What will be your strongest asset as a member of the BOD and why?

I bought my first Brittany from the President of the St Croix Valley Brittany Club (MN) and part of the cost was an Associate Membership in the Club. The next year I was asked to become a Board Member of the club and since then I have held most positions in the club. Shortly after joining the Club, I got involved with Field Trialing. I mainly ran dogs in Walking Trails around Minnesota until the early 2000's. I then purchased a horse and an All Age Prospect. I have participated in Field Trails from Minnesota to Texas from Kansas to Michigan. In 2015 we moved to Texas. We live in the Texas Hill Country. I joined the Alamo Club and I'm on their Board. I have been on the Committee or was the Field Trial Secretary of many Field Trials from Minnesota to Texas. I am on the Committee for the Region 19 Amateur All Age Championship, Pheasant Championship and the National All Age Championships. I have had many Judging assignments over the years. I'm looking forward to the opportunity to be a National Board Member and contributing to the future of the Brittany Breed.

What will be your strongest asset as a member of the BOD and why?

My strongest asset is my belief in the versatility of the Brittany leading to my participation in show, field, and performance events. My diverse background has allowed me to meet many in the Brittany community and serve in leadership roles at both the regional and national level. I would like ABC to grow and adapt to welcome and educate new members. We should be inclusive of all venues without losing sight of the Dual Dog. I am firmly committed to celebrating everything the Brittany can do! I am excited at the opportunity to further serve the Brittany community.
