THE AMERICAN BRITTANY CLUB, INC.

MISSION STATEMENT

The objective and purpose of the Club shall be to promote cooperation and friendship among the breeders and owners of Brittanys and to encourage high standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "bench dogs" and to strive to keep it forever a "dual dog".

OFFICIAL SEAL OF THE ABC

During the calendar year 1974, the trophy chairman held a national contest to design an official seal for the ABC. The design winner was Benny Gatley.

The design was implemented by Haltom Jewelers in Fort Worth, Texas. At the 1974 Board meeting, the design and the medallion were accepted by the Board as the official seal of the ABC.

The use of the official seal medallion is limited to use on trophies in events of national stature (the championships, the futurities, the classics, and the specialty show), as well as on official letterheads and other official publications and a copyright right has been obtained.

To obtain these medallions for use in stakes of national stature, contact the executive secretary and/or treasurer.

Use of official ABC stationery is limited to official ABC business by the directors and the officers of the ABC. It is not to be used by directors or officers to conduct regional club business about regional club affairs.

BRIEF HISTORY OF THE AMERICAN BRITTANY CLUB

The Brittany Spaniel Club of North America was formed in 1936 by the original importers of the breed into this country and was later recognized by the AKC as the official representative (parent club) of the breed.

The ABC was formed May 16, 1942 in the Lafayette Room of the Fort Shelby Hotel in Detroit, Michigan. There were 17 people present representing Ohio, Illinois and Michigan. Constitution and by-laws were adopted calling for a three-man Board of Directors who, in turn, served as officers. Membership in the club grew to 51 by October of 1942. The Board of Directors was increased to 5 the following year.

American Field recognized the ABC as the official sponsor of the breed in 1942, but the ABC also held AKC Shows and Trials in 1943. However, the ABC National Trials were run under both AKC and American Field for many years.

The Brittany Spaniel Club of North America by 1943 had become inactive and merged with and into the ABC and continued operating under the constitution and by-laws of the ABC as of January 1, 1944.

In 1974 the official sponsorship became the most discussed subject by the Board of Directors. The idea of bench and field championships being offered by the same regulatory body had more appeal as being nearer the true aim - promote the dual dog - and since American Field only recognized one champion, the decision was made to go with the AKC.

From 1942 through 1963 the constitution and by-laws were amended five times ranging from a 3-man Board of Directors up to a 40-man Board. The ABC was incorporated on November 10, 1959 as a nonprofit corporation in the State of Illinois.

A new constitution and by-laws was adopted November 29, 1964 calling for a 15-man Board, 3 from each of the 5 regions which the ABC operated under until the adoption of the present by-laws in November of 1975.

Since 1942 the ABC has grown from 17 members to over 3,000 and from 3 to approximately 90 regional clubs with several provisional clubs pending by the end of 1984.

During the years from 1984 through 1998 the ABC has remained approximately the same with our current 88 regional clubs and approximately 3,100 members.

In 2022, the AKC Board voted to no longer allow AKC clubs to hold events sponsored by the American Field effective July 1, 2022. This means there will no more AKC/AF dual licensed trials, and further that AKC clubs may not hold separate trials under the sponsorship of the AF/UKC or any organization affiliated with them.

The Active Members shall be appointed to this Committee by the President and approved by the Board of Directors.

Section 2: Duties of Committee of Nominations: Prior to September 1 of each year, the Executive Secretary shall prepare an election ballot listing nominees for the Director to be elected from that Region, with at least two (2) and, if possible, more names nominated of willing candidates for each position to be filled. Names to appear on each Regional ballot will be submitted to the Chairman of the Committee on Nominations by the respective Regional Members of the Committee. Copies of the election ballot for each Region shall be mailed to each Active Member within that Region, along with a return addressed envelope, the return address being for all Regions a postal box specifically acquired for this purpose at the place of the Annual Meeting of the Board of Directors where such election occurs. If a postal box cannot be acquired, the Board of Directors shall determine the return address for the ballots. The Committee Chairman and a Committee Member shall obtain the ballots and bring them to the designated site where the ballots shall be tabulated by the Members of the Committee on Nominations and the Chairman. The results of the election shall be announced by the Chairman at the Annual Meeting of the General Membership and the Annual Meeting of the Board of Directors. It shall nominate persons and present the names to the Board of Directors for possible election as Officers, whose terms expire in any year, having obtained consent of all nominees to serve if elected.

The Parliamentary authority of the Club and Board of Directors shall be "Roberts' Rules of Order Revised," in all cases to which they are applicable and in which they are not inconsistent with these By-Laws.

BRITTANY STANDARD

General Appearance: A compact, closely knit dog of medium size, a leggy dog having the appearance, as well as the agility of a great ground coverer, strong, vigorous, energetic and quick of movement. Ruggedness, without clumsiness, is a characteristic, of the breed. He can be tailless or has a tail docked to approximately four inches.

Size, Proportion and Substance

Height: 17 1/2 to 20 1/2 inches, measured from the ground to the highest point of the shoulders. Any Brittany measuring under 17 1/2 inches or over 20 1/2 inches shall be disqualified from dog show competition.

Weight: Should weigh between 30 and 40 pounds.

Proportion: So leggy is he that his height at the shoulders is the same as the length of his body.

Body Length: Approximately the same as the height when measured at the shoulders. Body length is measured from the point of the fore-chest to the rear of the rump. A long body should be heavily penalized.

Substance: Not too light in bone, yet never heavy-boned and cumbersome.

Head Expression: Alert and eager, but with the soft expression of a bird dog.

Eyes: Well set in head. Well protected from briars by heavy, expressive eyebrow. A prominent, full or pop eye should be heavily penalized. It is a serious fault in a dog that must face briars. Skull well chiseled under the eyes, so that the lower lid is not pulled back to form a pocket or hawk that would catch seeds, dirt and weed dust. Preference should be for the darker colored eyes, though lighter shades of amber should not be penalized. Light and mean-looking eyes should be heavily penalized.

Ears: Set high, above the level of the muzzle. Short and triangular, rather than pendulous, reaching about half the length of the muzzle. Should lie flat and close to the head, with the tip rounded very slightly. Ears well covered with dense, but relatively short hair, and with little fringe.

Skull: Medium length, rounded, very slightly wedge-shaped, but evenly made. Width, not quite as wide as the length and never so broad as to appear coarse, or so narrow as to appear racy. Well defined, but gently sloping stop. Median line rather indistinct. The occiput only apparent to the touch. Lateral walls well rounded. The Brittany should never be "apple-headed" and he should never have an indented stop.

Muzzle: Medium length, about two-thirds the length of the skull, measuring the muzzle from the tip to the stop, and the skull from the occiput to the stop. Muzzle should taper gradually in both horizontal and vertical dimensions as it approaches the nostrils. Neither a Roman nose nor a dish-face is desirable. Never broad, heavy or snippy.

Nose: Nostrils well open to permit deep breathing of air and adequate scenting. Tight nostrils should be penalized. Never shiny. Color: fawn, tan, shades of brown or deep pink. A black nose is a disqualification. A two-tone or butterfly nose should be penalized.

Lips: Tight, the upper lip overlapping the lower jaw just to cover the lower lip. Lips dry, so that feathers will not stick. Drooling to be heavily penalized. Flews to be penalized.

Bite: A true scissors bite. Overshot or undershot jaw to be heavily penalized.

Neck, Top-line and Body

Neck: Medium length. Free from throatiness, though not a serious fault unless accompanied by dewlaps, strong without giving the impression of being over-muscled. Well set into sloping shoulders. Never concave or ewe-necked.

Top-line: Slight slope from the highest point of the shoulders to the root of the tail.

Chest: Deep, reaching the level of the elbow. Neither so wide nor so rounded as to disturb the placement of the shoulders and elbows. Ribs well sprung. Adequate heart room provided by depth as well as width. Narrow or slab-sided chests are a fault.

Back: Short and straight. Never hollow, saddle, sway or roach backed. Slight drop from the hips to the root of the tail.

Flanks: Rounded. Fairly full. Not extremely tucked up or flabby and falling. Loins short and strong. Distance from last rib to upper thigh short, about three to four finger widths. Narrow and weak loins are a fault. In motion, the loin should not sway sideways, giving a zigzag motion to the back, wasting energy.

Tail: Tailless to approximately four inches, natural or docked. The tail not to be so long as to affect the over-all balance of the dog. Set on high, actually an extension of the spine at about the same level. Any tail substantially more than four inches shall be severely penalized.

Forequarters

Shoulders: Shoulder blades should not protrude too much, not too wide apart, with perhaps two thumbs' width between. Sloping and muscular. Blade and upper arm should form nearly a ninety-degree angle. Straight shoulders are a fault. At the shoulders, the Brittany is slightly higher than at the rump.

Front legs: Viewed from the front, perpendicular, but not set too wide. Elbows and feet turning neither in nor out. Pasterns slightly sloped. Down in pasterns is a serious fault. Leg bones clean, graceful, but not too fine. Extremely heavy bone is as much a fault as spindly legs. One must look for substance and suppleness. Height at elbows should be approximately equal distance from elbow to withers.

Feet: Should be strong, proportionately smaller than the spaniels', with close fitting well arched toes and thick pads. The Brittany is "not up on his toes." Toes not heavily feathered. Flat feet, splayed feet, paper feet, etc., are to be heavily penalized. An ideal foot is halfway between the hare and the cat foot. Dewclaws may be removed.

Hindquarters Broad, strong and muscular, with powerful thighs and well bent stifles, giving the angulation necessary for powerful drive.

Hind Legs: Stifles well bent. The stifle should not be so angulated as to place the hock joint far out behind the dog. A Brittany should not be condemned for straight stifle until the judge has checked the dog in motion from the side. The stifle joint should not turn out making a cow-hock. Thighs well feathered but not profusely, halfway to the hock. Hocks, that is, the back pasterns, should be moderately short, pointing neither in nor out, perpendicular when viewed from the side. They should be firm when shaken by the judge.

Feet: Same as front feet

Coat: Dense, flat or wavy, never curly. Texture neither wiry nor silky. Ears should carry little fringe. The front and hind legs should have some feathering, but too little is definitely preferable to too much. Dogs with long or

profuse feathering or furnishing shall be so severely penalized as to effectively eliminate them from competition.

Skin: Fine and fairly loose. A loose skin rolls with briars and sticks, thus diminishing punctures or tearing. A skin so loose as to form pouches is undesirable.

Color: Orange and white or liver and white in either clear or roan pattern. Some ticking is desirable. The orange or liver is found in the standard parti-color or piebald patterns. Washed out colors are not desirable. Tri-colors are allowed but not preferred. A tri-color is a liver and white dog with classic orange markings on eyebrows, muzzle and cheeks, inside the ears and under the tail, freckles on the lower legs are orange. Anything exceeding the limits of these marking shall be severely penalized. Black is a disqualification.

Gait: When at a trot the Brittany's hind foot should step into or beyond the print left by the front foot. Clean movement, coming and going, is very important, but most important is side gait, which is smooth, efficient and ground covering.

Temperament: A happy, alert dog, neither mean nor shy.

DISQUALIFICATIONS

Any Brittany measuring under 17 1/2 inches or over 20 1/2 inches. Black in the coat. A black nose.

The above standard was approved by the AKC on April 9, 1990 and went into effect May 29, 1990.

AMERICAN BRITTANY CLUB BREEDERS CODE OF ETHICS (2014)

Adopted November 30, 1996

The following principles are to be used as an educational guide and a tool for Brittany breeders for the purpose to develop more genetic and disease-free dogs, while being ethical in all matters with the public and with our peers.

Objective and Purpose

To promote cooperation and friendship among the breeders and owners of Brittanys and to encourage higher standards in breeding, training and showing of Brittanys in the field and in the show ring; to discourage the breed from becoming split into groups of "field dogs" and "show dogs" and to strive to keep it forever a "dual dog".

Ethical breeders should:

1. Comply with all ABC and AKC rules and regulations.
2. Maintain a high standard of health, care, and cleanliness for dogs under one's care.
3. Truthfully and realistically represent the Brittany being bred and/or sold in terms of quality, health, and genetic history. Refrain from breeding a bitch or using a stud until they are two (2) years old.
4. Consult with your breeder and with knowledgeable, experienced members of the ABC, regional clubs, or local kennel clubs to broaden your understanding and knowledge of the history of the breed BEFORE breeding your Brittany.
5. Breed only stock which are physically and temperamentally sound and in good health. No dog or bitch should be bred that is known to have serious inheritable defects or genetic diseases, such as: canine hip/elbow dysplasia primary epilepsy, a seizure disorder eye disorders - retinal atrophy undescended testicles heart defects extreme shyness/viciousness other inheritable diseases or defects
6. Not attempt breeding without the ability to distinguish between correct and incorrect physical attributes. This ability requires a careful study of the breed standard, principles of genetics, and a study of both the sire and the dam's pedigrees. Breeders should study and learn the good points within our dogs, looking to both field ability and conformation.
7. Have their breeding stock OFA (Orthopedic Foundation for Animals), GDC (Genetic Disease Control) or Penn Hip certification numbers for hips on, at least, both the sire and the dam; preferably for three (3) generations on both sides of the pedigree. In addition, other tests (brucellosis, eyes, elbows, and other unspecified tests) should be declared in agreement between owners of the sire and the dam prior to breeding.
8. Refuse to sell to commercial wholesalers, retail brokers, or research laboratories.
9. Have tails docked and dew claws removed soon after birth. Prior to the sale of the puppies, initial shots for known infectious diseases should be given and worming administered. A buyer should be supplied with a four (4) generation pedigree, registration certificate, information on all veterinary care, and instructions for the care, feeding, and training of the Brittany.
10. Remember your responsibility as a breeder does not end with the sale of the puppy. A breeder should have contact with the buyer of a pup throughout the life of the dog. This information will enhance breeding knowledge and improve the foundation for a good long-term breeding program. This will also help your regional club to grow with new members and possible participants and workers.

11. Use spay/neuter agreements and/or considers limited registration if it is known or believed to manifest hereditary defects detrimental to the breed. **THE LONG-TERM INTEREST OF THE BRITTANY SHOULD BE THE GOAL OF EVERY BREEDER.**

12. Consider DNA fingerprinting for all dogs in your breeding programs. As of January 1, 2013 DNA, fingerprinting is required for all dogs competing in ABC national events. This includes the All Age and Gun Dog Championships; both Open and Amateur as well as the National Specialty Show.

13. It is recommended that Breeders will take back or handle the proper placement of any Brittany they have produced. (2010)

AMERICAN BRITTANY CLUB INC
POLICY ON CONFLICTS OF INTEREST

(Source: sample policy from American Institute of Certified Public Accountants which they adapted with permission from Minnesota Charities Review Council)

This conflict of interest policy is designed to help directors, officers, employees and independent contractors of the American Brittany Club, Inc. (ABC) identify situations that present potential conflicts of interest and to provide the ABC with a procedure that, if observed, will allow a transaction to be treated as valid and binding even though a director, officer, employee or independent contractor has or may have a conflict of interest with respect to the transaction. In the event there is an inconsistency between the requirements and procedures prescribed herein and those in federal or state law, the law shall control.

1. Conflict of Interest Defined: For purposes of this policy, the following circumstances shall be deemed to create Conflicts of Interest:

A. Outside Interests—

- (i) A contract or transaction between ABC and a Responsible Person or Family Member.
- (ii) A contract or transaction between ABC and an entity in which a Responsible Person or Family Member has a financial interest or of which such person serves in a decision-making capacity.

B. Gifts, Gratuities and Entertainment—A Responsible Person accepting gifts, entertainment or other favors from any individual or entity that does or is seeking to do business with the ABC, under circumstances where it might be inferred that such action was intended to influence or possibly would influence the Responsible Person in the performance of his or her duties.

2. Definitions:

A. Responsible Person: any person serving as a member of the Board of Directors, officer, employee or independent contractor of ABC.

B. Family Member: a spouse, domestic partner, parent, child, or spouse of a child, brother, sister, or spouse of a brother or sister of a Responsible Person.

C. Contract or Transaction: any agreement or relationship involving the sale or purchase of goods, services, or rights of any kind, the providing or receipt of a loan or grant, the establishment of any other type of monetary relationship. This includes all forms of compensation.

3. Procedures:

A. Before or committee action on a contract or transaction involving a conflict of interest, a director or committee member having a conflict of interest and who is in attendance at the meeting shall disclose all facts material to the conflict of interest. Such disclosure shall be reflected in the minutes of the meeting.

B. A director or committee member who plans not to attend a meeting at which he or she has reason to believe that the Board or committee will act on a matter in which the person has a conflict of interest shall disclose to the chair of the meeting all facts relating to the conflict of interest. The chair shall report the disclosure at the meeting and the disclosure shall be reflected in the minutes of the meeting.

C. A person who has a conflict of interest shall not participate in or be permitted to hear the Board's or committee's discussion of the matter except to disclose facts and to respond to questions. Such person

shall not attempt to exert his or her personal influence with respect to the matter, either at or outside the meeting.

D. A person who has a conflict of interest with respect to a contract or transaction that will be voted on at a meeting shall not be counted in determining the presence of a quorum for purposes of the vote. The person having a conflict of interest may not vote on the contract or transaction and shall not be present in the meeting room when the vote is taken, unless the vote is by secret ballot. Such person's ineligibility to vote shall be reflected in the minutes of the meeting. For purposes of this paragraph, a member of the Board of Directors has a conflict of interest when he or she stands for election as an officer.

E. Responsible persons who are not members of the Board of Directors of ABC, or who have a conflict of interest with respect to a contract or transaction that is not the subject of Board or committee action, shall disclose to the chair or chair's designee any conflict of interest that such responsible person has with respect to a contract or transaction. Such disclosure shall be made as soon as the conflict of interest is known to the responsible person. The responsible person shall refrain from any action that may affect ABC's participation in such contract or transaction.

F. In the event it is not entirely clear that a conflict of interest exists, the individual with the potential conflict shall disclose the circumstances to the chair or the chair's designee, who shall determine whether there exists a conflict of interest that is subject to this policy.

4. Changes to Policy: Any changes to this policy by the Board of Directors shall be communicated immediately to all responsible persons. (2009)

POLICY OF ABC IN ACCEPTING NEW REGIONAL CLUBS

The Board of Directors at its 1976 meeting adopted a policy that requires The American Brittany Club to consider each new club application in light of its chances for success, its ability to contribute to the betterment of the breed and its compatibility with existing Regional Clubs. Growth for the sake of growth is unwise. The Parent Club and members for forming Regional Clubs must keep in mind the desires of the Regional membership, the best interest of the breed and the welfare of each existing Regional Club. The probabilities for success of each new club applicant and its contribution to the improvement of the breed through success of ABC must be carefully and continuously evaluated.

POLICY OF ABC ON INTERNATIONAL CLUBS

The Board of Directors of The American Brittany Club during its 1975 annual meeting rejected a new club request from Japan and directed the 2nd Vice President of The ABC to respond with an explanation that while there is no provision in the Constitution and By-Laws of The American Brittany Club for foreign affiliation, individuals are welcome to become either a member-at-large or a member of a regional club located within the United States.

The ABC directed an inquiry to the AKC (A. Hamilton Rowan, Jr., Director of Field Trials) to obtain clarification of any AKC policy, rule or regulation regarding International Clubs. Mr. Rowan, in a letter dated July 15, 1976, to the ABC, indicated that while there is no AKC rule or regulation against the AKC licensing events outside the United States, any such licensing would be "strictly contrary to policies" of AKC.

It is, therefore, the policy of the ABC not to authorize and promote the formation of regional clubs abroad due to the existing AKC policy which would refuse AKC licensing of any event sponsored by foreign regional clubs of the ABC.

REGIONAL INTERCLUB COUNCILS

Regional Interclub Councils, organized in accordance with the present existing "Constitution and By- Laws for Interclub Councils", may be formed by the clubs within a region for the purpose of promoting harmony and cooperation among the clubs within that region. If such a council exists within any region, and it is functioning successfully with the majority of the clubs in the region belonging to it, then the Directors within that region and the Officers of the ABC shall establish a working relationship with that Council, and the parent club shall recognize the council as a viable organization. 2007/2008

POLICY OF ABC WITH REGIONAL CLUBS

GENERAL INFORMATION

Any Regional Club falling below ten (10) members shall be notified at the end of thirty (30) days and encouraged to bring their membership to the required number. If a Regional Club is functioning and active with less than ten (10) members, it shall be allowed to remain a Regional Club.

Each Regional Secretary receives bulletins at intervals from the Executive Secretary informing the clubs of business matters under discussion and asking opinions on same. Such items as are of general interest to all members are published in the magazine.

A Board Meeting is held annually at which the business of the Club is conducted. None but Board members may participate in these meetings unless requested by the President. Reports of both members and Board meetings are made available to the membership through the magazine and/or through the regional club secretaries. Send requests for Parent Club Permission for trials and shows, to ABC Executive Secretary. Reports and recording fees are to be sent to the ABC Statistician. (Field Trial Dates Committee is listed in the magazine. Contact the representative for your area.)

All magazine correspondence, requests for judges' books and primers shall be sent to "The American Brittany" magazine.

SUBMITTING MEMBERSHIPS TO THE MEMBERSHIP CHAIRPERSON

Regional Secretaries should keep copies of all membership letters sent to the ABC. That way you will have a record to double check which members are paid. Send all memberships to the ABC Membership Chairperson. The ABC Membership Chairperson shall also keep a copy of all membership letters received.

Regional club members may send their annual dues directly to the ABC Membership Chairperson instead of their club secretary. Dues may be paid for a multiple of years, up to three (3) years, and may be paid by check or credit card. 2001, 2004

ASSOCIATE MEMBERSHIP DEFINED

As long as a person is a full member of a Regional Club or has a member of his immediate family as an active member, then that person is eligible for associate membership in any club by paying the associate membership dues. (1977)

MEMBERS-AT-LARGE

Members-at-large are those who send their dues directly to the ABC Membership Data Chair. Because some do not wish to join the local club and because some clubs have strict requirements about accepting new members, the ABC accepts these people as members-at-large. When they first join they are notified that they may transfer to a local club if agreeable to them.. If you accept them, you receive a credit on a full year membership as approved by the Board of Directors (2013). See Appendix 1. On renewal members who pay their dues direct to ABC, no credit shall be allowed on a transfer to a regional club. (2003)

Newly forming clubs, in accordance with information provided by the 2nd Vice President, shall be allowed to be on a "Subscription" basis with the magazine. Each regular member of the club may receive the magazine for the current rate of magazine commitment. However, it shall be noted that this SHALL NOT entitle them to nominate litters for the Futurity. Those persons in newly forming clubs that wish to vote in the Director's election and/or nominate clubs that wish to vote in the Director's election and/or nominate Futurity litters shall pay the regular membership fee to the ABC. (This may be done through the newly forming club).

Do NOT combine other items with dues in your check. If the amount of your check is incorrect you will be notified and given the amount of credit or debit which should be taken care of in your next check for dues.

RECORDING/ STARTER FEES

All regional Field Trial Clubs shall pay ABC a recording fee for each dog started in their field trials (both horseback and walking). The price is as approved by the Board of Directors (2013), (See Appendix 1), each time the dog is started. The field trial results shall be sent to ABC within ten (10) days after the trial or there will be a fine, as approved by the Board of Directors (2013), (See Appendix 1), levied with a daily charge, as approved by the Board of Directors (2013), (See Appendix 1), thereafter until results are received along with the recording fee, as approved by the Board of Directors (2013), (See Appendix 1), per dog started (March 1, 1994) (2001) (2013). Effective immediately all recording fees collected shall remain in the general operating fund. This shall be retroactive to January 1, 2014. (2014)

FEES: All recording fees, as approved by the Board of Directors (2013), (See Appendix 1), for any AKC titled event, including Specialty Shows but excluding Sweepstakes, hosted by a regional club must be paid for each dog entered to the Statistician prior to the report being published and any subsequent events authorized by ABC. (2014)

FIELD TRIAL, HUNT TEST, SPECIALTY SHOW REPORTS AND RECORDING/STARTER FEES: Trial, Specialty Show and Hunt Test reports are generally published in the order received (if the results and report arrive at the same time). Each club will be given a maximum of two (2) full pages for the write-up, placements, and pictures. If the write-up is short, available pictures may be used. If it is long, no pictures will be used. If the report and the results run over two pages, the report will be edited.

Regional clubs are not required to purchase an ad in "The American Brittany" magazine to have their field trial write-up printed. Events that want a maximum two (2) page write up in "The American Brittany" must take out an ad and or pay the per dog recording fee, as approved by the Board of Directors (2013) (See Appendix 1). (1978) (2013)

Send a copy of the AKC judge's book or the ABC field trial form that is sent to AKC with all the trial information, the judges, date, place and placements to the Statistician with the fee, as approved by the Board of Directors (2013), (See Appendix 1), for each dog that starts in each stake. The results and recording fee must be sent and postmarked to the Statistician within ten (10) days of the trial, or there will be a fine levied, as approved by the Board of Directors (2013), (See Appendix 1), with a daily fee, as approved by the Board of Directors (2013), (See Appendix 1), to be charged thereafter until the results and recording fee, as approved by the Board of Directors (2013), (See Appendix 1), per dog started are received. (i.e., 1 dog started in 4 stakes = \$8.00 recording fee) (1996) (2014)

Independent Specialty Shows held by Regional Clubs shall pay a per dog starter fee, as approved by the Board of Directors (2013), (See Appendix 1), to the ABC. The show results along with the write up, check and photos must be sent to the ABC Statistician within (30) thirty days after the show or there will be a fine levied, as approved by the Board of Directors (2013), (See Appendix 1), with a daily charge, as approved by the Board of Directors (2013) (See Appendix 1), thereafter until results are received. (1995) (2001) (2013) (2014)

Designated Specialty Shows held by regional clubs in conjunction (not concurrent) with All Breed Kennels Club Shows shall be exempt from the starter fee unless they want their results printed in the American Brittany Magazine. (2014) Designated shows wishing to have their results printed in the ABC magazine, will be required to follow the same procedure as the Independent Specialty Shows as directed above.

Clubs holding Hunting Tests will also pay the per-dog recording fee, as approved by the Board of Directors (2013), (See Appendix 1), to the ABC if they want the results published in the magazine. (1995) (2001) (2013) (2014)

The signed judging sheets and Secretary's page shall be sent to AKC so as to reach AKC no later than seven (7) days after the closing date of the trial. Penalty for non-compliance is a fee, as approved by the Board of

Directors (2013), (See Appendix 1), and a daily fee, as approved by the Board of Directors (2013), (See Appendix 1), for each day's delay beyond the deadline, and other such penalties as may be imposed by the Board of Directors of the AKC. A recording fee, as approved by AKC (2013), (See Appendix 1), for each first entry of a dog and a fee, as approved by the AKC (2013), (See Appendix 1), for additional entry of the same dog shall also be sent to AKC within seven (7) days. (2010)

~~Any organization desiring a maximum two (2) page write up in "The American Brittany" magazine must pay a recording fee, as approved by the Board of Directors (2013), (See Appendix 1), per dog. (1978) (2001) (2013)~~

RUNNING YOUR FIELD TRIAL

At least nine (9) months, before your trial, contact your Region's Field Trial Dates Coordinator (see magazine for name, address, and telephone number) and have your date set. Try to keep the same corresponding date each year. Parent Club permissions are not issued until the schedule is set, coordinated with the other regions, and approved by the Field Trial Chairman of the Dates Committee. **START EARLY.**

Before the trial: Send the request for ABC parent approval form giving date and location to the Executive Secretary. Be sure it is signed. Your date can be verified by the Executive Secretary. Proof of \$500,000 liability insurance must be mailed before parent club permission will be given. (1988). Send one copy of your premium list to ABC Executive Secretary with your regular pre-trial mailing.

After the trial: Send to ABC Statistician: Copy of the signed Judges' Reporting Sheets and AKC trial Secretary's report page, per dog started recording fee, as approved by the Board of Directors (2013), (See Appendix 1), and a write up for the magazine about your trial. It is suggested that clubs use the multiple report form that is used by AKC, when possible. (2006)

Send to AKC: (Performance Events Division, Field Trials, 5580 Centerview Drive, Suite 200 Raleigh, North Carolina 27606-3390) an application and judges panel, the required fee, disaster and emergency plan and a current membership and officer list. This must be completed at least 3 months prior to the start of the scheduled event. The application can now be made electronically.

As soon as details are set, send an ad to the magazine. Regional Clubs are not required to purchase an ad in "The American Brittany" to have their field trial write-up published in the magazine. (1978)

The ABC may grant parent approval to regional clubs whose fall and spring trials fall too close to meet the AKC date deadlines before recording fees and results are sent to the ABC. (1978)

After a club has been granted permission by the AKC to hold a licensed trial and before its premium list is printed, it must send to the AKC, for approval, copy of a Questionnaire Form (supplied by the AKC) which will give the exact location of the trial, the dates of the trial, and set exact location of the trial, the dates of the trial, and set forth the stakes to be run and their conditions, ribbon prizes, names and addresses of the judges and stakes they are to judge, names and addresses of the officers of the club, including the name and address of the Field Trial Chairman and names of the other members of the Field Trial Committee.

The place where entries are to be drawn need not be identical with the place where entries are received. Each premium list shall specify that the Field Trial Secretary is to receive entries.

Premium lists, when printed, shall contain all the information set forth on the Questionnaire Form as approved by AKC and shall be the official size, from 5 1/2 by 8 1/2 inches to 6 by 9 inches. Limits on entries received refer to the fact that you cannot accept more dogs than you can run. If you expect more than 70 dogs and cannot run that in two days, you must either add another day to the trial, set a limit on the number or find grounds where two stakes may be run at the same time. However, they must be decided before sending in the

questionnaire form. The judging assignments as printed on the Premium List cannot be altered and no additional judges may be added prior to the opening date of the trial except under extreme emergency conditions which must be reported in full to AKC and before the trial and at the time the trial results are submitted to the AKC.

Under no circumstances can a numerical entry limitation ever be exceeded.

If no entry limitation is printed on the Premium List, the club is obligated to accept all eligible entries, regardless of how many. Entries may be limited to a specific number or "to the number of dogs that may be run during the daylight hours on the trial dates." If you do this and are unable to complete the trial because of too many entries, the club is indicating that the trial may have been mismanaged and the matter will be investigated by AKC and a fine may result.

Entries must close no later than the published hour for the drawing which must be held not later than the night preceding the running of the first stake.

Sometimes you can avoid trouble on a large entry if you list the starting time of the first stake and list the rest "to follow". This allows you to start a stake late Saturday when the two stakes you planned for Sunday run too large.

Type of course means Single Course with Bird Field, Single Course without Bird Field, Multiple courses with Bird Field, Multiple Courses without Bird Field and Continuous Courses.

If you wish to fire over puppies, it should be so noted on the Premium List in the section applicable. If you wish to allow shotguns with blanks to be used in your trial, you must so note in the appropriate section on the forms otherwise, they are not allowed.

ABC allows the use of tracking collars at ABC events in accordance with AKC guidelines.

If you wish bitches in season to compete, you must so state on the form. CAUTION: Bitches in season must be run at the end of the stake and NO OTHER DOGS may run over those grounds on the same day.

Be sure to use correct terminology. Gun Dog Stake is a point stake that is judged on Gun Dog standards as defined in the AKC rule book. You must specify retrieving stake if you expect to kill the birds and have them retrieved.

When hosting a horseback trial, you must run an Open Puppy, Open Derby and an Open All Age Stake or an Open Gun Dog stake. These three stakes may be opened to all breeds. This is a club decision to open the stakes or close them to Brittanys only. They are non-shooting stakes. There is no limit to the number of stakes a club may run (1991) (2015)

When hosting a walking trial, you must run an Open Puppy, Open Derby and an Open Gun Dog Stake. These three stakes may be opened to all breeds. This is a club decision to open the stakes or close them to Brittanys only. They are non-shooting stakes. There is no limit to the number of stakes a club may run. (2004)

Horseback handling may be allowed in any or all stakes or your club may decide to handle on foot. The Board recommends, beginning in 1993, that each club have one walking stake per trial. (1991)

Before the trial AKC will send you judges' books in which you must enter the results of your trial. These books must be signed by your judges. Judges will also have a Judges Affirmation Form to be completed. This form is also supplied by AKC. (Deleted 2010 – no longer required by AKC) The latest AKC Field Trial Rules and Standard Procedures for Pointing Breeds booklet will also be included.

Premium lists should be mailed well in advance of your trial. Names may be obtained from the record of entrants at your preceding trials, by contacting participants in trials that precede yours, from breeders who have sold puppies in your area. Two copies of the premium list must be mailed to AKC when mailing to anticipated entrants.

The signed judging sheets and Secretary's page shall be sent to AKC so as to reach AKC no later than seven (7) days after the closing date of the trial. Penalty for non-compliance is a fee, as approved by the Board of Directors (2013), (See Appendix 1), and a daily fee, as approved by the Board of Directors (2013), (See Appendix 1), for each day's delay beyond the deadline, and other such penalties as may be imposed by the Board of Directors of the AKC. A recording fee, as approved by the AKC (2013), (See Appendix 1), for each first entry of a dog and a fee, as approved by the AKC (2013), (See Appendix 1) for additional entry of the same dog shall also be sent to AKC within seven (7) days. (2010) (2013)

WHAT TO DO AFTER THE TRIAL

- Have the judges sign the AKC books.
- Send **NO** entry forms to AKC (Event Secretary is to keep entry forms for 1 year)
- Send winners' forms and a per-dog started fee, as approved by the Board of Directors (2013), (See Appendix 1), and write-up for "The American Brittany" magazine to ABC STATISTICIAN.
- Send results to local paper.
- Clubs should retain all AKC entry forms for a period of one year following the trial as per AKC rules effective 4/1/06. SET DATE FOR NEXT TRIAL

WHAT TO SEND TO ABC STATISTICIAN AFTER THE TRIAL

Send a copy of the signed Judges' Reporting Sheets and AKC trial Secretary's report page to the ABC. STATISTICIAN with the recording fee, as approved by the Board of Directors (2013), (See Appendix 1), for each dog started. (1989) (2001) The ABC would prefer that clubs use the ABC multiple report form that can be used with AKC. (2006)

The results and the recording fee must be **POSTMARKED** to the ABC STATISTICIAN within ten (10) days of the closing date of the trial, or there will be a fine levied, as approved by the Board of Directors (2013), (See Appendix 1) with a daily fee, as approved by the Board of Directors (2013) (See Appendix 1), to be charged thereafter until the results are received, with the recording fee, as approved by the Board of Directors (2013), (See Appendix 1), per dog started. (March 1, 1994) Clubs should obtain a "certificate of mailing" from the post office if they wish to have proof of date of mailing in case there is a question of penalty. Recording fees and judges' report must **BOTH** be postmarked before the 10-day deadline to avoid penalty. (2001)

The ABC would also like a report of your trial for publication in the magazine. It should be typed, double-spaced, and not to exceed three pages. Pictures of winners may be submitted. The fees for pictures are the current prices listed in the magazine. Send results, recording fees, report, pictures with payment to the ABC Statistician.

HORSEBACK HANDLING

The ABC's policy of optional horseback handling as reaffirmed by the Board of Directors at its 1972 meeting at which time the following resolution was adopted:

Be it resolved that the policy of The American Brittany Club in regard to horseback handling and the abuses thereto is well known to the National Field Trial Committees, Regional Clubs and their Field Trial Committees through prior discussion at ABC Board meetings and publication in "The American Brittany". Each Regional Club and Field Trial Committee has the authority and shall not permit any such abuse at any of its trials where horseback handling is allowed."

PROCEDURE FOR CHANGING FIELD TRIAL DATES

IMMEDIATELY upon receiving your trial dates from your regional date's coordinator, determine if your club's dates are acceptable. If not, refer to the Field Trial Dates Policy section of this policy book and proceed as prescribed.

All field trial dates must be approved by the National Dates Chairman before Parent Club Approval is granted.

INSURANCE

Insurance should be obtained. To receive permission for your trial, proof of insurance should accompany your Permission for Field Trial Form. Each club must carry \$500,000 liability insurance coverage. (1988)

HOW TO RUN A REGIONAL SPECIALTY SHOW

SEND TO THE ABC EXECUTIVE SECRETARY, the name of your club and the date of show and the name of the all-breed club with which your show is being held (or state it is being held alone). You do not need parent approval from ABC for a sanctioned match.

A Specialty Show cannot be run until the club has run at least two (2) sanctioned matches. A letter to AKC will get you a form to apply for a sanctioned event. It is an informal show with (probably) an unlicensed judge. After you do two (2) sanctioned matches satisfactorily, you can run a licensed show.

There are two (2) ways of doing this.

1. The show may be held with an all-breed club where the classes for Brittanys are considered as your specialty show. You make application to the AKC and pay a license fee, as approved by the AKC (2013), (See Appendix 1), to them. If your club owes any fees to ABC, AKC will be notified your club is not eligible to hold the event. The all-breed club takes over from there and supplies your judge, ribbons, etc. The only outlay the club might have is trophies. Some all -breed clubs kick back part of the entry fees if you have over a certain number of entries.

2. If you want to run a specialty show on your own (say with your field trial) it is more complicated and requires more expense and more effort. You still send your application, license fee and parent club permission to the AKC. You have to have printed premium lists, catalogs, etc. You must hire a licensed AKC judge, some of whom charge a very large fee.

You do all the work yourselves in arranging and putting on the show.

The AKC rule book on dog shows will give you all the requirements for putting on a show. This book may be obtained by writing The American Kennel Club, 5580 Centerview Drive, Suite 200 Raleigh, NC 27606- 3390.

Dog show ribbons may be obtained from many sources - perhaps at the same place that your trophies are ordered.

Regional Club Specialty Shows are to conform to the National Specialty Show requirements: A dog must have one field trial placement during the immediate past year or be a Field Champion or Amateur Field Champion of record to enter the Field Trial Class. The following classes must be held Field Trial Class, Stud Dog Class, Brood Bitch and Veteran Classes. (1993)

Specialty Shows must send their starter fees as outlined in Appendix 1. (2013) (2014)

AKC POLICY ON ADVERTISEMENTS IN PREMIUM LISTS SHOW, FIELD TRIAL AND OBEDIENCE TRIALS

AKC considers the premium list to be a document giving all information necessary for a prospective exhibitor to enter a show, trial or test and not a document for advertisements unrelated to entering a show, trial or test. An exception to this long-established policy has been a small dog food company advertisement when the dog food company supplies the entry form and/or other considerations to the club.

Therefore, any advertisements, other than those related to the event, may not be included.

The following advertisements in good taste would be considered acceptable:

- Dog food company.
- Motels and Hotels near the site of the event.
- Restaurants near the site of the event.
- AKC and CKC approved events.
- Educational programs and seminars held in conjunction with the show.

If any advertising is to be printed on the premium list, it must be submitted with the pink form and approved by AKC.

Approval will not be given for advertising of dogs, handlers, kennels, dog supplies or equipment.

If the report and the results run over two pages, the report will be edited.

An acceptable form for such a title (Triple or Quadruple Champion and beyond) would be: Dual Ch Britt, winner, and then list the championships. DUPLICATION OF KENNEL NAMES: The Board of Directors voted in 1974 that the ABC does not attempt to set up an ABC Registry of kennel names. However, the Board of Directors did decide that names that had been published in "The American Brittany" magazine under the directory in the Kennel section were not to be duplicated. In other words, if a kennel is currently advertised under one name, another person is not allowed to use that same name. (2012)

The cost of publishing the magazine shall be considered a part of the normal operations of the ABC. The magazine commitment, as such, shall be done away with, and the magazine cost shall be paid out of the general fund.

MAGAZINE COMMITTEE DUTIES (2012)

The Magazine Management Committee was set up by the Board of Directors in 1964 (when Nicky Bissell was elected Editor) to guide and assist in directing the activities and articles of "The American Brittany" magazine. The committee (at that time) as set up as a three-member committee on a rotating basis with one member to be changed each year.

The Board of Directors in 1973 authorized the appointment of a new Magazine Management Committee to work out a program for the magazine management following the guidelines in the report submitted by John Lee to be modified to meet existing conditions. The remaining applicable guideline being that the magazine is directly responsible to the ABC Board through an appointed Magazine Management Committee with any major policy change in the magazine being approved in advance by the Board of Directors.

The Board changed the name of the Magazine Management Committee to the Magazine Advisory Committee and authorized its composition of a show person, field person, financial advisor, attorney, ABC President, Executive Secretary, Membership Data Chairperson and someone in advertising or printing with the Magazine to use the committee in an advisory capacity according to the member's particular field, provided that if a policy question arises, the question be referred to the entire committee for a decision. (1981)

In 1984 the Committee reverted again to a Management Committee with the same make –up as above.

In 1986 the Committee reverted to the Magazine Advisory Committee.

In 2010 the Magazine Committee was redesigned to include members from different areas of interest within the Brittany community to operate monthly as a whole editorial unit. In the absence of a current Managing Editor, Magazine Committee will oversee the duties of the "Managing Editor." The Magazine Chairman will be the final authority on any disputes that may arise during the proofreading process, or complaints lodged as result of same. (2012)

3. Disputes that cannot be solved by the members of this committee would be sent to the President for final decision. (2001) (2012)
4. The Magazine Committee will proofread the monthly copy of magazine provided by the Publisher/Printer in advance of final printing in a timely manner so that the Magazine can be mailed to the membership by the first of the month. 9. Auction for the National Horseback & Walking Open and Amateur Gun Dog Championships shall be structured the same as the auction at Booneville at the fall National Championships, including proceeds handled in a like manner: **(25% to respective grounds funds)**. 20% of the Calcutta money shall go toward expenses incurred in putting on the National Open and Amateur Gun Dog Championships. (2001)
10. The National Specialty Show, the National Gun Dog Championships, and the National Championships (All Age), shall hold their own raffle/fund raiser, thereby, allowing people to support the event/venue of their choice. Each event will be in charge of organizing their own raffle if they choose to have one which will be run under the guidelines set forth in the Policy Notebook/National Fund-Raising Committee. There will be an overall chair of the National Fund Raising with three on-site coordinators appointed to oversee the raffle/fund raising for the three separate venues. (2011) (2013) (2014)
11. Money allocated by ABC to each of the venues as "seed money" for fund raising was set forth as approved by the Board of Directors (2013), (See Appendix 1), for each the National Gun Dog Championships and National All Age Championships and for the National Specialty Show. (2011)

PROGRAM DIRECTOR DUTIES FOR ACTIVITIES AT THE ALL AGE/GUN DOG NATIONALS

1. The program director for activities at the nationals is in charge of planning programs for the evening meetings such as slide presentations, movies, panel discussions, parties, etc.
2. Each chairman shall keep a file of the activities of the year to pass on to the next succeeding chairman. The file shall be handed to the President at the nationals to be passed to the next appointee. If such a file is not received, check with the last chairman. If no file is available, start one.
3. Submit a report of your activities and recommendations to the Agenda Chairman in advance of the annual Board meeting. This must be done far enough in advance so the Agenda Chairman can have the agenda in the hands of the directors six (6) weeks prior to the annual Board meeting. (1992)
4. Arrange for a room for the Board of Directors meeting - facilities requiring seating for nineteen (19) around main table, with "plug-ins" for two tape recorders, and seating room for approximately (20) spectators.
5. Arrange for a room for the meeting of the general membership - banquet facilities seating approximately one hundred fifty (150) persons.

GUIDELINES FOR NATIONALS SPENDING

MARSHAL: The course marshal is paid for his or her horse. (1995)

REPORTERS: National Reporters shall be paid for the field report (See Appendix 1) once their report is received for publication. Reporters may also request to be paid travel expenses (See Appendix 1) to and from the trial and/or paid for their horse usage (See Appendix 1) on the days they ride as the Official Reporter. Total paid to a reporter is set by the Board of Directors (See Appendix 1). (2014)

JUDGE: Both field and show judges should be paid travel expense to and from the trial. It has always been the judge's decision as to method of travel with the club picking up air fare or if they drove giving them the option of reimbursement of actual expense (gas, lodging, meals) or mileage, as approved by the Board of Directors (2013) (See Appendix 1). Some show judges set a flat rate that covers travel as well as the fee. Limits probably should not be set here if we are to have quality people; it must be left to the discretion, judgment and/or common sense of the Officer in charge of securing these people. The wives should be included in all cases EXCEPT for travel on a public carrier (airline). Expenses normally are from the day before the start to the morning following completion of their assignment. Occasionally a judge will stay over an extra day, but they will, as a rule, pick up that on their own but not make a big deal out of it if they didn't.

STAKES MANAGER, FIELD TRIAL SECRETARY, FIRST VICE PRESIDENT, SECOND VICE PRESIDENT, AND FOURTH VICE PRESIDENT:

These all fall into the same category -- They should be left to the various individuals for reimbursement. In the past they have all been reimbursed for out-of-pocket expenses if they have requested it. Printing, postage, telephone are the basic expenses these remarks mean, no personal expenses. Depending on where the trial is, there's liable to be some unusual expenses on site, for example, gas for the people wagon, maybe supplies to repair it, corral repairs, pump repairs, etc.

APPROVALS: The 1st/3rd/4th Vice Presidents must approve all expenses submitted and may bring them to the attention of the President before payment by the Treasurer.

ANNUAL BUDGET: The 1st Vice President and the 3rd Vice President and 4th Vice President shall submit an annual budget to the Board for consideration and approval at the annual meeting for the next annual event.

NATIONAL CHAMPIONSHIPS YEARBOOK

The original purpose of the National Championships Yearbook was to show-case the National Championship Stake. It was put out by individual members in 1975 and 1976. The ABC was petitioned to assume responsibility for it at the 1976 Board meeting. In 1977 it was printed as an ABC publication.

The publication has since evolved to include a thumb-nail history of all ABC events. This annual periodical has also included the show catalog since 1977.

The President, per ABC policy, is ex-officio to all Committees and the 1st, 3rd and 4th Vice Presidents also with vote to "...any committee dealing with the affairs of such office." This includes the Nationals program. The above officers, along with the Treasurer counseling on financial details, should be party to all deliberations and decisions of the appointed members of the committee.

The Chairman shall make a standard committee report annually to the membership and the Board of Directors, setting forth the general function of the committee, changes in policy recommended, etc.
(See Agenda section)

The committee and members ex-officio shall have the authority for format and content of such program, fee schedule for all advertising, and individual edition sales price.

One copy of the Yearbook per full page ad purchased may be forwarded without charge to each advertiser in that year's edition. Copies will be furnished to the ABC archives, Executive Secretary, Editor of "The American Brittany" magazine and Program Editor. (2008)

Full page black and white ads shall be offered to all official Sponsors of the ABC Nationals, the Wrangler, and the Cover Artist for the Yearbook. Companies or individuals donating an amount, as approved by the Board of Directors (2013), (See Appendix 1), worth of goods to the National events may be offered a half-page black and white ad in the Yearbook at no cost, and those donating a larger amount, as approved by the Board of Directors (2013), (See Appendix 1), or more may be offered a full-page black & white ad.

The distribution and sales shall be as follows: On the first day of the Nationals, prior to commencement of the drawing, if possible, all printed copies (less that to be provided each paid advertiser without charge), shall be delivered to the site headquarters for the National All Age Championships. Sufficient copies shall be made available for sale at the National Specialty Show site where it is the responsibility of the Show Chairman, Show Secretary, or their designates to distribute and sell copies of the Yearbook and record the number of sales. All other sales and distribution shall be the responsibility of the Yearbook Chairman, ABC Secretary or their designate. Appropriate records shall be maintained and all receipts for printing and related expenses delivered to the ABC Treasurer. (1979) (2008)

TROPHY CO-CHAIRS DUTIES

1. A committee may be selected by the chairman to cover as many regions as possible. There will not be a need for an active committee unless the chairman wants them to help get donations for trophies.
2. Co-chairs are appointed by the President. One for show and one for field with each being responsible for raising funds for their event's trophies while working in coordination of placement of advertising in the magazine and US Postal Service mailings to clubs. A list of last years' donors is in the catalogue or published in magazine. The Board of Directors has expressed the wish that those who desire to donate be allowed to but that a hard sell campaign should not be carried on.
3. Each co-chair will be responsible for contacting all winners of rotating trophies and get them back for the nationals. If the trophies need repairing, have it done. (2012)
4. The trophy co-chairs shall be appointed for a term of two (2) years. (1979)

5. Requests for donation of Garmin/ Tri-Tronics collar(s) for winning handlers in Open and Amateur Championships should be directed to the Executive Secretary to avoid multiple requests. (2014)
6. Keep a file and pass it on to the President at the close of the Nationals.
7. Submit a report of activities and recommendations to the Agenda Chairman in advance of the annual Board Meeting. This must be done far enough in advance so the Agenda Chairman can have the agenda in the hands of the Directors six (6) weeks prior to the annual meeting. (1992)
8. CAUTION: Sometimes members want to donate original trophies to the ABC to be awarded at Nationals. These CANNOT be accepted by the ABC without Board approval.
9. The National Trophy Co-Chairs are the only persons authorized to advertise for trophy donations. (Start advertising as early as February, alternating months – February, March, June, August, and September. An additional ad could be placed in the October issue to serve as a last reminder for donations). With the early advertisement, the Gun Dog Championship could benefit as well as eliminate excessive advertising, have equitable advertising for all events, and avoid confusion. (1997)

In 1989 the Board recommended that the President appoint a committee to look into the possibility of awarding a miniature iron dog to the winner of National Amateur All Age Championship with BAS Relief Plaques of the iron dog to be awarded for second, third and fourth places. During 1990 the Chairperson and Committee were able to get the miniature iron (bronze) dog and BAS relief trophies within financial limits as the last few years.

It was decided to use the miniature bronze dog for both Open and Amateur Championship winners and the BAS relief for Second, Third and Fourth in both Championships. These were well received. At the 1990 Board Meeting, it was passed that the new bronze dog and BAS plaques be used in the National Open, National Amateur and National Open and Amateur Gun Dog Championships.

The Board approved a trophy offered by Jordean Kennels for competition at the National Specialty Show only, the Dennis P. Jordan, D.V.M. Memorial Trophy to be awarded at the National Specialty Show each year to the Best of Breed winner. For permanent possession, it must be won three (3) times by the same owner, not necessarily with the same dog, nor at consecutive shows. The name of the winning dog will be engraved on the trophy. The trophy will be maintained by the current recipient until the next year's specialty.

ORIGINAL ABC GAME BIRD/GUNDOG CLASSICS/ CHAMPIONSHIPS

(2006) (2013) (2014)

SECTION 1: WHAT THEY ARE AND HOW THEY ARE ESTABLISHED (2001) (2005) (2013)

The Classics/ Championships are trials of national stature and prestige, ranking just below The American Brittany Club's Open and Amateur Championships. They were established to allow various regions of the United States to hold prestige trials and for all the devotees of particular game birds to demonstrate the proficiency of their Brittanys on these different birds. Originally, the events were run as just AKC Classics. In 2013, AKC offered the GRAND stake designation for 1-hour limited stakes:

- 1.) Grand Open Limited Gun Dog
- 2.) Grand Amateur Limited Gun Dog
- 3.) Grand Open Limited All Age
- 4.) Grand Amateur Limited All Age

A Classic/ Championship for any certain game bird should be established only where that is the predominant species normally found and hunted as the principal upland game bird in the area. There will be a sponsoring club responsible for sending results and write-ups to the ABC Statistician. After 20 days, a penalty, as approved by the Board of Directors (2013), (See Appendix 1) plus a daily fee, as approved by the Board of Directors (2013), (See Appendix 1), will be assessed the sponsoring club. Other clubs may assist in the Classic/ Championship, but one club will be held accountable for the Regional Futurities and Classics/ Championship. Two or three local Brittany clubs interested in supporting a particular Classic/ Championship may do so, to:

1. Assure the host club of having a sufficient number of entries and attendance to hold a trial of national stature and prestige.
2. Permit rotation of the classic/championship among several interested clubs, each taking its own turn if properly qualified.
3. Any requests for Garmin Collars for winning handlers must go through the ABC Classic Committee Chair who will order collars for all Gamebird Classics/Championships and National All Age & Gun Dog Championships from The Garmin Company to avoid multiple requests.
4. ABC Classic Committee Chair will notify Purina Coordinator of Host Clubs and the dates.

Every effort should be made to encourage and secure widespread participation to make the classic/championship representative of the nation's best Brittanys.

It should be always remembered that the classics/championships are stakes of high caliber having national prestige and those responsible for the running of these stakes should conduct them in keeping with these ideals.

APPROVED CLASSICS/ CHAMPIONSHIPS (2014)

Pheasant	Prairie Chicken
Quail	Gun Dog
Chukar	Grouse-Woodcock

All these stakes will be AKC Open Limited stakes offering Grand Championship points. (2014)

The ABC shall be assured that there are sufficient numbers of native birds of the named species on the grounds to allow for proper running of the continuous courses. Native birds may, however, be supplemented with released birds in such an approved manner as to reasonably assure birds on every course and in as natural a condition as possible. There shall be sufficient horses, housing, and other facilities to assure the success of the classic/championship.

PLACEMENTS

TROPHIES

1. Each ABC Classic/ Championship has its own non-retiring rotating winner's trophy. The ABC Classic/ Championship trophies shall be housed in the Bird Dog Hall of Fame. The ABC shall carry insurance on the rotating trophies and be responsible for keeping them in good repair.
2. In addition to the rotating trophy there should be individual trophies and rosettes for permanent award to each dog placed. Trophies should bear the official ABC Logo Medallion; which medallions may be purchased through The ABC Executive Secretary. Trophies should be suitably engraved.
3. Cash prizes are prohibited.

GENERAL INFORMATION FOR RUNNING THE EVENT

1. The ABC shall assist in all possible ways to assure a successful Classic/ Championship. Advertising shall be carried free of charge in "The American Brittany" magazine. Pre-trial articles shall be published if submitted by the host club. A feature report of the trial shall be carried in the magazine along with free pictures. This cost will be borne by the host club as a trial expense.
2. All expenses not already specifically mentioned will be borne by the host club. Any profit that is realized shall go to the host club. Losses, if any are incurred, must be met by the host club. It is felt that this shall serve as an encouragement to the host club to sponsor a successful trial.
3. Each host club should keep a full and complete record of all items of income and expense in the conduct of the Classic/ Championship and copies should be furnished the Classic/ Championship committee chairman and the Executive Secretary for the files. The purpose of this is for the host clubs to aid one another by the free exchange of information on subjects such as financial problems, to help guide the Classic/ Championship committee in its decisions and to make a fund of information available for the benefit of new host clubs. It is hoped that this will not be objectionable to any host club.
4. As an aid toward building the Classic/ Championship to its desired stature, a souvenir program should be prepared. This should list the name of each entry, its breeding, owner and handler with other general pertinent information about the dogs or the Classic/ Championship. This program should be commensurate with the ability of the host club to finance and produce it, but not a burden on any club. Suggested means of financing include the sale of advertising, sale of the program itself or by allocation of a portion of the general trial budget.
5. For the further benefit of other host clubs and the Classic/ Championship premium lists, programs and the like should be included in the report sent to the Classic/ Championship committee chairman and the Statistician following completion of the Classic/ Championship. It is hoped each host club shall cooperate for the improvement of future Classics/ Champions.
6. The completed AKC Judges' Questionnaire for the Classics/ Championships should be copied and sent to the ABC Executive Secretary for the Club files.

7. In filling out the Classic/ Championship application include the name of the potential host club and field trial grounds to the Classic/ Championship committee. The committee represents the various regions and, in many cases, may not be familiar with all host clubs and their grounds.
8. Horseback handling is optional in all Classics/ Championships.
9. Be sure to inform the Classic/ Championship committee chairman when the field trial plans are completed. Similarly, an article describing plans should be submitted to "The American Brittany" magazine.
10. If any difficulty concerning trial dates, conflicts and such develops, the regional Classic/ Championship committee's representative or the chairman is prepared to help clear dates with the field trial dates committee.
11. At the 1997 Board of Directors Meeting, the Board voted to set a deadline on the length of time taken by the sponsoring club to get the results and the write-up to the ABC Executive Secretary. After 20 days, a penalty, as approved by the Board of Directors (2013), (See Appendix 1), plus a daily fee, as approved by the Board of Directors (2013), (See Appendix 1), after 20 days will be assessed the sponsoring club.
12. **Be sure and include sponsor logos in advertising and acknowledge sponsors in trial write-ups.** Only dog food sponsors are allowed on AKC premium lists. See page 26 of policy book. Contact the ABC Executive Secretary or ABC Webmaster for sponsor information and/or logos.

SECTION 2: ABC REGIONAL CLASSIC/CHAMPIONSHIPS

GUIDELINES FOR HOSTING AN ABC REGIONAL CLASSIC/CHAMPIONSHIP

1. Clubs must first be approved by the ABC Board of Directors to host an ABC Regional Classic/**Championship**. (One-time approval) (This does not apply to clubs hosting the ABC Chicken, Pheasant, Quail, Gun Dog, Chukar, or Grouse/Woodcock Classic/**Championships** who are approved by the Classics' Committee.
2. Dates should also be approved by the Regional Dates Coordinator in the region where the event is held and listed on their date schedule.
3. Fill out the AKC Field Trial Application and mail to the ABC Executive Secretary four (4) months prior to the Event (application is due to the AKC 90 days prior to the event to avoid penalties.www.theamericanbrittanyclub.org/forms/AKCFieldTrialApplication.doc)
 - A. The name of the club should be listed as The American Brittany Club
 - B. Event Type: Field Trial Classic
 - C. Under Officers of the Club, list the officers of The American Brittany Club and not your club's officers. ABC is the sponsor, you are the host. (ABC Secretary is now titled "Executive Secretary")
 - D. Under AKC, this is a Classic and not a Championship. In the blank for stakes, you should list the name and type of stake. For example: The Illinois Brittany All Age Championship would be listed as Illinois Brittany OAA or AAA or OLAA or ALAA Classic. AKC uses the term Gun Dog, not Shooting Dog so list those stakes as the name Michigan OGD, or OLGD, or AGD or ALGD Stake.

- E. On page 3, under the stakes, the signature of the ABC Executive Secretary is required, not your club secretary. Leave that blank.
- F. Page 4: Judges must have an AKC number, but AKC will probably require them to take an Open Book test if they do not already have an AKC number.
- G. Fill out the Disaster Plan and leave the club officer signature blank.
- H. Send completed AKC application to ABC Executive Secretary for Approval & Signature along with a check in an amount as approved by the Board of Directors (2013), (See Appendix 1), to ABC. The Executive Secretary will in turn send an ABC check to AKC along with the signed application.

4. AKC Premium:

- A. Do not send out premiums until your event is approved by AKC. You must receive two (2) letters of approval from AKC. One approves the event date and the other approves your judges. YOU MUST HAVE BOTH BEFORE YOU CAN BE CONSIDERED APPROVED BY AKC.
- B. Sample Classic premium may be found at:
www.theamericanbrittantclub.org/Premiums/ABCClassicPremium.Example.doc
- C. Send AKC and ABC a premium when you mail them. AKC will fine you if you fail to do so.
- D. Entry blanks and entry fees should be received by the Field Trial Secretary before being drawn in an ABC Classic.

5. “ABC”Ad:

- A. You must send an ad 45 days in advance to the **American Brittany magazine** where you still list ABC as the sponsor and your club as host. Ads should use the term Classic/Championship.

AFTER THE EVENT

- A. Fill in the ABC trial report form.
www.theamericanbrittantclub.org/forms/FieldTrialReportForm.doc

This form will be sent to ABC, and AKC, (You may want to adjust the use of Classic or Championship name depending on which organization you are sending the form.)

- B. Send AKC the per-individual dog entered fee, as approved by the AKC (2013), (See Appendix 1) and ABC Statistician, the per starter fee, as approved by the Board of Directors (2013), (See Appendix 1), along with the reporting form and AKC Secretary’s page.
www.theamericanbrittantclub.org/forms/AKCFieldTrialSecretaryReport.pdf

- C. Results must reach AKC within seven (7) days. Results must be postmarked to ABC within ten (10) days. Failure to do so will result in fines from both AKC & ABC.

Please contact the ABC Executive Secretary if you have questions or concerns about filing your paperwork with AKC, ABC, American Brittany Club and all our national events or classics. (2006)

AMERICAN BRITTANY CLUB FUTURITY (2016)

History and Overview

The American Brittany Club Futurities are Field Stakes and Shows established in the late 1940's to showcase the breeding programs of Brittany breeders throughout the country; and designed to encourage and reward the Brittanys who are promising representatives of the breed in conformation and in the field. Such recognition is important to the breed for continued breed improvement. At its core, the Futurity is a Breeders Stake and seeks to highlight and reward the breeders who are the backbone of our Breed, as well as the owners. This will be accomplished through the awarding of a cash purse derived from both nominating fees and forfeits.

Brittany dams and their litters are nominated by their breeder within 60 days of whelping. The nominating breeder must be a full member of the ABC and sign the litter nomination form. All breeder purse winnings will be paid to this nominating breeder. Litter nominations are accepted up until 6 months after whelping, but late fees apply. The nomination application is available in the American Brittany Magazine, and can also be downloaded from the ABC website. Puppies from a nominated litter are then eligible to compete in the Field and Show Futurities held in the year that they turn 2 years old, provided a final forfeit fee has been paid by the owner. **The owner must be a current full member of the ABC at the time of the Sectional Futurity competition.**

Example: A puppy born in 2015 would be eligible to compete in 2017.

The Futurity Secretary will supply Breeders with the paperwork and instructions for the new puppy owners so that they can pay the Final Forfeit. It is the breeder's responsibility to ensure that owners receive this paperwork before the October 1st deadline of the Final Forfeit. Final forfeits are accepted until December 31st, but late fees apply.

Owners will have the option of competing in 1, 2, or all 3 Sectional Futurities (Eastern, Central & Western). Once the final forfeit(s) have been paid, the Futurity Secretary will mail a premium containing the entry form for the appropriate Sectional Futurity Field/Show events.

The standards for both the field and show events are established by the ABC Futurity Committee and approved by the ABC Board of Directors.

An official application form must be submitted to either the Futurity Secretary or the Futurity Chairman.

Request should be made as early as possible, preferably at least a year in advance so that prospective participants can plan their travel schedules. The Futurity Chair will review the application and distribute to the ABC Futurity Committee for discussion.

Forms necessary for participation in the Futurity will be available on the ABC Website.

The trial must be planned with the following in mind and each decision must be made with the thought of what will make the best trial and show for the most people in the area.

Procedures

ABC splits 50/50 on the profits made by Sectional clubs hosting the ABC Futurities. ABC will absorb reasonable losses based on the Expenses guideline. The Futurity Chairman must approve expenditures prior to final settlement with each Sectional host clubs. Final settlement with Sectional host clubs will not be forwarded by the ABC Treasurer until all write ups, pictures, and expense documentation have been received and approved. NOTE: If the host club incurs a loss, the ABC Futurity Committee reserves the right to disallow some expenses or require more documentation. Examples of expenses that might be disallowed if an event operates at a loss: excessive food expenses not offset by food income, hospitality, etc.

Nominal costs of running a trial and show within the entry fees are acceptable expenses.

Sectional host clubs must provide their own insurance.

The futurity entry fee monies are to be mailed to the ABC Treasurer at the closing of entries for the event.

Since this is not an AKC event there are no AKC event fees. Each Sectional Futurity is allowed one black & white ad in "The American Brittany" to promote their Futurity at no-charge.

Upon receipt of the marked catalog, the Futurity Secretary shall send a listing of money amounts and recipients to the Futurity Chair for approval. This information will then be sent to the ABC Treasurer. The purse shall be figured by the ABC Treasurer. Checks shall be made out for the correct amounts to the Nominating Breeder designated on the Litter Nomination and the Primary Owner designated on the Final Forfeit. Purse checks will be mailed by the Treasurer with win letters provided by the Futurity Secretary, after results are received by the Futurity Chairman and verified for eligibility. In a case where the recipient of the award cannot be located, the award shall revert to the ABC Futurity program. The ABC Treasurer shall pay for Futurity expenses billed directly to ABC, (such as trophies, judges' gifts, etc.)

All purse winnings are made to the NOMINATING BREEDER AND PRIMARY OWNER as declared on the Futurity Litter Nomination and Final Forfeit.

Host club(s) should prepare a proposed budget and submit it to the Futurity Chairman for approval. **Remember to strive to make the trial and show worthy of the classification of a National ABC event, while staying cautious of your budget.**

The Section Manager and Section Secretary are eligible to compete in the event as are dogs they bred or co-own. However, if they plan on competing, they should not be involved with the selection or hiring of the judges for the show and/or field depending on which venues they will be competing in.

After twenty (20) days, a penalty, as determined by the Board of Directors (See Appendix 1) will be assessed the sponsoring club. Other clubs may assist, but one club will be held accountable for each sectional futurity.

FUTURITY BUDGET

Sectional Host Clubs must run the Futurity trial and show from the entry fees received. The budget shall be based on the current fees established by the Board of Directors for each field entry and each show entry. *(It is recommended to estimate the amount by taking 60-70% of the number of those who pay the Final forfeit. This shall be supplied by the Futurity Secretary after the forfeit deadline.)* The Futurity Secretary will provide the Sectional Futurity host clubs with previous year futurity budgets to use as a guide for budget planning.

Premium printing/ mailing costs, judge's gifts and trophies cost are to be paid for by the ABC **but** will be included as expenses in the final settlement.

The sectional host club shall submit a claim for the expenses to the ABC Treasurer for reimbursement. Major expenses such as Judges Expenses, Grounds and show site rental, horse rental for Judges, birds, etc. must be documented by a receipt or other appropriate documentation.

FUTURITY EXPENSES

Both field and show judges should be paid travel expenses to and from the futurity, if the budget will allow. It has always been the judge's decision as to method of travel with the club picking up airfare or if driving; give them the option of reimbursement of actual expense (gas, lodging, and per diem for meals) or a flat fee. Some show judges set a flat rate that covers travel as well as the fee. If the field or show judges selected are on the grounds to judge or compete at the sectional trial or show, before or after the futurity, travel and judges expenses should be pro-rated. It is recommended that the club have a written agreement with judges (both show & field) outlining their estimated expenses and establishing the maximum amount allowable.

Section manager, show and field trial secretaries all fall into the same category. They should be left to the various individuals for reimbursement. They may be reimbursed for out-of-pocket expenses if they request it. No personal expenses. All expenses must have receipts.

FUTURITY DATES

The futurities are to be held during the spring season, just before or after a regional trial. Both field events (all age and gun dog) will be offered. They may be run simultaneously or to follow at the host clubs' discretion. They cannot conflict with the Futurity Show. It should be kept in mind that some amateur handlers involved may find a mid-week competition difficult.

The choice of dates should hinge on the time the best grounds can be obtained, the optimum conditions for trialing and the time that will draw the best entry. Dates for the futurities are subject to approval of the Futurity Committee after they are cleared by the Regional Dates Coordinator and then the National Dates Coordinator.

GROUNDS

The locations should be as well distributed as possible. The Eastern futurity includes the east coast and east central regions. The Central is for central and Midwest regions. And the Western for the west coast regions. It is not advisable to have the eastern on the west side of the area the same year the central is held on the east edge of their territory.

Native birds should be available enough to allow for proper running of continuous courses, if possible. They may be supplemented with released birds in such an approved manner as to reasonably ensure birds on every course and in as natural a condition as possible. Birds cannot be hobbled or shackled. Should the bird population prove too low for proper judging, a second series with planted birds may be run at the discretion of the judges.

See duties of the Futurity Chairman and Section Manager for procedures for obtaining and approving grounds.

JUDGES SELECTION

Judges should be carefully selected, and the choice made of top judges that the Sectional Host Club's budget will allow. The "Standard of Performance for Brittany Futurity" must be sent to the selected judges for the sectional futurity (field & show) at least a month prior to the event, and the dogs should be judged according to those criteria. **Judges should be those who recognize a class dog, because in this event dogs with future potential to improve the breed should be selected.** A judge may not officiate in more than one sectional futurity, field and/or show in the same year. If qualified, the same judge may be used for the field and show event.

**No judge should have an interest by virtue of ownership, co-ownership, of sire, dam, immediate siblings, any dogs that are eligible to compete, (or an involved stud) in a futurity event that they are asked to judge. Breeders of eligible litters may not be selected. Individuals and/or handlers may not run/show a dog under a judge whom they have had trained and or/handled by that particular judge before the futurity event. For all other questions of eligibility, the ABC rules apply. The choice of judges must be approved by the Futurity Committee. If the judges selected are also on the grounds to judge the regional trial before or after the futurity, travel expenses should be prorated. Every effort must be made to have receipts for reimbursed expenses.

Since the final choice of judges must be approved by the Futurity Committee, the host club must submit a list of prospective judges to the Futurity Chairman before asking that judge for a commitment.

*It is preferable to have separate judges for All Age and Gun Dog field events; however, in the case of very few entries and limited entry fees to pay expenses, the same judges may judge both the All Age and Gun Dog Field Events.

STANDARDS OF PERFORMANCE FOR THE ABC FUTURITIES

The ABC Futurities, Field and Show are run under the rules of the American Brittany Club Futurity Program and shall be judged on the Standard of Performance adopted by the ABC Board of Directors.

THE JUDGING OF THE ABC FIELD FUTURITY

ABC Futurity Field stakes (All-Age and Gun Dog) are run under the rules of the American Brittany Club Futurity Program. There should be four money placements awarded in each stake. Braces should be 30 minutes, and it is at

the judges' discretion if a second series or callbacks are needed. Placements should be awarded to the "Best Dogs" in the stake. Finding birds on the course should be a primary objective, however as these field events are conducted under rules of the ABC Futurity, a placement without bird work on the course is permissible. The decisions of the judges shall be final in all matters relating to the field trial performance of all the dogs.

ALL- AGE (Optional Horseback)

All-Age futurity dogs shall be judged as to their potential for developing into Champion All Age Brittanys. The All-Age dog is a free spirit and fills up all the available country (plus a little more) in a bold and sometimes reckless manner, yet ultimately acknowledges the control exerted by his handler and courses to the front in such a pattern as to maintain periodic suitable contact with the handler. The judges should examine the total performance of the dog with range being kept foremost in mind. Range is the essential ingredient of an All-Age dog and it should take precedence over and not be compromised for a shorter performance no matter how immaculate the bird work of the latter. The dog must respond to the handler but shall not be penalized for being more independent than an adult dog. A dog that handles at the extreme edges of the course shall be preferred over one that needs a scout to keep him on course, but both shall be preferred over a dog that does not have sufficient range for an All-Age dog. The All-Age dog shall hunt the forward limits of the course with intelligence, eagerness, and desire with the obvious intention of finding birds. When birds are located, the dog should point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence in finding and pointing birds in an unfinished All-Age manner.

GUN DOG (Foot Handled Only/Scout Optional Horseback)

Gun Dog futurity dogs shall be judged as to their potential for developing into Champion Gun Dog Brittanys. They shall exhibit a keen desire to hunt, a bold attractive style, intelligence in seeking objectives, eagerness and desire with the obvious intention of finding birds. When birds are located, the dog should point birds staunchly and with style. No extra credit shall be given for steadiness to wing and shot, but they shall be judged for their intelligence and consistency of application in finding and pointing birds in an unfinished Gun Dog manner, indicating their future potential as a high-class Gun Dog. Throughout the brace, a Gun Dog must adjust his pace and range to prevailing cover conditions. When the cover is heavy and tight, he will naturally hunt closer. When the cover "opens up" he should naturally adjust to the opportunity to hunt more distant, inviting objectives that may be productive. Natural adaptability is the mark of a superb bird dog, and excessive calling or hacking by the handler to accomplish satisfactory ranging - either closer or wider - is detracting from the dog's performance. The dog must cover adequate ground but should never range out of sight for a length of time that would detract from its usefulness as a class Gun Dog.

FUTURITY TRIAL PROCEDURE

The stakes are not recognized by the AKC but are run under the ABC. It shall be judged on the "Standard of performance" adopted by the ABC Board of Directors. Braces shall be ½ hour; if a second series is necessary, it is at the judges' discretion as to the length of time and the use of wild or planted birds. Since this is not an AKC event, the five minutes out of judgment rule does not have to be applied, and the judges so advised.

The drawing may be conducted as a straight from the hat procedure if you desire with the following exceptions. All bitches in heat should be declared before the drawing. The rest of the field is drawn and then the bitches in heat are drawn. If an uneven number should require that the first bitch be run with the last dog from the regular draw, and such dog is a male, that male shall be switched with the last female in the regular draw. If this should result in handler conflict the next to the last female in the regular draw shall be switched instead, etc.

In the case of scratches, the field trial committee shall determine and announce before the running whether dogs shall be run alone or moved down to the next incomplete brace. In the case of bitches that come in heat after the

stake has commenced, they shall be dropped down to the last brace. In case of any places being withheld, the money awards for those places shall revert to The ABC's general fund.

There shall be four places awarded. Placements should be awarded to the "BEST DOGS" in the stake. Finding birds on the course should be primary concern, however as these field events are conducted under rules of the AKC.

FUTURITY REPORTERS

The reporter for each field stake may be someone who is running a dog in that particular stake and must ride every brace. It is recommended that at the conclusion of the running of the field events, each stake reporter confers with both judges, if needed, to have an accurate account of what the judges observed during that event. It is preferred that the reporter is secured prior to the event's running. Reporters may be paid a flat fee, as approved by the Board of Directors (See Appendix 1), per stake for their report. This is at the discretion of the host club.

BRACING

The closing date and the date of the drawing will be listed on the premium for each Sectional Futurity. In case of scratches after the drawing, the field trial committee shall determine and announce before the running whether dogs shall be run alone or moved down to the next incomplete brace. All stakes should be so arranged that if at all possible, no more than one bye dog is drawn or run.

In the case of bitches in season: A bitch is not declared in season until the day it is scheduled to run. The bitch must be inspected by the field trial committee designee (typically an on-site vet) the morning it is scheduled to run, to be determined if it is in season. If it is declared in season, then it is dropped to the bottom of the running order and either paired with a bitch or run as a bye dog if no open brace exists.

BLANK PISTOL

The use of firearms is permitted in accordance with AKC guidelines.

TRACKING COLLARS

The use of tracking collars is permitted in accordance with AKC guidelines.

THE JUDGING OF THE ABC SHOW FUTURITY

Show classes shall be divided by sex, and there are three groups of classes: Senior (dogs whelped January - April), Intermediate (dogs whelped May - August), and Junior (dogs whelped September - December). There are 6 money placements awarded at the Futurity Show. The top 3 males and top 3 females are awarded First Money, Second Money, and Third Money in that order. First Money Male and First Money Female then compete for Best in Futurity and Best of Opposite Sex in Futurity. Equal consideration is to be given to each of the classes regarding money placements, and then for Best in Futurity and Best of Opposite in Futurity realizing that the more youthful dogs will be less mature and provided those points of immaturity are normal and appropriate for the breed at that time in development, they should not be penalized. Judges are not to anticipate what the dogs will look like in the future. Instead they are asked to judge the Futurity to the best of their ability, following the current published American Brittany breed standard, EXCEPT no dogs are to be measured at the Futurity Show. The judge should be instructed not to penalize dogs for being in field condition as many of the entries are entered in both the field and the show events. The decision of the judge is final in all matters pertaining to the show procedure and presentation of all dogs.

GENERAL PROCEDURES FOR THE FUTURITY SHOW

The AKC rules for Dog Shows applies to the Futurity events unless contrary to the provisions of the ABC Futurity program.

The Futurity Show Judge is to be familiar with the AKC Brittany standard. It is recommended, but not required, that the judge should have attended the ABC Judges Education seminar within the last 5 years.

JUNIOR SHOWMANSHIP - TOP TEN

The point system for Junior Showmanship is based on one (1) point for each Junior Handler that is beaten in competition. It is not necessary to win your class or go BEST JUNIOR HANDLER to accumulate points. (Examples: You place first in a class of 12, you get 11 points. You place fourth in a class of 10, you get 6 points. You go Best Junior Handler with a total of 23 entries, you get 22 points).

There are two traveling trophies. One trophy is held by the Junior Handler who accumulates the most points overall. The second trophy is held by the Junior Handler who is awarded the most BEST JUNIOR HANDLER awards. In order for a Junior Handler to get credit for a BEST JUNIOR HANDLER award, there must be competition. It is possible for the same Junior Handler to win both awards.

The calculating year runs from July 1 of one year to June 30 of the next year. Information is obtained from the AKC Gazette Awards. After verification, certificates are made for the overall TOP TEN Junior Handlers. The trophies are retrieved from the former winners for engraving and are sent to the current winners. We try to give as many awards as possible at the National Specialty Show based on who is entered at the show. The winning Junior Handlers are offered the opportunity to write a short article for the "American Brittany" magazine.

A raffle item at the National Specialty Show helps to raise the funds to help defray the costs of the program.

THE JUNIOR SHOWMANSHIP STATISTICIAN DUTIES

1. Compile the records on a monthly basis from the AKC Gazette Awards.
2. Verify the information with the top Junior Handlers.
3. Prepare the certificates and have the trophies engraved after retrieving them from the previous winners. See that the winning Junior Handlers receive their certificates and trophies.
4. Prepare a winner's chart for publication in the "American Brittany" magazine.
5. Maintain a current mailing list with birth dates, so the Junior Handlers will receive a premium to participate in the National Specialty Show.
6. If birth dates are available, send a birthday card to each Junior Handler on his/her eighteenth birthday with congratulations on a good Junior Handler career and wishing them Best of Luck in future endeavors.

ABC DOG HALL OF FAME

The selection of dogs to the ABC Hall of Fame used to be done by popular vote of the membership. Names were submitted to an Old-timers' committee who made selections based on ability, both in performance and in production records. To be ABC Hall of Fame material, the dog must have made more than just a splash in his local area - his splash should have made ripples that reached over the whole country -- or at least a good part of it. Some wins (or competition) in national events were desirable. Number of times run contrasted to number of wins was also considered. It is important that a ABC Hall of Fame dog has been of benefit to the breed. The number of winning progeny may not be as important as their quality, for instance.

From 1973 until 1975 there were no additions to the Hall of Fame due to a lack of interest in the members of the ABC. DC Doctor Joe of Kaymore 1977 was the last dog selected to the Hall of Fame by popular vote of the membership. In 1978 the Board of Directors adopted a new system for selection to the Hall of Fame. That system was revised at the 1984 Board of Directors annual meeting. The current system has the following rules and procedures:

ABC DOG HALL OF FAME COMMITTEE RULES AND POLICIES

SECTION 1: PURPOSE AND GENERAL CRITERIA

The purpose of the American Brittany Club Hall of Fame shall be to bring recognition and honor to dogs and bitches of the breed which have been outstanding in their contributions to the development and perpetuation of the Brittany in the United States. All nominees shall be animals that knowledgeable breeders will look for in pedigrees when establishing or improving breeding programs, in that they epitomized the dual ideal of the breed, achieved national recognition from Brittany fanciers for their show and trial (field or obedience) abilities through successful competition on a multi- regional or national level, and/or produced a high average of progeny from different sires or dams that were generally acknowledged as being of extraordinary quality.

SECTION 2: COMMITTEE MEMBERSHIP

- 2.1 The ABC Hall of Fame Committee shall be a rotating, standing committee consisting of two (2) persons appointed from each region of the ABC who are active or life members, in good standing, of the ABC and who reside in the region from which they are selected.
- 2.2 The President, 1st Vice President, 3rd Vice President, and statistician shall be members-ex-officio of this committee.
- 2.3 The appointed members of the committee shall be appointed by the President and approved by the Board of Directors. In appointing members to this committee, consideration shall be given to persons who were active in ABC during the time the nominees were alive.
- 2.4 Each appointment of a committee member shall be for a term of five (5) years except in the case of a vacancy in which case the appointment shall be for the period of the unexpired term. The five (5) year terms of two (2) members shall expire each year. Nothing shall prevent a person from serving consecutive terms or from holding any other office while serving on this committee.
- 2.5 Each appointed member and the President shall have one vote in each committee matter requiring a vote. The 1st Vice President, 3rd Vice President, and the statistician shall have no vote.
- 2.6 Each year the President shall designate a chairman from among the appointed members of the committee.

- 2.7 No members or members-ex-officio of the committee shall be eligible to vote in reference to any animal that they, anyone residing in their household or any members of their immediate family (the immediate family as defined in AKC regulations) have bred, owned or campaigned during its lifetime.
- 2.8 It shall be the responsibility of this committee to investigate all nominees to the Hall of Fame and evaluate all information obtained. The committee's investigation shall include direct communication with current or former ABC members of experience and repute in regions of the nominee's origin, ownership and major exhibition.
- 2.8 The Board of Directors, by a two-thirds (2/3) vote, may remove, with or without cause, any appointed member of the committee.
- 2.9 It shall be the duty of the ABC Hall of Fame (Dog) chairperson to furnish the Magazine Chair with a biography to be published in the ABC Magazine of the dog/s elected each year to the ABC Hall of Fame. (2015)

SECTION 3: QUALIFICATIONS FOR NOMINATION

Any Brittany registered with AKC and meeting the general criteria set forth in Section 1 is eligible to be nominated for election to the ABC Hall of Fame during a fifteen (15) year period beginning on the first day of the year following the year of death.

SECTION 4: NOMINATION PROCEDURE

- 4.1 Any member in good standing of the ABC may nominate one (1) or more Brittany's, which qualify for nomination under Section 3, for election to the ABC Hall of Fame by submitting a prescribed nomination form to the executive secretary setting forth the history of the Brittany nominated, his or her extraordinary progeny and the reasons for nomination.
- 4.2 Nomination forms prescribed by the Board of Directors shall be available at all times from the Executive Secretary and published from time to time in "The American Brittany" magazine.
- 4.3 Nominations actually received by the Executive Secretary on or before February 1 of any year, shall be considered by the committee that year for recommendation to the Board of Directors for election to the ABC Hall of Fame. Nominations received by the Executive Secretary after February 1 of any year shall be considered by the committee the next succeeding year for recommendation to the Board of Directors for election to the ABC Hall of Fame.
- 4.4 Once nominated, the dog or bitch shall thereafter be considered by the committee for recommendation to the Board of Directors for election to the ABC Hall of Fame for five (5) consecutive years unless sooner recommended for and elected to the ABC Hall of Fame.
- 4.5 If at the end of said five (5) consecutive years, the dog or bitch has not been recommended for election or has been recommended for election but not elected, the dog or bitch may be re-nominated for another consecutive five (5) year period. If after the second five (5) year period the dog or bitch has not been recommended for election or has been recommended for election but not elected, appeal may be made as permitted by SECTION 7.
- 4.6 The ABC Hall of Fame committee shall report annually to the Board the names of all dogs and bitches submitted for nomination to the ABC Hall of Fame for election.

SECTION 5: PROCEDURE FOR SELECTING NOMINEE FOR RECOMMENDATION TO BOARD OF DIRECTORS

- 5.1 Within fifteen (15) days after the February 1 deadline, the chairman shall provide the statistician with a list of dogs and bitches properly nominated by the February 1 deadline. The statistician shall then compile, for each nominee, the complete record of wins of the nominee and his or her outstanding progeny and also compile lists of the top winners in position of the nominees in relation to other top dogs of the breed. Each member of the committee may request and the statistician shall supply, on a timely basis, such additional information the member has requested and which the statistician has at his or her disposal.
- 5.2 On or before June 15 of each year the chairman shall distribute to the members of the committee a package containing these rules and policies and a list of all nominees together with the information supplied by the statistician and any exceptional factors, pro or con, known by the chairman which may be of benefit to the members in their deliberation.
- 5.3 Each member of the committee shall make an in-depth examination of all nominees and on or before July 15 of each year and shall return to the Chairman a "yes" or "no" vote with respect to each nominee together with any additional information gathered by the member which might be pertinent to the selection of nominees for recommendation to the Board of Directors.
- 5.4 The chairman shall compile the votes and send the results to the members together with a final selection list listing the nominees, not exceeding five (5) Brittanys, no more than three (3) of either sex, receiving the highest number of affirmative votes from a majority of the members and any new or additional information submitted by the members with respect to the nominees on said final selection list.
- 5.5 On or before August 15 of each year each member of the committee shall return to the chairman a "yes" or "no" vote with respect to the nominees on said final selection list and those nominees receiving an affirmative vote from a majority of the members shall be recommended to the Board of Directors for election to the ABC Hall of Fame.

SECTION 6: ELECTION BY BOARD OF DIRECTORS

- 6.1 All recommendations by the committee for election to the ABC Hall of Fame, in any year, shall be presented to that annual meeting of the Board of Directors which first convenes after the February 1 nominated deadline.
- 6.2 A two-thirds (2/3) majority vote by the Board of Directors at which a quorum is present shall be necessary for election of a recommended dog or bitch to the ABC Hall of Fame.

SECTION 7: APPEAL PROCEDURES

- 7.1 If a dog or bitch has been nominated but after the second five (5) consecutive year period of consideration has not been recommended to the Board of Directors for election or has been recommended to the Board of Directors for election but not elected, on or before April 1, of the year following the end of the second fifth year consecutive year, an appeal on behalf of such nominee may be made to the Board of Directors by any member, in good standing, of the ABC.
- 7.2 The appeal shall be made by a petition signed by not less than one hundred (100) active and/or life members, in good standing, of the ABC of which not more than fifty percent (50%) shall reside in any one (1) region of the ABC. At the time of filing the petition there shall be attached to it a statement setting forth the basis of the appeal.

- 7.3 On or before July 1 of the year following the filing of a timely petition, the chairman of the ABC Hall of Fame committee shall prepare a detailed report to be distributed to each director, summarizing the committee's investigation of the animal, along with copies of the nomination, the animal's record as developed by the statistician, and a summary of all information received by the committee from members, upon request or voluntarily.
- 7.4 Not less than thirty (30) days after the filing of said petition, a vote of the Board of Directors shall be taken at a meeting of the Board of Directors called for that purpose by the President or by ballot mailed to each director by the Executive Secretary at the direction of the President.
- 7.5 A two-thirds (2/3) majority vote of the Board of Directors at which a quorum is present or two thirds (2/3) majority vote of seated directors in the event of a mail ballot shall be required to grant the petition.
- 7.6 In the event, the petition is granted, the name of the nominee shall be presented to the Board of Directors for election to the Hall of Fame pursuant to SECTION 6, above.
- 7.7 In the event the petition is denied, the actions of the committee shall be final.

SECTION 8: PRESERVATION OF RECORDS

- 8.1 All records of historical value shall be maintained in the archives of the ABC by the Elected Secretary.
- 8.2 A certificate approved by the Board of Directors shall be awarded by the Board of Directors to the owners of the dog(s) and/or bitch(s) elected to the ABC Hall of Fame. The Executive Secretary shall distribute certificates to the owners of dogs and bitches elected to the ABC Hall of Fame. The certificates shall be distributed to those owners who have not received them since the procedure was dropped in 1980. An amount, as approved by the Board of Directors (2013), (See Appendix 1), was appropriated for ABC Hall of Fame certificates. (1984) (2013)

SECTION 9: CERTIFICATES

A Framed Certificate will be awarded to honor the dog(s) elected to the ABC Hall of Fame each year.

PICTURES/PAINTINGS 10:

When a dog or bitch is elected to the ABC Hall of Fame, starting with 1994, the ABC or a donor will support a painting or picture.

ABC DOG HALL OF FAME CRITERIA

To be eligible, the dog must be dead. Date of death must be within the past 15 years. Nominees should be animals that knowledgeable breeders would look for in pedigrees when establishing or improving breeding programs. They should epitomize the dual ideal and during their lifetimes have achieved National recognition from Brittany fanciers for their show and trial (field and obedience) ability through successful competition on a multi-regional or National level, and/or that produced a high average of progeny from different dams or sires who were generally acknowledged as being of extra merit.

ABC HALL OF FAME FOR DISTINGUISHED MEMBERS

In 1993, the Board of Directors voted to form a ABC Hall of Fame for Distinguished Members of ABC, past and present. Life membership, although an honor, was not of sufficient status to properly honor those who had given exceptional service to the club from its foundation on. ABC Hall of Fame members are provided full privileges of membership in the parent club but does not carry with it obligations of duties or dues.

The following is a list of the qualifications for nomination to the ABC Hall of Fame for Distinguished Members:

1. The individual should be involved in the ABC for more than a few years, 15 years are suggested.
2. Their contribution to the club and sport has been outstanding.
3. The individual has contributed to the National Club in many ways: member, club officer, judge, breeder,
4. The individual may be living or deceased.
5. The Brittany Club and the Brittany has benefited because of that person's involvement.
6. It shall be the duty of the ABC Hall of Fame for Distinguished Members, with the President as chairperson to furnish the Magazine Chair with a biography to be published in the ABC Magazine of the person/s elected each year to the ABC Hall of Fame for Distinguished Members. (2015)

PROCEDURE FOR ELECTION TO THE ABC HALL OF FAME FOR DISTINGUISHED MEMBERS

1. The committee to select nominees to be elected to the ABC Hall of Fame shall be the Board of Directors with the President as chairman.
2. Anyone wishing to nominate a person to the ABC Hall of Fame must submit that name and that person's qualifications to the President by April 1st of any year. (A nomination form will be printed in the February and March issue of "The American Brittany"). For the first two (2) years, there shall be no limit to the number of people elected. After that time, a limit may be set on the number elected to the ABC Hall of Fame.
3. A mail vote will be conducted by the President as chairperson to determine election. The first vote will be by mail to the directors. It may be taken by e-mail under confidential restraints by the President. Those people receiving 50% of the vote will then go on the second ballot. The first ballot is to be sent by June 1 of each year. The second ballot will be sent by September 1 of each year. Selection will be by 2/3 vote of the Board. All votes both written and at the Board meeting will be "yes" or "no" votes.
4. Persons not elected will not be carried over a second year. (2013) It takes more than 50% to carry on the ballot (8). It takes 2/3 of the directors (10) to elect. (1995)

2. To act as liaison between the AKC and the ABC, working for the best interests of the ABC and/or any of the ABC regional clubs which may have unresolved problems with AKC. In the case of a hearing with AKC, the President shall contact the AKC Delegate, copy him with all communication and together decide upon the portion the ABC shall maintain at the hearing. The Delegate shall then contact all necessary persons and clubs for additional pertinent information so as to be fully informed before the hearing takes place. After the hearing he shall make a complete report to the Officers and the Board of Directors.
3. To attend the quarterly meetings of the AKC delegates whenever the agenda calls for the discussion of or balloting on matters that affect the ABC or its regional clubs or members.

SELECTION AND TERM OF OFFICE

The delegate shall serve at the pleasure of the Board of Directors and the AKC, as long as he works effectively for the club. It should be kept in mind that when the club selects a new delegate, the paper work will take approximately six months to complete so it shall be advisable to select a new delegate if at all possible at least six (6) months before the incumbent's resignation becomes effective. Candidates shall be selected by the Board and election shall take a two-thirds (2/3) majority of the entire Board.

If the occasion should arise where a committee unexpectedly has problems with AKC, the Delegate shall be informed of all that has led up to the problem so that he may be properly equipped to serve as liaison between the committee and AKC. The AKC Delegate shall be reimbursed for travel expenses to the quarterly AKC Delegate meetings. (1976)

DELEGATE TO THE ASSOCIATION OF AKC POINTING BREED PARENT CLUBS

This association met for the first time in 1985. The President attended this meeting and felt our participation worthwhile. The following guidelines were established at the 1985 Board meeting.

1. The delegate shall be elected by the Board of Directors.
2. The term of delegate shall be for two (2) years, the first term to be 1986 & 1987.

2. The JEC maintains materials to be disseminated to judges and makes sure this information is available in the ABC website. (2014)
3. The JEC makes available all information needed to hold seminars to people who will be presenting the judges' education program. (Brochures are no longer sent.) (2014)
4. All judges' education seminars are to be channeled through the JEC. The ABC computer presentation and printed handout materials are to be used as educational materials at all seminars. (1997) (2014)
5. The Judges' Education Committee budget is as approved by the Board of Directors (2013). See Appendix 1.
6. The Judges' Education Committee shall determine the materials to be used in the presentations. The presentations will be updated as new materials and photos are obtained. (2014)
7. The JEC will maintain a record of individuals having taken judges' education and make that list available to clubs, the Summer Specialty and National Specialty chairs. (2014)
8. ABC Mentors shall be approved by the following method:
(Note: The ABC Mentor requirements are meant to be a guide in selecting members. The following is the criteria for being an ABC Mentor.) (2014)
 1. A full member in good standing of the American Brittany Club for the past 12 years.
 2. A full member of a regional Brittany Club for the past 12 years.
 3. Having bred, whelped and raised Brittany litters would be considered helpful.
 4. Having attended the ABC National Events that include both conformation and performance field trials

5. The applicant, to be effective, should:
 - a. Be well versed in the history of the Brittany.
 - b. Understand the Brittany Performance Standard.
 - c. Have experience with the process of judging in conformation and performance.
 - d. Be willing to have prospective judges come to their home or kennel to observe and discuss Brittanys.

9. Effective 2009, the Board of Directors voted to give the Judges' Education Committee the ability to determine if a candidate for an ABC Mentor/Presenter meets the qualifications as outlined in the ABC Policy Book. The JEC will take a written vote by email, U.S. mail, or fax approving or disapproving of candidates with a majority vote of committee members. If a committee member casts a NO vote, they shall indicate on the ballot which of the ABC Mentor's Criteria (item # 6, number and/or letter) listed on the American Brittany Judges' Education section of the Policy Book that the candidate fails to meet. While individual votes will remain confidential as though the committee is meeting in Executive Session to discuss personnel, ballots will be sent to the ABC President, an ex-officio member of all committees, for verification of the vote, yes or no. If a candidate is rejected by a majority vote of the Judges' Education Committee, the candidate shall be notified by the JEC and advised of the reason(s) for the negative vote. (2009)

In 2010, the Board of Directors voted to allow the committee to add categories that a rejection might fall into: (1) Insufficient information and (2) Does not meet qualifications at this time. The Board also voted to revise the application to add information about field trials, hunt tests, and attitudes regarding the Dual Dog. (2010)

10. ABC has asked AKC to require judges to take judges' education in Brittanys every five years. (2014)
11. ABC recommends that regional clubs hire judges who meet the five-year criteria whenever possible. (2014)

BREED STANDARDS COMMITTEE DUTIES

1. When active, the committee should draft the proper wording for any standards change desired by the majority of the membership of the ABC.
2. An opinion poll of the membership of the ABC should be made through "The American Brittany" magazine of the contemplated changes before anything is done.
3. Any standards change shall be submitted to the Board of Directors of the ABC for its approval. Wording of the proposed standards change should be sent to AKC to be sure there is nothing in the wording which is contrary to AKC policy.
4. The second opinion poll should be made through "The American Brittany" magazine after AKC has approved the wording. If the second opinion poll of the ABC membership is favorable, a ballot must be sent to all members of the ABC.
5. The results of the general membership vote of the ABC are sent to AKC along with the exact standards change requested.
6. After the approved wording and the vote have been sent to AKC, AKC will publish it in the Gazette. AKC will allow sufficient time (about two (2) months) to elapse for any letters to be received by AKC opposing the

standards change. The standard change then goes to the Board of director of AKC for their final approval. The standards change is then published a second time in the "AKC Gazette" as the official change in the breed standards.

7. Each chairman shall keep a file of the activities of the year to pass on to the next succeeding chairman. The file shall be handed to the President at the nationals to be passed to the next appointee. If such a file is not received, check with the last chairman. If no file is available, start one.

8. Submit a report of your activities and recommendations to the Agenda Chairman in advance of the annual Board meeting. This must be done far enough in advance so the Agenda Chairman can have the agenda in the hands of the directors six (6) weeks prior to the annual Board meeting. (1992)

9. A positive 2/3 vote of the voting members shall be necessary to make any change in the breed standard.

The word "Spaniel" was dropped in 1981.

AMERICAN BRITTANY RESCUE

The information on this page is provided for informational purposes only. The American Brittany Rescue is a separate legal entity and there are no legal affiliations between the American Brittany Club, Inc. and American Brittany Rescue.

The American Brittany Rescue was formed in 1991 as a cooperative effort of Brittany owners/breeders/fanciers who believe we have an obligation not only to our own dogs and the dogs we produce, but to all the dogs of our breed. Because many rescue dogs can be traced 1-3 generations back to a recognized breeder, we believe it is the responsibility of all breeders to assist Brittans in need, in any way they can.

POLICIES AND PROCEDURES

American Brittany Rescue will accept only pure-bred Brittans, based on visual inspection or AKC papers. All dogs deemed to be pure-bred Brittans will be rescued. They will be taken into a foster home whenever possible. If space is not immediately available rescue will refer potential adopters to the individual or institution holding the dog.

All Brittans placed through the Brittany rescue shall be spayed or neutered before placement.

All Brittans rescued shall be vaccinated against DHLPP and rabies and will be wormed if necessary. If a breeder can be identified, he or she will be notified and given the opportunity to take the dog back or assist in its placement. If the breeder does not wish to take the responsibility for the Brittany, it will be spayed/neutered, immunized, and placed in accordance with rescue policy.

All adoption applicants will be screened to assure that they are able to provide a loving home appropriate for a Brittany Rescue's primary goal will be to place Brittans in homes where they will be pets and companions.

American Brittany Rescue reserves the right to refuse adoption to any applicant deemed unsuitable, based on oral interview or past history.

As often as possible, rescue will visit the adoptive home prior to placing the dog. Adoptive families will sign an agreement which obligates the adopter to provide a loving, safe, appropriate environment for the Brittany and assures that if, for any reason, they can no longer provide a home for the dog, it will be returned to Brittany rescue. No personal information will be released about the previous owners or breeders of a rescue Brittany to the adopter(s) unless mutually agreed upon by all parties.

American Brittany Rescue will provide follow up to assure the dog and its new family is doing well and will remain available for consultation at any time.

If the adoptive family becomes unable to keep their dog, Brittany rescue will take the dog back or assist in finding a new adopter, who will also be required to sign the American Brittany Rescue agreement.

Rescue volunteers will ask each adopter to make a donation which will help fund their local rescue efforts. Each rescue group will be responsible for the cost of maintaining the dogs prior to adoption (food, vaccinations, alteration and advertising).

Regional coordinators will work with local clubs to raise funds which will keep each volunteer group self-sufficient and the national coordinators will supplement these funds as possible.

American Brittany Rescue will make available educational materials which provides information about the Brittany, genetic diseases common in our breed, responsible breeding, spay/neuter, taking responsibility for the dogs we produce, and will provide referrals to responsible breeders.

AKC PROCEDURE ON ELECTRONIC BALLOTING FOR AKC PARENT CLUBS

AMERICAN
KENNEL CLUBSM

ELECTRONIC BALLOTING FOR AKC PARENT CLUBS

Effective: September 1, 2013

Unless the laws of your state prohibit the use of electronic balloting in general or for specific purposes, please be advised, effective September 1, 2013:

Parent clubs may conduct elections, votes on breed standard revisions, bylaw amendments and any other specific questions a club's board of directors shall determine, via electronic balloting. Such balloting must be conducted by an independent organization which specializes in electronic balloting.

A member must sign a written authorization agreeing to this method of balloting, which is revocable, which agrees to release the club from any liability should the ballot be received late or not received by the member, due to circumstances beyond the club's control. Members not providing written authorization will continue to receive all materials via USPS.

Clubs wishing to adopt this method of balloting must add the appropriate language to the applicable sections of their bylaws the next time other bylaw work is considered.

**AMERICAN
KENNEL CLUBSM**

Electronic Balloting Q & As

How does my club see if this is permissible?

The club must check with the Office of the Secretary of State in the state where the club is incorporated or check the law governing not-for-profit organizations incorporated in that state.

Can my club do this now and make the Bylaws change later?

The bylaws require that ballots be "sent" / "mailed" and that they be secret. As long as these components are met, the bylaws can be amended at a later date.

How does my club handle those members who want a paper ballot or who do not return a signed consent form?

Those members will continue to receive ballots via USPS.

Where does the club keep the signed consent forms?

The Secretary (or Recording Secretary) should keep the consent forms.

Is it necessary for the club to have the consent forms signed each year upon membership renewal or is the one consent form sufficient for as long as the member is in good standing?

No, but the member has the right to "opt-out" provided the request is received by the club in advance of any election deadline.

How does the club combine the two voting methods - paper and balloting for the total?

If the electronic balloting service does not include the counting of paper ballots the club must conduct the non-electronic balloting in any of the ways currently prescribed in the bylaws

Does the club have to report the votes separately to the membership or just the totals?

The club should report just the totals but obviously the club's internal records should include both counts

How does the club ensure that a member did not vote both electronically and by paper?

The club will have two lists of members: one sent to the e-balloting firm and the other maintained by the recipient of ballots received via USPS.

REGIONAL FIELD TRIAL DATES, POLICY

This is the policy for the administration and organization of field trial dates by the Field Trial Dates Committee:

1. All communications regarding field trial dates scheduling between regional clubs and regional dates coordinators must be in writing and signed by an officer of the club making the request or inquiry.

2. Regional Clubs shall be awarded dates in accordance with AKC Rules for Field Trials & Standard Procedures for Pointing Breeds, Chapter 3, Section 2:

"Each member club or association which has held a field trial or field trials in anyone year shall have first right to claim the corresponding dates for its trial or trials to be held in the next succeeding year."

3. Regional clubs locked in on grounds that are only available on given dates will be given special consideration in date scheduling.

4. New clubs shall agree in writing that they will accept one of the open dates or the dates assigned to them by the regional dates coordinator for their spring and fall trials when applying for ABC provisional status. Open dates for spring and fall field trials will be made available to new clubs on request by the regional date's coordinator.

5. The following considerations should be the policy used to determine that two (2) clubs, within a region, should be allowed conflicting dates:

A. Location of two clubs and reason for conflict

B. Availability of grounds for conflicting clubs - exact location of the trial grounds must be furnished by both clubs to the regional dates' coordinator.

C. In order to determine what effect a conflict will have on the entries of each club – the regional dates coordinator may require both clubs to furnish a list of the number of entries for each stake run in the spring and fall trials held just previous to the date in question along with the names of each professional trainer that attended those trials with the number of dogs run by that trainer,

D. Availability of dogs to insure each club enough entries to exist.

E. A club located in one region shall not encroach into another region to run its trial or trials without first obtaining permission from the regional date's coordinators of both regions.

F. If clubs within the same region are not satisfied with the decision of the regional date's coordinator; the club may appeal as follows:

6. APPEAL PROCEDURE

A. Contact the regional date's coordinator by phone followed by a letter within the time period given in the notice. Send a copy to the National Dates Chairman.

B. The regional dates coordinator shall notify the National Dates Chairman in writing of the requested change. If the trial dates are not satisfactory worked out with the regional dates' coordinator, then the club may appeal directly to the National Dates Chairman.

C. If a club's trial dates problem is not satisfactorily resolved after following these steps, the club has an automatic appeal to the three Directors within its region for decision.

D. If a decision cannot be reached by the Directors in the region, the club has an automatic appeal to the President. The President shall then contact the National Dates Chairman, the regional dates coordinator, the three (3) Directors in the region, and the secretaries of the two clubs before deciding. The President's decision shall be final.

7. TRIAL DATES

All events that occur during the week are to be posted/scheduled through the National Dates Chairman, with the dates published in "The American Brittany," and/or the American Brittany Website current calendar for most current information. (1993) (2020)

OFFICIAL BOOKS OF ABC

The first book published by the American Brittany Club was called The Brittany in America, written and edited by Fred Z. White, M.D., who was Secretary and Editor of "The American Brittany" magazine. The book was paid for out of the general funds of the ABC and reimbursed from sales of the book. The copyright date was 1961. The purpose of the book was to acquaint people with the Brittany who were looking for their own hunting companion, to explain what the Brittany is and what he does. The ABC owns the copyright on the Fred White book until his death when it shall revert to his heirs. This book is out of print.

The Brittany in American Revised Edition by Fred Z. White was compiled in 1965. It is an accumulation of articles, history, records, and pictures significant to the development of the breed up to that time. This book is out of print.

The Official Book of the Brittany Spaniel was edited by Nicky Bissell and published by the ABC using the same method of financing as The Brittany in America. This book, copyrighted in 1972 by the ABC, adheres to the ideas set forth by the ABC to promote the dual dog. Included is pertinent information about every dog with a dual championship title as well as all field champions, mixed champions with placements in licensed field trials. The cut-off date for records was January 1, 1971.

The American Brittany Club plans to produce two (2) books. The first is an updated and revised version of the first The Brittany in America. This book will be called An Introduction to the American Brittany. It will be for new Brittany owners, and it will address the needs and requirements of people acquiring their first Brittany. This book will be approximately half the size of The Book of the American Brittany and it is planned that it can be sold for approximately half the cost. It will include the Hall of Fame dogs and will list pertinent all-time Brittany records. This book is intended to be reprinted when needed and will only require minimal updating.

The Book of the American Brittany, Eighties Edition was edited by Rheta Cartmell and committee. The book was printed in 1994 with a cutoff date for data of 1991. This book is an update of Section II and the Appendix from the 1970 book. (2009)

ABC REGISTRY OF MERIT (ROM)

Many AKC breed clubs have established a Registry of Merit (ROM) as a club title to identify dogs and bitches in their breed who have proven themselves to be outstanding producers of champions and working dogs.

Most programs are designed to be self-reporting to a statistician, with the dog's owner responsible for submitting an application and fee. Several clubs differentiate the fee by club membership... i.e., members pay \$10, and non-members pay \$35 to submit a dog, and the funds are designated for a specific purpose, such as a health foundation or dog of the year type programs.

The ABC recognizes outstanding sires and dams whose influence on the breed is seen in a lasting way thru their progeny. A Registry of Merit (ROM) certificate is awarded to those Brittany sires and dams have attained titles in conformation, the field, hunt tests, obedience, agility and rally. The owner of the sire or dam in question is charged with keeping an accurate accounting of their get and to submit an application to the ROM coordinator. Copies of documentation should be submitted with the application along with a fee, to be determined by the Board (See Appendix 1) for ABC members, and a fee determined by the Board (See Appendix 1) for non-ABC members. Checks should be made payable to the American Brittany Club. Duplicate certificates for co-owners are available for a fee to be determined by the Board (See Appendix 1) per co-owner.

Certificates can be printed for a nominal cost, and this good way to honor dogs and their owners who make a significant contribution to our breed, and at the same time funding other programs.

ABC maintains a listing of all ROM dogs and owners on their website.

The ROM program will be chaired by a Presidential appointee.

Money collected from ROM fees shall be applied to the Dog of the Year Program.

ABC REGISTRY OF MERIT GUIDELINES

SIRES: A sire's progeny must earn 35 title points in order to qualify. No fewer than 5 and no more than 12 progenies can be used to make up the points. In order for each progeny to be counted, they must have either been awarded a 3 point or higher title. Only the highest title per category counts. (So, a dog with a CH and GCH would receive 5 points for the GCH title, not 9 points for CH + GCH.) Progeny can earn points from titles in each category, i.e. conformation, field, hunt, obedience, agility and rally. Only AKC titles are accepted as part of this program.

DAMS: A dam's progeny must earn 25 title points in order to qualify. No fewer than 5 and no more than 10 progenies can be used to make up the points. In order for each progeny to be counted, they must have been awarded a 3 point or higher title. Only the highest title per category counts. (So, a dog with a CH and GCH would receive 5 points for the GCH title, not 9 points for CH + GCH.) Progeny can earn points from titles in each category, i.e., conformation, field, hunt, obedience, agility and rally. Only AKC titles are accepted as part of this program.
