

Tracker is a sponsor of the American Brittany Club

Tracker and the American Brittany Club have recently entered into a sponsorship agreement which recognizes Tracker as its' exclusive sponsor in the tracking collar category. This agreement was several months in the making and represents an excellent arrangement for both parties. Tracker will provide two Maxima receivers [no collars], one each, for the runners up [or other placed dogs as determined by ABC] of the National Open All Age Championship and the National Open Gun Dog Championship and two Classic Double complete sets, one each, for the runners up [or other placed dogs as determined by ABC] for the National Amateur All Age Championship and the National Amateur Gun Dog Championship. In exchange The American Brittany Club will list Tracker as a sponsor in the American Brittany Magazine each month, display the Tracker banner at the National Championship events, list Tracker as a sponsor on premiums and provide table space to Tracker at the National Championship events.
