2010 MOTION FOR ROTATING TROPHY FOR NAT. AGD CHAMPIONSHIP

Motion by: Darlene Dow, East Coast Director

Seconded by: Lisa Pollock, East Coast Director

Date of Motion: June 14, 2010

Dates for Discussion (7 days): Mon. June 14 – Sun. June 20, 2010

Dates Votes Accepted (5 days): Mon. June 21 – Fri. June 25, 2010

Motion:

I move that the ABC Board of Directors approve the previous winners of the Amateur Gun Dog Nationals to donate a rotating trophy for that event. The trophy will not have any option for it to be retired. The trophy will be at no cost to the ABC other than to have it covered by the club insurance

Description :

The National Amateur Gun Dog Rotating trophy will have plates for all the previous winners already installed. It will be a bronze dog with solid wood base. A photo of a resin version of the bronze is attached. The actual trophy will be solid bronze, but will look the same as the attached photo except it will be on a large walnut base. 4th Vice President Jim Carter is working with the previous owners to develop and purchase this trophy. There is currently no Rotating Trophy for this Championship.
