

## Field Futurity Feb 2026

### All Age

First Brace: Top Dog Kimber handled by Shaun Hall and Bottom Dog Mac handled by Jason Sinko, dashed off the line, headed up over the first hill and out of sight. Kimber had two bird finds, established nice points and held sufficiently till shot fired. Kimber ranged well out in front and finished strong. Mac had a few good casts once in the tree line. He responded well to his handler when moving him forward.

Second Brace: Teeter, handled by Shaun Hall, was a Bye Dog and bolted out front to the top of the first hill showing a true all age run. He ranged and ran strong throughout the brace. Eight minutes in he seemed to vanish and all were searching for him. When we came up over the hill we spotted him standing staunchly out in front on point. Shaun worked the bird and sent Teeter off. At 27 minutes he again established a point on a bird that Shaun flushed and time was called.

### Gun Dog

First Brace: Top Dog Stryker handled by Deanna Azevedo and Bottom Dog Laney handled by Dereck Olsen both started to hunt nicely once in the tree line. Both dogs began to show a nice gun dog pattern of keeping 10 to 2. Both dogs had a nice finish.

Second Brace: Top Dog Hunter, handled by Jack Curtain and Bottom Dog Lana, handled by Deanna Azevedo were off and headed up the first hill. Five minutes in, Hunter was handling well, keeping 10 to 2 and working out in front of his handler. Half way both dogs were working the objectives nicely in the tree line. Lana encountered a walking bird but failed to establish a point.

Third Brace: Top Dog Jesse, handled by Brad Putnam and Bottom Dog Reba handled by Shaun Hall both broke off the line and headed up over the hill. Both dogs ran out in front of their handlers with a nice 10 to 2 pattern. Both dogs covered ground nicely running forward and ranging out. Both dogs finished with good applications and a nice forward run. Both dogs showed strong throughout the 30 minutes. .

Fourth Brace: Top Dog Beamer, handled by Derek Olsen and Bottom Dog Fern, handled by Lupe Laguna, both dogs casted off and headed for the hills. Beamer had a strong start and overall a nice race. Fern showed a nice forward run with big casts edge to edge throughout the 30 minutes. Fern went on point after 9 minutes with a nice edge find and established point again. Fern finished very strong.

Fifth Brace: Icon, handled by Kristina Rickard, was a Bye Dog. Icon listened to his handler well, ranged a few times, and often checked in.

Sixth Brace: Top Dog Johnny handled by Derek Olsen and Bottom Dog Laney handled by Shaun Hall, casted off headed for the top of the hill. Johnny ran well, checked in often and had a stop to flush, not establishing point, Laney had an immediate find off the breakaway established point and the bird was flushed. Ten minutes later Laney had another find with a staunch point and again the bird was flushed, Laney had several nice casts and ran strong for the whole 30 minutes.

Seventh Brace: Top Dog Lucy, handled by Patti Van De Coevering and Bottom Dog Cora handled by Derek Olsen both dogs were a little slow to start, however, once they reached the tree line both dogs began to branch out and range out to the front. Cora found a bird and established a point. Both dogs then had a divided find, both established a point. Both dogs continued to work the same cover and a minute later they again had another divided find. Both dogs finished well.
