Motion #1: I move that in addition to Event Results, a required Recording/Event fee of \$2.00 per dog be submitted to the ABC statistician for each dog starting or competing in all stakes in each individual event (field, show, rally, obedience, barn hunt, agility, hunt test, etc.) hosted by any Regional Brittany Club. As already the cast, results, but not a Recording/Event fee, will be required for dogs starting or competing in National Championships, National or Summer Specialty shows, or ABC Game Bird and Gun Dog Classics/Championships. No results, photos, or write ups of any event will be published in “The American Brittany Magazine” without prior payment of the required fee. Further parent club approval for all future events will be denied if a regional club has unpaid recording/event fees.
