Motion: I move to allow the Ringneck Brittany Club to run its
Region 19 Amateur All Age Championship as an American Brittany Club/AKC Classic.

Rationale: The reason for this change is due to grounds issues. The club is not able to access enough grounds for both the hour championship grounds and grounds to run the weekend trial stakes. This hopefully is only a temporary situation, as the Ringneck Brittany Club is working to secure enough grounds in future years to hold both the hour stake and the normal 30 minute stakes during the same weekend. By allowing this stake to run as an ABC Classic, it will be AKC sanctioned and will make this stake a qualifying stake for the ABC National Championship as it has been in past years.
