I live in Harvest, Al with my husband, Michael and our 3 Weimaraners. Nali-Age 12, Strider -Age 6 and Gimlet- Age 17 months. We lived in Tucson for 30 years and in Eureka Springs, Arkansas for 3 ½ years before settling back in Arizona in 2010 then we moved to Alabama.

I have been involved with the sport of dogs since 1999 and started showing in obedience in 2001. I have titled 1 Great Dane and 4 Weimaraner all through CD and 2 of the "Weims" through UD...My first Weimaraner, Gandalf, retired from obedience

with 6 UDX legs and multiple H-I-T and H-C. I have had Weimaraners in the top 10 of Obedience for the breed in 2002, 2006, 2008, and 2009. All my Weims (except the puppy) have titled in Rally through RE. I also ran agility with Nali and Gandalf for almost 6 years, where they both reached and competed at the Excellent level until their retirement. Strider is a finished Breed Champion and will soon finish his Grand Championship. He enjoys being a beautiful couch potato. Gimlet, the puppy...has already begun her Breed ring career and is pointed. She will soon begin her obedience, rally and agility competitions.

I enjoy exhibiting my own dogs and am looking forward to continuing to do so for a long time. I started judging Rally in 2005, and Obedience in 2008. Judging has been a wonderful experience for me and has given me the chance to meet some incredible people and has also provided me with the opportunity to see some amazing performances in the obedience and rally rings.

I appreciate the opportunity to judge for the American Brittany Club and am looking forward to the event.
