

American Brittany Subscribers

There is currently a nationwide shortage of supplies for the printing industry including paper, toner and ink. We are having difficulty at Webster County Printing obtaining the needed supplies to fulfill our printing orders due to this shortage as well as shipping issues which are causing delays in the printing and mailing of your American Brittany magazines. We apologize for these unavoidable delays and ask that you please be patient with us and our staff as we deal with these issues.

Thank you,

Webster County Printing
