Committees served on: 4<sup>th</sup> VP ABC, ABC Gun Dog Committee, ABC Gun Dog Stakes Mgr

**What will be your strongest asset as a member of the BOD and why?**

My wife and I have owned Brittanys since 1980 and have been competing with Brittanys in both AKC and AF events since 2002. We have put multiple titles/championships on our dogs and other dogs that we have had the opportunity to campaign for our friends. We have trialed, judged and shown our dogs primarily in the north-east and mid-Atlantic regions for the past 17 years. Over these past 17 years, I have served as President, 1st Vice President and Field Trial Committee Chair for both Del-Val and North Jersey Brittany Clubs. I have also served on many committees including facebook and by-laws. Additionally, I have served as stakes manager, field trial committee and field trial chairperson for ABC classics and Gun Dog Nationals. Throughout my club and trial experience I have been willing to listen and mentor new members, debate longstanding members as well as being an advocate for all activities that our versatile Brittanys compete in. I believe that the Directors need to represent the concerns of the membership of their region. I am able to listen and debate for the area of interest/involvement of our region. I have recently retired after 43 years at Amtrak serving most of my career in a management role. I have also served multiple years as a fire officer/director in my local volunteer fire company. Through both organizations I have been responsible for leadership, budget and mentorship roles. I believe that I can parollee those skills to the role of Director. I look forward to serving the membership and all activities of our region bringing our concerns to the parent company.
