Motion: I, Raymond Gorman, move that the American Brittany Club’s Board of Directors spend \$5000 from the general fund to be paid directly to the Fence Vendor providing the construction of fencing at the Ionia, Michigan Field Trial Grounds.

Rationale: The Ionia Grounds fence committee would like to do some additional fencing at the Ionia grounds at this time. They do have some funds already available to them but need additional funds to complete another section. They need to do this l. for the safety of the dogs. 2. They would like to do this this summer. 3. They have \$5,000 plus so far. We also have \$1950 that Janet Chase is sending from the 2007 budget and auction. 4. The current total cost is estimated to be over \$32,000 plus gates. 5. This is a national event venue for the ABC, and we need to support and contribute to this construction. I have spoken to Hank, Janet and Brian the 4th VP and they are all on board with this. Ed said he would be willing to second the motion.
