What will be your strongest asset as a member of the BOD and why?

Having served on the Board of Directors (BOD) of the ABC for the last two years, I feel I would be in an excellent position to continue to advance the needs of the Western Region should I be re-elected to the BOD. I certainly have a better understanding of the goals/purposes of the ABC and BOD and can facilitate positive decision making, analysis of budgets, proposals and agendas. I am willing to work with others, am open-minded to new ideas and change, yet thoughtful and practical, utilizing common sense approaches to change. I have a broad base of experience in canine performance events and, as a Brittany Breeder of Merit, strive to continually promote the Dual Brittany concept as a primary, overriding goal and hallmark of the ABC organization.
