course to the left. It took a few for handler and judges to get to him and with Tuff solidly pointing, Roger produced the bird and fired...a very nice piece of birdwork. The connection between Roger and Tuff was obvious. In the last 15, as we passed through some really tight cover, Tuff's application shortened up, but as we broke free and the course opened up, Roger was able to send him once again on another wide cast to the front to finish the hour. Reporter missed the last half of Maddie's performance, but the judge Tobiassen reported a birdless hour for Maddie. Bird count 1.

**Brace 8: Marjo's Sam Son (Otis), Mark Dreyfus, Bye.** Courses 3, breakaway 4:03. Right from the start, Otis hit the cover with a really forward pattern, and plenty of speed to go with it. At 11, Otis was spotted pointing to the left of the course. A lengthy flushing attempt resulted in a relocation which did not produce a bird. At 24, down in the honey hold, Mark scouted his own dog and found him dug in and looking really great on point. A bird was produced with all in order. We moved on with Otis continuing his speedy, well-applied and forward application. At 40, just as we crossed the road, Mark spotted Otis about 100 yards ahead pointing in the cover near the river. A bird was produced once again, with all in order. With 9 minutes to go, Otis was still proving he was up to the task, when at 59 he stopped and pointed again. This time Mark was unable to produce a bird and just after time, sent Otis on for a relocation, which resulted in a second unproductive.

6. Clean up all horse manure and hay associated with your animals (this includes around your stakeouts) and deposit it in the manure depot. If FT committee has to do it, you may be charged a fee.

***WHEELBARROWS, ETC. ARE KEPT IN THE BARN STOREROOM.  
PLEASE RETURN THEM UPON COMPLETION OF YOUR CLEAN UP***

IN ADDITION PLEASE PAY CLOSE ATTENTION TO THE FOLLOWING:

1. Do not chain dogs or tie horses between the parking lot perimeter posts and fence along the East Side of the parking lot (along the side that runs along the road).
2. Park horse trailers and campers butted against the parking lot perimeter post. Do not park parallel to them as it reduces the space available for parking.
3. Camping Fees, now known as "Overnight animal attendant" fees at a rate of \$7.00/per night without electric and \$12.00/per night with electric, are available to at the headquarters grounds. Please pay ABC directly upon arrival (make check payable to ABC). (See Terri DeBarr)
4. There will be another breed's event following the conclusion of ours. If you would like to remain at the grounds, you may stay for one additional day. Please move your camp to the horseman's campground inside the park after that time.

Finally, please remember that the Ionia Recreation Area is a **multiple use area** and bicycle and horseback riders have access to marked trails and roadways. **Please be polite in conversation with them so as not to cause conflicts. Hunting is also allowed on all courses and we must keep in mind that we only have access to the land just as others do.**

Thank you for your cooperation!!!

WELCOME TO MICHIGAN and  
**THE IONIA STATE RECREATION AREA**

The 2021 National Open and Amateur Walking Gun Dog Championships are being held at the Ionia State Recreation Area in Ionia, Michigan. The town of Ionia is located in the mid-west portion of the state, between Lansing and Grand Rapids. Ionia offers to its guests motel accommodations, fine restaurants, fast food eateries, grocery and department stores, feed mills, veterinary clinics and even glider rides if you might want to see the grounds from the air. The field trial grounds are located just a few miles from town.

Ionia Recreation Area is a Michigan State Park that offers to its visitors a man-made lake with swimming area and some good fishing, horseback trails, camping sites and some of the finest field trial grounds found anywhere. The work done on these fine grounds is undertaken by the Ionia Grounds Committee, the members of the Field Trial Clubs in Michigan, and the State of Michigan.

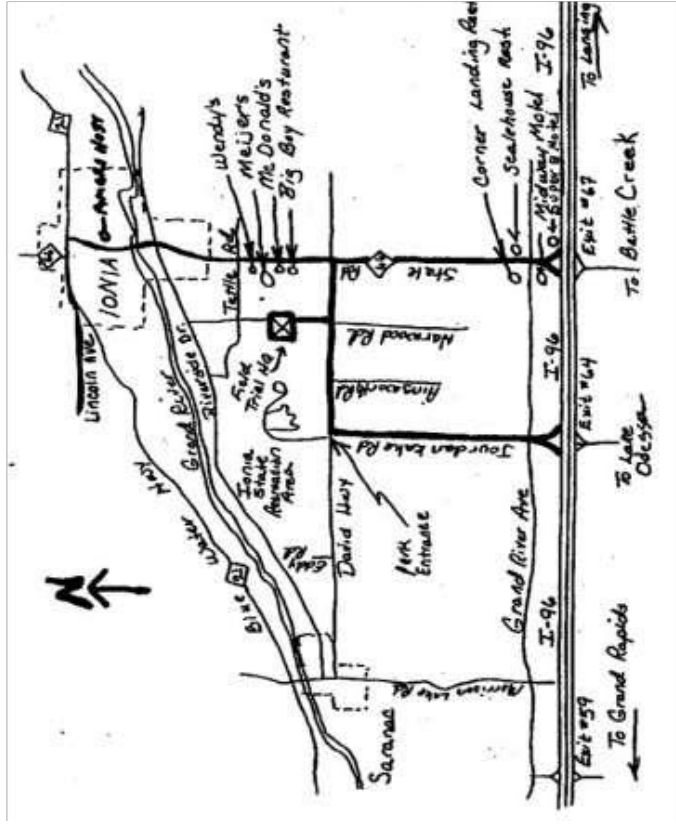

Ionia State Recreation Area covers over 4,500 acres and has multiple well groomed one-hour courses.

Each course offers a dog the chance to show off what it can do best, from covering the spacious fields to running the edges. The terrain is rolling and picturesque and all courses are suitable for walking and have water on them. The rolling terrain enables the handler to see their dog. All courses are a true test for a well-mannered gun dog.

**ATTENTION AMATEUR HANDLERS**

At Regional trials when a dog places in an OPEN stake and is handled by an AMATEUR, the field trial secretary MUST record the amateur handler's name in the AKC field trial report, otherwise, those placements will not serve as qualifications for the Amateur Gun Dog Championships.

**GOOD LUCK EVERYONE!!!**

## Introducing the 2022 American Brittany Club National Amateur Walking Gun Dog Championship Judges

Jeff Currier

I am originally from NH and now live in Alburtis PA with my better half Linda McCartney, our horses and dogs. I was raised in a family of avid hunters and sportsmen. I have had Brittany's since the early 70's and have hunted grouse, woodcock, pheasants, and ducks with them. About 22 years ago I started playing the field trial game and got hooked!

Thus far I have one National Amateur Walking Gun Dog Champion, one Runner-up National Open Gun Dog Champion. I also have/had 7 Dual Champions, 1 Field Champion, 6 Amateur Field Champions. Along the way I have a multitude of bench Champions along with MH, SH, & JH. I have also run and finished a Gordon setter to his AFC title and won retrieving stakes with a GSP. I have been judging for 20 years. I have judged from GA to ME and West to OH in both AKC and American Field events. The

events of note I have Judged are the NGSPA Pheasant Championship at Wye Island, The 2021 Vizsla Nationals and multiple Championships in both Regions 1 and 3. I currently have had over 175 local field trial assignments.

I was the 4<sup>th</sup> Vice President and chair of the ABC Gun Dog Nationals in addition to serving the event for over 10 years doing everything from bird planting to taking out the garbage! I look forward to this assignment and truly appreciate being asked to judge your dogs!

Kevin Remmers

With all of our Brittany's (past and present) I have enjoyed hunting pheasant and quail in Illinois, as well as traveling to other states in a quest for other obscure (at least to me) upland game birds. I got my first Brittany in 1989. "Clyde" was a rescue that found his way to me via a hunting buddy. Sandra and I got our first of six registered Brittany's, DC/AFC B & H Clyde's Revenge, JH in 1994. "Rev" taught me that I could extend my hunting season by field trialing and eventually he placed 4<sup>th</sup> in the ABC NAGDC in 2002. The same year, at the same venue, our youngest charge, "Dubb" (Rev's son) would win the 2002 running of the 2000 ABC Gun Dog Futurity Run Off. To prove his style, stamina and desire Dubb would return to Ionia to win ABC's NAGDC in 2005 and would repeat the task in 2007, ending his AKC title search with the AKC registered name of 2xNAGDC/DC/AFC Clyde's Double Trouble. I have been an AKC judge since 1998, judging too many regional trials to add (or at least I'm not going to). Spending most of my time in IL but also traveling to AR, MO, IA, MN,

WI, MI, IN, OH, WA and GA to run dogs and/or judge. Including judging the Southern Open Brittany Classic at Showtime Plantation and later the Southern Open Brittany Championship at the Red Pebble Plantation both in Georgia. I am honored and humbled to be asked to judge the 2022 ABC National Amateur Walking Gun Dog Championship in Ionia, MI. I'm excited to watch the best Brittany Gun Dogs in the nation as these walking handlers will cast their charges forward going head-to-head, reaching for distant objectives on the horizon, during the peak of Ionia's fall colors. A picturesque venue to be afield with our Brittany's in search of upland game. I'm looking forward to catching up with old friends and meeting a bunch of new friends. Trust me, if your dog is qualified, you owe it to him/her to come to Ionia, MI to give them a chance to WIN IT ALL!!! See you in Ionia and Good Luck to All!

## Introducing the 2022 American Brittany Club National Open Walking Gun Dog Judges

John Perry

Joanne Perry

Joanne and I have owned Brittneys since 1980 and have been competing with Brittneys in both AKC and AF events since 2002. We are honored to have been asked to judge the 2022 ABC Open Walking Gun Dog Nationals. We have put multiple titles/championships on our dogs and other dogs that we have had the opportunity to campaign for our friends. We have trialed, judged, and shown our dogs for the past 20 years primarily in the North-East, Mid-Atlantic and have expanded the last few years to include the Mid-West regions. Over these past 20 years, John has served as President, 1st Vice President and Field Trial Committee Chair for both Del-Val and North Jersey Brittany Clubs while Joanne has served as President, Field Trial Secretary and Director for several clubs. Additionally, John has served as stakes manager, field trial committee and field trial chairperson for ABC Classics and Gun Dog Nationals. Joanne has served as the reporter for several regional and National events. Throughout our club and trial experiences we have been willing to listen and mentor new members, debate longstanding members, as well as being an advocate for all activities that our versatile Brittneys compete in. We enjoy working behind a polished dog whether it is a field trial champion or a hunting dog. We have spent most of our training experience under the tutelage of Pete DeAngelis, who has trained numerous National Gun Dog Champions. We enjoy competing with dogs at the Ionia Field Trial grounds and look forward to this year's crop of potential Champions. Good Luck to all handlers, scouts, and dogs. We look forward to judging this year's event.

The American Brittany Club, Inc. is a member club of the American Kennel Club and is the recognized breed sponsor by the American Field.

The Club is composed of many Regional Clubs located from coast to coast. Most hold a licensed AKC field trial for championship points in the spring and fall seasons. Many hold a specialty (conformation) show and hunting tests. The Regional Clubs hold meetings to discuss mutual problems, fun trials, training sessions and other events of interest to their members.

The American Brittany Associate Membership is available if person is a Full member of a Regional Club or immediate family member of a Full member. Full Membership cost is \$50.00 per year and \$5.00 per year for each Associate Member. Regional Clubs may charge higher dues. You may apply to join the Regional Club located nearest to you, or if there is none in your area, you may become a Member-at-Large of the American Brittany Club. Joining a Regional Club will afford you with the most opportunities for interaction with other Brittany owners.
